

SJSU Electrical Engineering Department

Pre-registration Advising

Undergraduate Advising Form

Date SSN

Name (last, first) M.I.

E-mail address Phone number

This is to inform you that it is my intention to enroll in the following classes next semester (**Note that a suppressed-code form must filled out, if you wish to advance-register for EE102, 120, 122, 128 and 142**):

Course No.	Units	Prerequisite(s) EE Course(s) and 100W —See Back

Total Units (**limit 18**) _____

I certify that, to the best of my knowledge, I will have completed with a C or better all the prerequisites to the EE courses listed above before the start of the next semester. Furthermore, I understand that I will be disenrolled by the EE office from any EE course for which I do not meet the prerequisites, and a "W" will be placed on my transcript.

Course Prerequisites

Effective Fall 2000

EE 97

Prerequisite: EE 098 (may be taken concurrently).

EE 102

Prerequisites: EE 112 with grade of C or better.

EE 110

Prerequisites: EE 098 with a grade of C or better, Math 133A, and EE 101.

EE 112

Prerequisites: EE 098 with grades of C or better, Math 133A.

EE 118

Prerequisite: EE 098 with a grade of C or better, Math 133A, English 1A.

EE 120

Prerequisites: EE 118 with grades of C or better.

EE 122

Prerequisites: EE 110 with grades of C or better.

EE 124

Prerequisites: Engr 100W, EE 122, and EE 128 with grades of C or better.

EE 128

Prerequisites: MatE 153 with grades C or better. Co-requisite: EE122.

EE 132

Prerequisites: EE 112 with grade of C or better.

EE 140

Prerequisites: Phys63 (or 72), EE 098 with a grade of C or better, Math 133A, English 1A.

EE 142

Prerequisites: EE 140 with grades of C or better.

EE160

Prerequisites: EE112, and EE102

EE 198A

Prerequisite: ENGR 100W and instructor consent.

EE 198B

Prerequisite: EE 198A with grade C or better.
