Executive Engineer

4. The contractual agency in whose favour allotment of work will be approved shall have to deposit the remaining amount to make earnest money 2% and in case of Co-operative Labour and Construction Societies are required to deposit remaining amount to make earnest money 1% of the estimated cost as mentioned in the tender notice of work within 7 days from the date of the intimation from Executive Engineer before issuance of allotment letter of work. In case contractual agency fails to deposit the remaining amount by the stipulated date intimated by Executive Engineer, then earnest money deposited by the agency will be forfeited.
5. Tenders are to be on the prescribed form percentage rate tender and contract for works which can be obtained from the Office of Executive Engineer, Panchayati Raj, Panipat. The prescribed form contains the "Conditions of the contract" to be complied with by the person whose tender may be accepted. Applicant will be required to pay the cost of the tender form in shape of Bank Draft or Pay order of Rs. 20000/- (Non Refundable) for tender form supplied to them.

Tender documents are also available on Panchayati Raj, website www.haryanapanchayat.com . Interested tenderers can download the documents through internet and can submit the tenders duly completed along with tender document fee of Rs. 20000/- per tender in shape of Demand Draft/Pay order/Bank's Cheque in favour of Executive Engineer, Panchayati Raj, Panipat payable at Panipat (non refundable).The fee of Rs 20000/- should be enclosed in the envelope containing earnest money. If the tenderers fail to enclose the tender documents fee of **Rs. 20000/-** along with his tender, then his tender will not be considered.

- 6 The sale of tender documents will be closed on **6.8.2014 at 5:00 PM.**
- 7 If the prescribed date is declared holiday due to any reason the next working date shall be the effective date.
- 8 Tenders submitted telegraphically will not be considered at all and shall be out rightly rejected.
- 9 The tenderer is advised to visit the site of work at his own cost and examine it and its surroundings by itself to collect all information that the tenderer considers necessary for proper assessment of the prospective assignment.
- 10 The intending tenderer shall fill his offer in the percentage rate above or below on the Haryana Schedule of rates 1988 plus sanctioned ceiling premium as on the date of tender at its appropriate place, signs all pages of the tender documents and initial all the corrections and cuttings. The percentage rate given on HSR 1988 plus sanctioned ceiling premium on the date of tender will also be applicable on the rates of non schedule items mentioned in the DNIT. The tenders in format other than the single percentage tender will not be considered and will be rejected.
- 11 Further information can be obtained and a schedule of quantities, the details, plans and Specifications can be seen in the Office of Executive Engineer (PR) Panipat between the hours 9.00 AM to 5.00 P.M. on every working day, except Saturday, Sunday and Public Holidays.
- 12 The validity of the tender is 90 (ninety) days from the date of opening of tender. If a tenderer limits the validity to a lesser period in his tender, his tender is liable to be rejected.
- 13 Each tenderer shall give proof to the entire satisfaction of Executive Engineer that he has in possession of PWD B&R Specifications Book 1990 as applicable to Haryana and amendment till date.
14. Executive Engineer reserves to himself the right of issuing the material to the contract as per list enclosed for use on work at the places and rates noted against each plus 3% storage charges. The contractor shall be held responsible for obtaining from department all such material required for work from the department store as per terms of contract, regardless of fluctuations in the market rates or in the

Contractor

Executive Engineer

stock issue rates of the division. No carriage or incidental charges will be borne by the department for moving the materials beyond the place where the contractor has agreed to take delivery thereof, even if there is a specific provision for the payment of carriage and incidental charges in the preface of Haryana P.W.D. Schedule of Rates, 1988.

