BOOK 3 – PLAYERS AND OFFICIALS

CHAPTER I. - ELIGIBILITY AND NATIONAL STATUS OF PLAYERS

ELIGIBILITY OF PLAYERS

1. To be entitled to participate in FIBA competitions, a player must observe the General Statutes and Internal Regulations of FIBA.
2. The national member federation is responsible for the eligibility of its players at all times and will bear the consequences of any infractions of the Regulations governing Eligibility, National Status, International Transfer, and Age of Players.
3. All players who participate in Competitions of FIBA and/or those of its national member federations must:
 - a. Respect the Code of Conduct and Fair Play and act accordingly at all times on and off the court;
 - b. Refrain from using substances and methods prohibited by the regulations of FIBA and those of the International Olympic Committee (IOC) and World Anti-Doping Agency (WADA);
 - c. Agree to submit at any time to medical tests and controls, particularly doping controls, carried out in compliance with the regulations of FIBA, the International Olympic Committee, and WADA.
4. A national member federation or FIBA is authorised to deny participation in Competitions of FIBA to players who do not respect the provisions provided for in article 3-3 above. Permission to play may be refused also to any player who does not provide the entry form, as required for Competitions of FIBA, in which he agrees to accept inter alia:
 - a. The conditions in force for doping control.
 - b. The jurisdiction of the Court of Arbitration for Sport, Lausanne, to the exclusion of any recourse to ordinary courts, in the event of a dispute with FIBA which cannot be settled within FIBA.
5. Players in breach of the principles set out in article 3-3 may not be eligible to participate in the Competitions of FIBA – see articles 1-142 to 1-151.
6. Player contracts shall have a maximum duration of four (4) years. It is recommended that the parties to a player contract state their agreement in writing.
7. Players who participate in professional leagues must be registered with organisations which are affiliated to a national member federation; otherwise they will not be able to participate in the Competitions of FIBA.

FIBA

We Are Basketball

8. No financial remuneration for the performance of a player or a team is permitted during the Olympic Games.
9. It is within the spirit of all FIBA Regulations that players make themselves available for competitions of both their club and their national team. The national member federations are encouraged to enact regulations securing the participation of all players under their jurisdiction in their respective national teams. (see articles 3-78 to 3-96)

NATIONAL STATUS OF PLAYERS

General Principles

10. These regulations apply to all Competitions of FIBA. They apply at national team level and at international club level.
11. These Regulations apply to both genders.
12. If necessary for reasons of mandatory international law, the Zones are authorised to draw up specific regulations applicable to club competitions within the Zone in question. Such regulations are subject to the prior approval of the FIBA Central Board prior to their implementation.

Proof of Legal Nationality

13. FIBA may ask that evidence be provided to verify the legal nationality (or nationalities) of any player by requesting any documents it deems appropriate.
14. Proof of legal nationality of a country by itself does not constitute sufficient evidence to guarantee a player's right to play as a national for the national team of that country – see article 3-15.

National Teams

15. In order to play for the national team of a country, a player must hold the legal nationality of that country, and have fulfilled also the conditions of eligibility according to the FIBA Internal Regulations.

Players with Two or More Nationalities

16. Any player with two legal nationalities or more, by birth or by naturalisation, may choose at any age the national team for which he wishes to play. Any such choice must be made in a written declaration to FIBA. This provision applies also to any player having acquired legal nationality by birth, or having the right to acquire a second nationality at birth, but who does not lay claim to this right until a given time in the future.
[Note: for exceptions see articles 3-20 and 3-21].

