

## MENTOR VERIFICATION FORM

**Student's Name:** \_\_\_\_\_

**Physical Product:** \_\_\_\_\_

**Thank you for serving as mentor to this student; your support is appreciated.** Since most of the time spent on the product phase of the Senior Project has been outside the classroom, your help is needed to verify the student's effort as part of the evaluation process. Please answer the following questions about the student's product as completely as possible.

**1. What did the student do/produce?**

**2. Can you verify that he/she spent at least 15 hours creating this product?**

**Yes** ☐

**No** ☐

*Explain:*

**3. What did you observe and/or do with the student?**

**4. Have you seen the physical product at progressive states of collation, not just the final phase?**

**Yes** ☐

**No** ☐

*Explain:*

**5. What problems specifically did the student encounter and overcome?**

**6. What success have you seen this student achieve?**

**Mentor Name (print)** \_\_\_\_\_

**Mentor Signature** \_\_\_\_\_