15. The Tenderer shall initial all corrections in his tender as regards percentage, time etc.
16. Acceptance of tender will rest with the competent authority that does not bind itself to accept the lowest tender and reserves to itself the authority to reject any or all the tenders without assigning any reason
17. The tenderer shall comply with the detailed instructions incorporated in the tender document.
18. The tenderer whose tender is accepted is required to execute a contract agreement on the prescribed form of the contract and on Non-Judicial stamp paper of Rs.100/- and to furnish security for the fulfillment of the contract. This security will consist of deduction of 10% from the running payments to be made on account of work done. The 2% earnest money (mentioned at paragraph 3 above) will be treated as part of the security.
19. If any information furnished by the Contractual Agency is found incorrect at a later date, he shall be debarred from tendering/taking up works in future in Panchayati Raj, Haryana. Panchayati Raj department reserves the right to verify the particulars furnished by the Contractual Agency independently.
20. If the tenderer is an individual, he shall sign the tender documents above his name with seal and current address.
21. If the tenderer is a proprietary firm, the tender documents shall be signed by the proprietor above his full typewritten name with seal and the full name of his firm with its current address.
22. If the tenderer is a firm in partnership, the tender documents shall be signed by all the partners of the firm above their full typewritten name and current addresses or alternatively by a person holding power of attorney for the firm. In the latter case a certified copy of the power of attorney should accompany the tender documents. In both cases a certified copy of the partnership deed and current address of all partners of the firm with its seal should accompany the tender document.
23. If the tenderer is a Limited Company or a Corporation, the tender documents shall be signed by a person duly authorized by the Company / Corporation. The officer who will give the power of attorney to the person for signing the tender document shall be competent to give such power of attorney in the Memorandum of Articles of Association. The tender document must accompany the copy of the Power Attorney given to that person. The company/Corporation should also furnish a copy of the Memorandum of Articles of Association duly attested by a Public Notary.
24. Performance certificates from respective Organizations certifying suitability, technical know how will be submitted duly signed by an officer not below the rank of Executive Engineer or Chief Project Manager or equivalent.

Contractor

Witness

Executive Engineer

- 25 If the tenderer modifies or withdraws his tender without written consent of the Executive Engineer within a period of ninety days from the date of tender, he will be blacklisted and his earnest money will be forfeited.
- 26 The tenderer should submit his offer in two envelopes. **Terms and conditions** should be put in **1st envelope** subscribed as “**Terms and Conditions Bid**” duly sealed and submitted along with price for withdrawal of each condition. The earnest money and proof of the enlistment of the contractual agency in appropriate category and performance duly attested will also be enclosed in 1st envelope. The 2nd envelope subscribed as “**Price Bid**” shall contain only the rates and no other conditions, clarification or observations. Second envelope of those Contractual Agencies will be opened who will fulfill conditions and eligibility criteria. Any departure from the above would make the tender invalid and it will not be opened and if erroneously opened, will not be considered at all.
- 27 The authority opening the tender will first of all open the first envelope subscribed as “**Terms & Conditions**” by the tenderer. He will get each conditions priced from the concerned tenderers, if the same has not been priced by the tenderer. If the tenderer fails to price the condition and deviate from the above procedure, his tender would be treated as invalid and it would not be opened or if erroneously opened, shall not be considered at all. Further the tenderer responsible for the material deviations shall be liable to be delisted forthwith without assigning any reason. However, it is made clear that in case the conditions along with price for its withdrawal is not received in first envelope along with “Price Bid” envelope, it will be presumed that tenderer has no condition to offer and thus it will be treated as nil.
- 28 In case any tenderer does not comply with the procedure given above and fails to give financial implication and pricing of his conditions (for the withdrawal of conditions at variance with stipulation of Tender documents) it will be presumed that he is not interested in the work and second envelope i.e. “Price Bid” envelope shall be returned to him un-opened and un-considered, while opening and deciding the second envelope of the tenderer.
- 29 No tenderer is allowed to give any fresh conditions/rates that are disadvantageous to the Development & Panchayat Department after opening Price Bid. Such a condition, if given, makes the tender invalid
- 30 If a tenderer withdraws or modify any of condition that is already priced at the instance of Panchayati Raj Department then effect of condition as originally offered by the agency will be accounted for, working out the lowest tenderer
- 31 The Tenderer shall give the following information along with the tender in the prescribed Performa.
- i) List of works already completed by the tenderer (Performa ‘A’)
 - ii) Declaration regarding works in hand with the tenderer (Performa ‘B’)
 - iii) List of Plant and Machinery in good working order available with the tenderer. (Performa ‘C’)