FIBA

We Are Basketball

17. However, if a player having two (2) or more nationalities is summoned by a national member federation after reaching the age of eighteen (18), he is obliged to choose for which national team he wishes to play. If he has declined the summons, the player may choose only the national team of the other country/one of the other countries, unless he declares, in writing, within fifteen (15) days of receiving the summons that he has chosen the country that summoned him first.
[Note: for exception see article 3-23].
18. Any player having played in a main official competition of FIBA for a national team for which he is eligible is considered as having chosen the national team of that country, with the exception of cases provided for under articles 3-23 and 3-34.
19. Choices made under articles 3-16, 3-17, and 3-18 are irrevocable.
20. A player who has transferred as a young player according to article 3-52 may not choose until he has reached the age of twenty-one (21) the national team of any country other than the country from which he transferred.
21.
 - a. A national team participating in a Competition of FIBA may have only one player on its team who has acquired the legal nationality of that country by naturalisation or by any other means after having reached the age of sixteen (16). This provision applies also to any player having the right to acquire a second nationality at birth but who did not lay claim to this right until after having reached the age of sixteen (16).
 - b. For purposes of letter (a) above, in the event that a player claims to have acquired a legal nationality before having reached the age of sixteen (16), without presenting the respective passport with a date of issue before the player's sixteenth birthday, the Secretary General may decide in his sole discretion that the player falls under the restriction of letter (a) above. In taking this decision the Secretary General shall take into account the following criteria:
 - The number of years during which the player has lived in the country, for the national team of which he wishes to play;
 - The number of seasons during which the player has participated in domestic competitions in the country of the national team for which he wishes to play;
 - Any other criteria capable of establishing a significant link between the player and the country, for the national team of which he wishes to play."
22. A player who has played in a main official competition (see article 2-1) of FIBA before reaching his seventeenth (17) birthday may play for a national team of another country if both national member federations agree; in the absence of an agreement the Secretary General decides.
23. A player who has played in a main official competition of FIBA (see article 2-1) after having reached his seventeenth (17) birthday may not play for a national team of another country. However, in exceptional circumstances the Secretary General may authorise such a player to play for the national team of his country of origin if he is ineligible to play for such country according to this article 3-23 and if this is in the interest of the development

FIBA

of basketball in this country. An administrative fee as stipulated in article 3-305 and decided by the Secretary General is payable to FIBA.

24. For any player who has two or more legal nationalities by birth or by naturalisation, the national member federation for which the player wishes to play must obtain written certification from the national member federation of the country(-ies) corresponding to the player's other nationality(-ies), in which it is stated that he has not taken part in a main official competition of FIBA as a member of its national team. If the request for this certification remains unanswered, FIBA may issue provisional authorisation to the national member federation making the request. After a period of one year, this authorisation shall be considered final.

Special Provisions for Players from Dependent Territories

25. Article 3-15 does not apply to players who wish to represent FIBA-recognised national member federations of dependent territories, i.e. territories whose citizens have the legal nationality of the country on which the territory is dependent (the "main" territory). However, with a view to ensuring equitable treatment of players and safeguarding a level playing field in national team competitions, national member federations of dependent territories shall comply with the following provisions in addition to all other provisions of the regulations governing the national status of players.
26. In order to represent a dependent territory in the Competitions of FIBA, a player must have the legal nationality of the main territory and additionally fall within one of the following categories:
- Have been born in the dependent territory; or
 - Have:
 - been born in the main territory of at least one parent who was born in the dependent territory; or
 - been born of parents both of whom were born in the dependent territory, regardless of the place of birth of the player; or
 - at least one grandparent born in the dependent territory, regardless of the place of birth of the player.
27. A player who does not satisfy the provisions of article 3-26 but obtains the legal nationality of the main territory by way of naturalisation and can demonstrate permanent residency of the dependent territory for at least four (4) years is eligible to represent the dependent territory, on the same conditions as apply in 3-21.
28. Articles 3-21, 3-22, and 3-23 apply mutatis mutandis.

Club Teams

29. For the international club competitions of FIBA, the compositions of the teams is not subject to any limitation concerning the legal nationality of the players. However, each national member federation and FIBA Zone may establish more restrictive regulations. Where the duration of a tournament does not exceed fifteen (15) days, the governing body of that competition may establish more restrictive regulations also."

DECISIONS

30. Unless provided otherwise, all decisions regarding the eligibility and the national status of players are taken by the FIBA Legal Commission acting through the Secretary General. With respect to Zone championships and in the event of doubts, he may consult with the respective FIBA Zone Secretary General.

