The 4-Way Test

Of the things we think, say or do:

- 1. Is it the TRUTH?**
- 2. Is it FAIR to all concerned?**
- 3. Will it build GOOD WILL and Better Friendships?**
- 4. Will it be BENEFICIAL to all concerned?**

And finally

I can't recall if I told you about an interview my brother-in-law, the preacher faced at one of his appointments: He and his wife were being interviewed by the committee that were charged with selecting the new pastor. At one point, the question of my brother-in-law's ability to keep a confidence arose. A member of the committee turned to my sister-in-law and asked, "If one of our women parishioners went to your husband for advice about her husband's infidelity with another woman, would you know about it?" My sister-in-law promptly answered, "Only if I were the other woman." Shortly after that my brother-in-law, the preacher moved his family into the parsonage.