Total Estimate cost	Rs. 782.69 Lacs
Earnest Money	Rs 5.00 Lacs

PERCENTAGE RATE TENDER AND CONTRACT FOR WORKS

1. All works proposed for execution by contract will be notified in form of invitation to tender pasted on a board hung up in the office of Executive Engineer duly signed by the Executive Engineer.
This form will state the work to be carried out, as well as the date for submitting and opening tenders and the time allowed for carrying out the work also the amount of earnest money to be deposited with tender, and the amount of the security deposit to be deposited by the successful tenderer and percentage, if any to be deducted from bills. Copies of the specifications, designs and drawings, Haryana P.W.D. Schedule of Rates 1988 and any other documents required in connection with the work, signed for the purpose of identification by the Executive Engineer shall also be open for inspection by the contractors at the office of the Executive Engineer during office hours.
2. In the event of the tender being submitted by a firm, it must be signed separately by each member thereof, or, in the event of the absence of any partner, it must be signed on his behalf by a person holding a power of attorney from that partner to do so.
3. Any person who submits a tender shall fill up the usual printed form, stating at how much percentage above or below the rates specified, he is willing to undertake the work. Only percentage above or below on all the Haryana PWD Schedule of rates 1988 plus sanctioned ceiling premium on the date of tender shall be named. Tender which propose any alteration in the work specified in the said form of invitation to tender, or in time allowed for carrying out the work, or which contain any other condition of any sort, will be liable to rejection. No single tender shall include more than one work, but contractor who wish to tender for two or more works shall submit a separate tender for each. Tenderers shall have name and number of the work they refer written outside the envelope.
4. The Executive Engineer or his duly authorized Assistant Engineer will open tenders in the presence of any intending contractor or their authorized agents who may be present at the time and will enter the amount of several tenders in a comparative statement in a suitable form. In the event of a tender being accepted, a receipt for the earnest money forwarded therewith shall thereupon be given to the contractor who shall thereupon for the purposes of identification sign copies of the specification and other documents. In the event of a tender being rejected, the earnest money forwarded with such unaccepted tender shall thereupon be returned to the contractor.
5. The Executive Engineer, Panchayati Raj, Panipat may refuse or suspend payments on account of a work when executed by firm or by contractor described in their tender as a firm, unless receipts are signed by all the partners, or one of the partners or some other person produces written authority enabling him to give actual receipts on behalf of the firm.
6. The receipt of an accountant or Clerk for any money paid by the contractor will not be considered as any acknowledgement of payment to the Executive

<p style="text-align: center;">CONDITIONS OF CONTRACT</p> <p>Clause-1: The person/persons whose tender may be accepted (hereinafter called the persons Contractor) shall permit Executive Engineer at the time of making any payment to him for work done under the contract to deduct security @ 10% from the running payments to be made on account of work done (with the earnest money deposited by him) subject to the maximum 5% of the agreement amount. Such deductions to be held by Executive Engineer by way of security deposit. All compensation or other sums of money payable by the Contractor to Executive Engineer under the terms of his contract may be deducted from the security deposit or from any sums which may be due or may become due to the Contractor by the Executive Engineer on any account whatsoever and in the event of his security deposit being reduced by reason of any such deduction, the Contractor shall within ten days thereafter make good in cash or D/D endorsed as aforesaid any sum or sums which may have been deducted from his security deposit or raised by sale of his securities deposit or any part thereof.</p>	Security Deposit
<p>Clause-2 : The time allowed for carrying out work as entered in the tender shall be strictly observed by the contractor and shall be reckoned from the date on which the order to commence work is given to the contractor. The work shall throughout stipulated period of the contract be proceeded with all due diligence (time being deemed to be the essence of the contract on part of the contractor) and the contractor shall pay as compensation an amount equal to 1% which the Executive Engineer may levy on the amount of the estimated cost of the whole work as shown by the tenderer for every day and the work remains un-commenced or unfinished, after the proper dates. And, further to ensure good progress during the execution of the work the contractor shall be bound, in all cases in which the time allowed for any work exceeds one month to complete one-fourth of the whole of the work before one-fourth of the whole time allowed under the contract has elapsed, one-half of the work before one-half of such time has been elapsed and 3/4 of the whole work before three-four of the whole time has elapsed and so on. In the event of the contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% which the Executive Engineer may levy on the said estimated cost as mentioned in the tender notice of the whole work for every day that the due quantity of the work remain incomplete provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceeds 10 percent on the estimated cost of work as shown in the tender. The Executive Engineer may on representation from the contractor recommend reduction of the compensation with reason to be recorded in writing to the Superintending Engineer whose decision shall be final.</p>	Compensation for delay
<p>Clause-3: In any case in which under any clause or clauses in this contract, the contractor shall have rendered himself liable to pay compensation amounting to the whole of his security deposit(whether paid in one sum or deducted by installments) the Executive Engineer on behalf of the Governor of Haryana shall have power to adopt any of the following courses, as he may deem best suited to the interest of Governor of</p>	Action when whole of security deposit is forfeited.