SANCTIONS

31. Where there are violations of the provisions contained in these articles and, in particular, where national member federations, clubs, or other organisations are involved in the manipulation, no matter whether legal or not under the domestic legislation, of the legal status of players, administrative and disciplinary penalties shall be imposed in the first instance by the Secretary General of FIBA.
32. Such penalties shall have immediate effect and be in accordance with the Basic Principles of Sanctions provided for in Book 1, Chapter VI of these Internal Regulations.
33. Appeals are governed according to these Internal Regulations (see Book 1, Chapter VII).

MARGINAL CASES

34. Decisions on marginal cases are the responsibility of the Secretary General following consultation with the Chairperson of the FIBA Legal Commission. The same shall apply with respect to refugees enjoying asylum rights and displaced persons (UN Conventions). In certain cases, FIBA nationality may be granted to a player.

APPEALS

35. An appeal against decisions made under the foregoing provisions shall be submitted to the FIBA Appeals' Panel in accordance with the Regulations governing Appeals (see Book 1, Chapter VII).
36. If and when an appeal hearing is organised under these Regulations involving member federations, clubs or players, FIBA shall be authorised to make the organisation of such hearing dependent upon the parties paying to FIBA reasonable administrative costs.

CHAPTER II. - INTERNATIONAL TRANSFER OF PLAYERS

APPLICATION OF THESE REGULATIONS

37. All decisions related to an international transfer shall be made by FIBA.
38. All decisions related to a special agreement according to article 3-40 below shall be the exclusive competence of the Secretary General.

GENERAL PRINCIPLES

39. Any basketball player shall have the right to play basketball in any country in the world, within the limits established by the General Statutes and Internal Regulations of FIBA and the eligibility regulations of the respective member federation.
40. These regulations governing international transfer apply in their entirety to all member federations. However, in exceptional circumstances, FIBA may reach a special agreement with a national member federation or one of its member organisations.
41. For national transfers, member federations are invited to draw on these Internal Regulations and to establish their own regulations governing the transfer of players in the spirit of the FIBA Regulations.

LETTER OF CLEARANCE

42. A letter of clearance must be obtained from the national member federation where a player was last licensed before he can be licensed by another member federation. A copy of each letter of clearance must be sent (also by email) to FIBA. This document certifies that the player concerned is free to be licensed by another member federation.
43. A letter of clearance may not be issued to more than one national member federation at any one time. Sanctions may be imposed on a national member federation in the event of misleading practices and/or procedures.
44. The letter of clearance may not be limiting or conditional.
If applicable, the letter of clearance must mention any sanctions applied under the auspices of the national member federation that may be in force against the player. Such mention shall include the unexpired period of suspension from playing, the unpaid amount of a monetary fine which is part of the sanction applied by the national member federation, or the unexpired portion of any other sanction.
FIBA must be informed when a letter of clearance is issued where there is an outstanding sanction and a copy of the file relating to the sanction must be sent together with a copy of the letter of clearance (see also article 1-141a).
45. The national member federation requesting a letter of clearance must indicate the name, nationality and license number of the FIBA player's agent(s) involved in the transfer, where applicable. This obligation is also valid for the national member federation receiving a request for a letter of clearance.
46. The only reason for which a national member federation may refuse to grant the request for a letter of clearance is if the player is under contract to play for his club beyond the scheduled transfer date. See article 3-76.
A letter of clearance may not be delayed or refused because of a monetary dispute between a club and a player.
47. The national member federation may charge a maximum administrative fee as stipulated in article 3-305 for the transfer of a player under its jurisdiction to another member federation.

48. All the provisions of these Letter of Clearance Regulations apply to any player licensed by a national member federation who wishes to apply for an international transfer, irrespective of whether the player is a national or foreign player.
49. Failure to comply with the above requirements may lead to sanctions as per article 3-303.

AGE LIMIT/YOUNG PLAYERS

50. International transfer is not permitted before a player's eighteenth (18) birthday, except in special cases as decided by the Secretary General after examination of the matter with the member federations and, if necessary, with the clubs and the player concerned. The Secretary General may request any documents deemed necessary in order to determine whether the transfer falls under article 3-51 or 3-52 below."