Contractor

Witness

Executive Engineer

Haryana:		
(a) To rescind the contract (of which rescission notice in writing to the contractor under the hand of the Executive Engineer shall be conclusive evidence), and in which case the security deposit of the contractor shall stand forfeited, and be absolutely at the disposal of the Governor of Haryana.		
(b) To employ labour paid by the Panchayati Raj, Haryana and to supply material to carry out the work, or any part of the work debiting the contractor with the cost of the labour and the price of material (of the amount of which cost and price a certificate of the Executive Engineer shall be final and conclusive, against the contractor) and crediting him with the value of the work done, in all respect in the same manner and at the same rates as if it had been carried out by the contractor under the terms of his contract, the certificate of the Executive Engineer as to the value of the work done shall be final and conclusive against the contractor.		
(c) To measure up the work of the contractor, and to take such part thereof as shall be unexecuted out his hands and to give to another contractor to complete, in which case any expenses which may be incurred in excess of the sum which would have been paid to the original contractor of the whole work had been executed by him (of the amount of which excess the certificate in writing of the Executive Engineer shall be final and conclusive), shall be borne and paid by the original contractor and may be deducted from any money due to him by the Government under the contract or otherwise or from his security deposit or the proceeds of sale thereof or sufficient part thereof. In the event of any of the above courses being adopted by the Executive Engineer, the contractor shall have no claim to compensation for any loss sustained by reasons of his having purchased or procured any material or entered in any engagement or made any advances on account of or with a view to the execution of the work for the performance of the contract. And, in case the contract shall be rescinded under the provision aforesaid, the contractor shall not be entitled to recover or be paid any sum for any work thereof actually performed under this contract, unless and until the Executive Engineer will certify in writing the performance of such work and the value payable in respect thereof and he shall only be entitled to be paid the value so certified.		
Clause- 4 : In any case in which any power conferred upon the Executive Engineer by clause-3 hereof shall have become exercisable and the same shall not be exercised, the non exercise thereof shall not constitute a waiver of any of the conditions hereof and such powers shall not with standing be exercisable in the event of any future case of default by the contractor for which by any cause or clauses hereof his is declared liable to pay compensation amounting to the whole of his security deposit and the liability of the contractor for past and further compensation shall remain unaffected in the event of the Executive Engineer putting in force either or the powers(a) or (c) vested in him the preceding clause he may, if he so desire, take possession of all or any tools, materials and stores in or upon the works, or the site thereof or belonging to the contractor or procured by him and intended to be used for the execution of the work any part thereof,		Contractor remains liable to pay compensation if action not taken under clause 3.

SCHEDULE OF MATERIAL TO BE ISSUED BY THE DEPARTMENT

WORK OF CONSTRUCTION OF 252 EWS (GF 84 + FF 84 + SF 84) TRIPLE STOREY FLATS FOR B P L FAMILIES INCLUDING INTERNAL PUBLIC HEALTH SERVICES & INTERNAL ELECTRICAL INSTALLATION, SECTOR - 35, SONIPAT. (M/S Express City Ltd.).

The following material will be issued by the Government Department to the contractor at the rates noted below each material plus 3% (Three percent) storage charges from Panchayati Raj's store/godown or any other godown hired by the Executive Engineer, Panchayati Raj, Panipat at **PANIPAT** for use on aforesaid work.

Sr No	Description of Material	Unit	Rates	Remarks
1.	Ordinary Portland Cement packed gunny bags / HDPE bags including cost of empty cement bags. Per bag of 50kg denomination including the cost of container.	Each Bag	Rs.225.00 plus 3% (Three percent) storage charges	In case the ceiling premium has been revised during the period of approval of DNIT and receipt of tender, the recovery will be made at the rates mentioned in the new ceiling premium list and the tender amount will be worked out on the basis of revised issue rates.
2.	Fe- 500 EQR TMT Steel Bars	Per MT	Rs 45500/- plus 3% (Three percent) storage charges	

- 1 The contractor shall be responsible for loss or damage to any material such as cement, steel, tiles issued to him by the Executive Engineer, Panchayati Raj, Panipat from any cause whatsoever. In case of material is not utilized for the purpose for which it is issued and is otherwise disposed of by him or spoiled or lost or allowed to get deteriorated, the cost of such quantity of that material shall without prejudice to other rights and remedies available to the Development & Panchayat Department be recoverable from the contractor at Development & Panchayat Department's actual purchase rate or the current market rate, whichever is higher.
- 2 The recovery from contractor for the material consumed in excess or in short of the theoretical requirements as per specification/Haryana PWD. Schedule of Rate 1988 herein stipulated or otherwise fixed by the Executive Engineer other than the variation to be regulated by the proceedings Para-2 shall be dealt with as under:
 - i) Excessive consumption of material up to 5% (Five percent) of theoretical consumption.
Recovery will be made from contractor at the issue/recovery rate plus three percent storage charges provided in the contract.
 - ii) Excessive consumption of material more than 5% (Five percent) of theoretical consumption
If actual consumption exceeds the theoretical consumption by more than 5% then the recovery shall be made for the excessive consumption of material beyond initial 5% at double the issue/recovery rate plus three percent storage charges provided in the contract.

Contractor

Witness

Executive Engineer

- iii) Short consumption of material up to 5% (Five percent) of theoretical consumption

The recovery of cost of material saved would be made from the contract at the Development & Panchayat Department's at the issue/recovery rate plus three percent storage charges provided in the contract.

- iv) Short consumption of material more than 5% (Five percent) of theoretical consumption.

In case it is not possible to determine the exact item on which less material has been used, the cost of material shall be recovered from the contractor beyond initial 5% at double the Development & Panchayat Department's issue/recovery rate plus 3% storage charges. In case it is possible to determine the exact item on which less material has been used it shall be at the discretion of the Development & Panchayat Department either to reduce the rates of the items of work involved or to reject such item/work where it is felt that the structural of the building has been adversely affected. The decision of the Chief Engineer, Panchayati Raj shall be final.

4. In case of cement issued by the Development & Panchayat Department the net weight of 50kg denomination per bag shall be considered and not the actual weight after losses in handling.
5. A cement register in prescribed form showing day to day receipt/consumption and balance of cement at each work site will be maintained by the Panchayati Raj, which shall invariably be signed daily by the contractor or his authorized representative in token of its correctness.

Section Officer,
O/o XEN(PR)