Young Players - Special Cases

51. If the proposed transfer is not linked to basketball, the transfer may be authorised.
52. If the proposed transfer is linked to basketball, the following criteria shall be taken into account when making the decision on the authorisation of the transfer:
 - a. The player's new club shall guarantee adequate academic and/or school and/or vocational training which prepares him for a career after his career as a professional player.
 - b. The new club shall provide appropriate basketball training in order to develop and/or further the player's career as a professional player.
 - c. The new club shall demonstrate that it conducts an appropriate training programme for young players of the nationality of the club's home country.
 - d. The new club shall make a contribution to a Solidarity Fund established by FIBA to support the development of young players.
 - e. The young player, his parents, the new club, and the new national member federation shall declare in writing that, until his eighteenth (18) birthday, the player will make himself available for his home country's national team and, if necessary, for the preparation time as well as for training camps provided that they do not interfere with school activities.
 - f. The transfer does not disrupt the player's schooling.
53. Not more than ten (10) outward transfers of players under the age of eighteen (18) can be approved in any one year from any one national member federation; similarly, not more than twenty (20) such transfers inward can be approved for any one national member federation. These restrictions relate only to transfers linked to basketball, apply separately to male and female players and shall be based on the order in which transfer requests were received by FIBA. National member federations have the right to withdraw a transfer request for a young player before FIBA issues a decision on the matter.
54. In transfer cases linked to basketball where the player lives close to the border, as determined by FIBA on a case by case basis, FIBA may waive the contribution to the Solidarity Fund and not include such transfers in the total inward/outward number of

FIBA

We Are Basketball

- transfers of the national member federations involved. Any subsequent national transfer of the player before his eighteenth (18) birthday, requires approval by FIBA and shall be included in the inward/outward number of transfers.
55. Where the transfer has been approved under article 3-52 the new club and the club of origin shall agree on a compensation for the development of the young player. In case they are unable to agree on such compensation the Secretary General shall fix a reasonable compensation. Such compensation shall be based primarily, but not solely, on the investments made by the club(s) that have contributed to the development of the player and shall take into account the aspects as per article 3-52.
 56. At or after the player's eighteenth (18) birthday, the club of origin, i.e. the club or other organisation for which he is licensed at his eighteenth (18) birthday (the "club of origin"), has the right to sign the first contract with the young player.
 57. Such contract shall be in written form and respect the laws of the country and of the federation of origin. It shall have a minimum duration of one (1) year and a maximum duration of four (4) years. A copy of such contract shall be submitted to the Secretary General who shall keep it on a confidential basis.
 58. Should the player refuse to sign such contract and elect to move to a new club in another country, the two clubs shall agree on a compensation sum to be paid as per article 3-62 and inform FIBA.
 59. In the event that the clubs are unable to agree on the compensation within two (2) weeks of the date on which a letter of clearance for the player in question was first requested by the new club's federation, either club has the right to request that the compensation be determined by FIBA. Such request has to be made in writing within four (4) weeks of the date on which a letter of clearance for the player in question was first requested by the new club's federation.
 60. The decision as per article 3-59 shall be taken by the Secretary General who may hear the two clubs and/or federations involved and/or the player if he deems it appropriate.
 61. The player shall not be allowed to play for his new club until the compensation agreed upon by the two clubs (article 3-58) or determined by the Secretary General (articles 3-59 and 3-60) has been paid as per article 3-62. In the event that an appeal is filed against the decision of the Secretary General, the player shall be allowed to play for his new club as soon as the sum of compensation determined by the Secretary General has been paid into an account of FIBA or the FIBA Zone where it will be held in escrow until the decision on the compensation is final.
 62. The compensation sum shall be based primarily, but not solely, on the investments made by the club(s) that have contributed to the development of the player. It shall be paid to the national member federation of origin which will decide on how to re-distribute the compensation sum among the clubs that have contributed to the development of the player according to specific provisions that the national member federation has officially adopted. Such provisions shall be drafted in a way to respect the principle of protection of clubs forming young players.

FIBA

We Are Basketball

FIBA is to be informed of the compensation in all cases where compensation is agreed.

63. Upon expiration of the contract as per article 3-57 above, the player is free to move where he wishes without any compensation being due.
64. Member federations are invited to prepare similar regulations for their internal, i.e. national, transfer systems.
65. Unless provided otherwise, any decision related to articles 3-50 to 3-64 shall be the competence of the Secretary General.

LICENSE RESTRICTIONS

66. A player may not be licensed by more than one national member federation at the same time.
67. A player may not have more than one FIBA Foreign Player License at the same time. A FIBA Foreign Player License is issued for the duration of the national and international competitions in which the player's club is currently participating, unless the player is transferred in accordance with these regulations prior to the completion of the competitions.
68. All licenses held by the player become automatically null and void when the license is revoked by the issuing authority.
69. FIBA Zones may set a deadline to apply during the club competition season after which time a license will no longer be authorised.
70. In the event that FIBA has imposed a sanction on a player in accordance with article 3-300c. and as long as the sanction is in place, the said player cannot be licensed with any national member federation other than the one with which he is licensed at the time the ban is imposed.
71. In the event that FIBA has imposed a sanction on a club in accordance with article 3-300d. and as long as the sanction is in place, only players licensed with the said club's national federation at the time the ban is imposed can be transferred to that club.

TRANSFER PROCEDURE - DUTIES OF MEMBER FEDERATIONS

72. Whenever a national member federation receives a request for a license for any player who was licensed previously by another national federation, before granting such a license in accordance with its own regulations, it must obtain a letter of clearance on behalf of the player concerned. (Exception: players from academic institutions, see articles 3-113 and 3-114).
73. The national member federation may not grant the license until it has obtained the letter of clearance from the national member federation of the country where the player was last licensed or from FIBA in terms of article 3-77.

FIBA

Deadline for Response

74. A request for a letter of clearance shall be sent by one of the following methods:
 - a. Registered mail with recorded delivery;
 - b. Email;
 - c. Telefax (with confirmation of receipt);
 - d. Express courier with recorded delivery; or
 - e. Delivery by hand (with confirmation of receipt).
75. The national member federation receiving a request for a letter of clearance must reply within seven (7) days following receipt of the request. It shall either grant or refuse the letter of clearance, and shall indicate whether the player in question was in fact licensed in the national member federation receiving the request for the letter of clearance. It shall also indicate the name, nationality and license number of the FIBA player's agent(s) involved in the transfer, where applicable.
76. If the national member federation refuses the request for the letter of clearance in terms of article 3-46 above, this national member federation shall notify the party requesting clearance and FIBA immediately. The refusal shall be accompanied by a copy of the valid contract in question duly dated and signed by the parties involved. A certified English or French translation of this contract shall be attached.
77. If there is no response within the seven (7) day period, the requesting national member federation shall immediately notify FIBA. This communication must be accompanied by a copy of the first letter requesting clearance addressed to the national member federation concerned and a copy of the passport of the player in question. FIBA will authorise the granting of the license without a letter of clearance, unless there are exceptional circumstances as approved by the Secretary General (however, see articles 3-50 to 65 regarding the transfer of players under eighteen [18] years of age).

PLAYERS' AVAILABILITY TO PLAY FOR A NATIONAL TEAM

General Principles (see also articles 3-1 to 3-9)

78. Any club which signs a contract with a player is obliged to release that player when he is summoned by a national member federation to play for its national team in any age category in a main official competition of FIBA.
79. Any player registered with a club is obliged to reply in the affirmative when summoned to play for his national team.
80. Upon an international transfer, each national member federation must guarantee to FIBA its responsibility in ensuring that this provision is applied by the clubs.
81. Any special agreement reached by FIBA in accordance with article 3-40 of the Regulations governing the International Transfer of Players shall remain unaffected.

FIBA

We Are Basketball

Procedure for Calling a National Team Player

82. A player's availability must be requested by the national member federation concerned in a communication to the national member federation or club with which the player is registered at least thirty (30) days before the first day of the game(s). The request must be sent by one of those methods listed in article 3-74.
83. The player should be available at least for the duration of the competition or for each individual competition day, as well as for a preparation time of:
 - a. Seventy-two (72) hours for qualifying games;
 - b. Fourteen (14) days for a tournament in a main official competition.
84. The member federations concerned may agree on a shorter period of preparation. However, the player must under all circumstances arrive forty-eight (48) hours before the beginning of the first game and be released to return to his club within twenty-four (24) hours of the end of the game(s).
85. If the national team competition is outside the club competition season, the above deadlines do not apply and shall be determined by the requesting national member federation in a reasonable way.
86. A player who claims when summoned that he has an injury or illness, and that he is unable to play must, if the requesting national member federation so wishes, undergo a medical examination by a doctor chosen by the requesting national member federation.

Financial Considerations Involving Players Called for National Team Duty

87. A club having entered into an agreement with a player is obliged to release the player to the requesting national member federation, without any financial indemnity for the period provided for in article 3-83 above.
88. The requesting national member federation must assume the player's travel expenses.
89. The club to which the player is under contract is responsible for covering the player's insurance costs in the case of injury or illness whilst on release from the club and, particularly in the event of injury, during the game(s) to which he is summoned.

Sanctions

90. If a player is called to play on his national team for one a Competition of FIBA and this player refuses to play for his national team for whatever reason (including injury or illness), he may not play for his club for the entire duration of the training period and the competition. Restriction from playing for his club will be increased by thirty (30) days if the player's refusal to play is not manifestly due to illness, or injury. If the period of application of the thirty (30) day sanction falls outside the national championship season, it is carried over to the following season. In case the player plays during the training and/or competition period, the Secretary General may impose an additional suspension of up to thirty (30) days.

FIBA

FIBA

We Are Basketball

91. If a club refuses to release a player, the club is liable to:
 - a. A fine as stipulated in article 3-303; and/or
 - b. A suspension.
92. If a club allows a player to play during the period provided for in article 3-90, this club is liable to:
 - a. A fine as stipulated in article 3-303; and/or
 - b. A suspension; and/or
 - c. A default of zero: twenty (0:20) for all games played with the player during the said period, unless the club loses by more than twenty (20), in which case the result stands.
93. Should a national member federation act against the spirit and/or the letter of this rule, this national member federation is liable to:
 - a. A fine as stipulated in article 3-303 and/or
 - b. A suspension.
94. The decisions as per articles 3-90, 3-91, 3-92 and 3-93 above shall be taken by the Secretary General. The decisions shall be subject to appeal.
95. Should a club be sanctioned in accordance with articles 3-91 and/or 3-92 the national member federation of this club is responsible for enforcing those sanctions.
96. In the event that a club fails to settle its debts with the FIBA Zone, that Zone shall be authorised to collect these debts from the national member federation to which the club is affiliated.

 - a. Obtain a Foreign Player "A" License from the FIBA Zone for those players participating in the 1st and 2nd divisions of the national championship. After the national member federations have registered players for their respective national championship, they have a period of ten (10) days within which the documents required to obtain an "A" License must arrive at the FIBA Zone.

APPEAL

112. Any appeal against decisions relating to these regulations, no matter whether these decisions have been made by FIBA or a FIBA Zone, shall lie with the FIBA Appeals' Panel according to the Regulations governing Appeals (see Book 1, Chapter VII).

ACADEMIC INSTITUTION PLAYERS

113. If a player, after having played for a club affiliated to a FIBA member (FIBA club) plays for an academic institution and/or another organisation which does not recognise the FIBA Regulations governing the International Transfer of Players, and subsequently returns to a FIBA club, he is then considered as having transferred from a FIBA club to a FIBA club (in other words, his playing activities during his stay at the academic institution, or another organisation, will be disregarded).
114. A player who has not played for a FIBA club before playing for an academic institution and/or another organisation and who wants to play for a FIBA club for the first time does not need a letter of clearance: he is eligible to play as soon as he has presented a written declaration to the national member federation concerned, stating that he has never played for a FIBA club.

AGE OF PLAYERS

(Refer to Book 1, Chapter I for Definitions)

ESTABLISHING AGE LIMIT

115. To establish the date of birth corresponding to the age limit for an age group, the following procedure is used: the age limit given in the definition must be subtracted from the year in which a competition takes place with the understanding that this year begins on 1st January. As an example, the age limit for U-19 in a competition in 2013 shall be: 2013-19 = 1994. Any player born on 1st January 1994 or after this date will be entitled to participate in a competition for U-19 in 2013.
- Age limits for participation in competitions for U-19, U-17

117. The Identity Card is valid indefinitely, but three (3) colour passport-sized photographs no more than three (3) months old must be supplied at a competition when the photograph on the Identity Card no longer bears a likeness to the holder.

LIST OF PLAYERS

118. A blank list is sent to the national member federations about eight (8) months before the beginning of the competition. The list has space for twenty-four (24) names of players and six (6) names of coaches.

In selecting a team for a Competition of FIBA in one of the age groups mentioned above, a national member federation shall fill in the List of Players and Coaches.

119. The list must be returned to the FIBA Secretariat two (2) months before the competition is due to start, together with the necessary documents required to prove eligibility for all the players and coaches on the list (see article 3-120 for exceptions). Failure to meet this deadline shall result in financial penalties being imposed by FIBA (as stipulated in article 3-303).
- The List of Players and Coaches must be completed for:
- All age categories from U-17 upwards.
 - For all phases of competition: Qualifying Round, Semi-Final Round, and Final Round.
120. Changes may be made to the List of Players and Coaches before the given deadline provided that they are accompanied by any documents which may be required to prove eligibility of players or the holding of a FIBA Approved Coach License respectively. This list is considered final as of the given deadline, except that changes may be made after the deadline in exceptional circumstances only and the national member federation involved will attract a fine as stipulated in article 3-303.
121. No registration and no additional documents will be accepted later than seven (7) days prior to the beginning of the competition.
- Under no circumstances shall any player(s) be added or replaced to/from the List of Players and Coaches after the deadline of seven (7) days prior to the beginning of the competition.
122. Each national member federation must declare the final twelve (12) players and up to three (3) coaches of its choice at the latest at the meeting of the teams held with the Technical Committee prior to the beginning of the championship. Articles 3-21 and 3-182 apply.
123. *Deleted.*

DOCUMENTS REQUIRED TO PROVE ELIGIBILITY

124. The List of Players must be accompanied by any documents which may be necessary to prove eligibility for each player :
- A certified copy of the original of the birth certificate;
 - A certified copy of passport; and
 - Three (3) colour passport-size photographs no more than three (3) months old;
 - The Entry Form duly completed.

Exception: If the player is already in possession of a FIBA Identity Card, the card number should be indicated on the List.

RESPONSIBILITY OF NATIONAL MEMBER FEDERATIONS

125. The national member federation is responsible at all times for the eligibility of its players noted on the List of Players.
126. Upon discovery that a player has played in an official FIBA competition without being eligible, FIBA will initiate inquiry to establish the player's eligibility according to these Regulations.
127. The national member federation will bear the administrative costs of the inquiry provided for in 3-126 and will be liable to a fine as stipulated in article 3-303 and/or a suspension in accordance with the procedure established in articles 1-126 to 1-136.
128. In exceptional cases, the Secretary General (after consultation with the Chairman of the Legal Commission) may authorise a player to play under the status he had before the irregularity was discovered.

IDENTITY AND AGE VERIFICATION

129. Before the beginning of a competition, players will be subject to identity and age verification under the supervision of the FIBA Commissioner for that competition.
130. Each player, accompanied by the person responsible for his team, shall present his currently valid individual passport or national identity card and FIBA Identity Card. If it is a newly issued Identity Card, it must be signed by the player in front of the FIBA Commissioner and the person responsible for the team. After this verification, the FIBA Commissioner shall return the FIBA Identity Cards to the person responsible for the team.