Executive Engineer
Panchayati Raj, Panipat

LIST OF APPROVED MAKE OF VARIOUS ITEMS

S.No	Items	Make
1.	ISI marked PVC pipe & special for Rain water	Prince, Finolex, Supreme & Atul
2.	ISI marked UPVC Sanitary Pipe SWR grade & special	Prince, Finolex, Supreme & Atul
3.	G.I. Pipe	Tata, Jindal (Hissar)
4.	G.I. Pipe fittings / special	Unik, U,SVW, NVR
5.	C.P. Fittings	Essco, ,Nova, Cera
6.	ISI marked Chinaware, Wash basin & W.C.	Perryware, Hindware, Cera
7.	Seat Cover, ISI marked	Comander, Cera, Duralite
8.	PVC Cistern 7.5 liter capacity (two lever cistern)	Perryware, Hindware, Cera
9.	ISI marked Stainless Steel Sink with CP waste	Nirali, Neelkanth, Jayana.
10.	Aluminium Door / Window Fittings	Nulite, Crown, Classic
11.	Paint 1 st Quality	Nerolac, Berger, Asian
12.	Acrylic paint	Asian, Berger, Nerolac
13.	Washable Oil Bound Distemper	Berger , Asian, Nerolac
14.	Pressed Steel Chowkhat	All BIS approved
15.	ISI marked Flush Door Shutter	Minimax , Haryana Ply Wood, Swastic Ply Board Ltd, Jaipur.
16.	LLDPE Storage Tank ISI marked	Atul, Sintex, Diplast
17.	Ceramics glazed floor & wall tiles	Kajaria, Somany, orient.
18.	Iron hinges	Maruti, Ashish, Garg
19.	Glass	Saint gobain, modiguard
ELECTRICAL ITEMS		
1.	ISI marked Rigid PVC pipe & Accessories (Medium quality)	Diplast, Precision, Polycab, Polypak
2.	ISI marked Cable with copper conductor with fire retarded insulation	Polycab, Havells, Delton
3.	ISI marked Piano type switches	Anchor, SSK, Havells
4.	ISI marked Batten holder, Ceiling Rose, Bell	Anchor, SSK, Havells
5.	ISI marked ACB, MCBs & MCCB, enclosures & ELCBs, VCB, Relay etc	Havells, , North West, Standard
6.	PVC junction box	Any ISI marked
7.	Bakelite Sheets ISI marked	V-Hylam, Super Hylam,

NOTE

- In respect of materials for which approved makes are not specified above, the same shall be decided by the Chief Engineer, (PR) and shall be as per sample got approved from Superintending Engineer before procurement. The Contractor shall submit samples of all such materials 3 month before the date of start of such work for approval from the Superintending Engineer, PR.
- The Contractor shall produce samples before procurement of the material for approval for all materials required for works. Samples can be submitted for any of the above makes and they shall confirm to specifications. Samples as approved by the Superintending Engineer, PR shall only be used on the works and the decision of the Superintending Engineer, PR regarding make of material shall be final. Only ISI marked will be allowed to use on works.
- In case material bearing BIS/ISI certification mark are not available, the quality of material shall be judged by standard laid down in the relevant BIS/ISI specification for which make/brand shall be got approved from Chief Engineer, Panchayati Raj, Haryana.

TECHNICAL CONDITIONS, IMPORTANT SPECIFICATIONS AND MODE OF
MEASUREMENTS FOR ELECTRICAL WORKS CONDUIT SYSTEM OF WRING (FOR BOTH
PVC AND STEEL CONDUIT)

1. Before energizing the system, following tests should be given by the contractor, so as to find out that installation conforms to relevant rules/regulations.
Regulations:-
 - a) Earth Resistance Tests.
 - (b) Earth Continuity Tests.
 - (c) Insulation Tests.
 - (d) Polarity Tests.
2. The PVC Copper wire unless otherwise specified conforming to present enforced ISI specifications shall only be used at site of works from the list of approved material appended with this DNIT.
3. Looping in system of wiring shall be adopted for all sub-circuit wiring.
4. In the item of bell point, the contractor will install bell push , the cost of which will be adjusted against the ceiling rose cost included in the item and nothing extra will be payable on the this account and no compensation will be allowed to contractor.
5. All PVC conduit pipes should be embedded within slab or in walls after making chases and at no point should be provided in the floor.
6. Sizes of M.S. boxes made from 18 gauge MS sheet as per relevant IS standard shall only be used
7. MCB's & enclosure etc will be installed of one make only and the thickness of CRCA sheets should be 1.20 mm (18 gauge) for SPN box and 1.60 mm (16 gauge) for TPN boxes as permitted by DGS&D.
8. G.I. pipes for earthing for protection of earth wire shall be medium (B Class) quality.
9. The rigid PVC conduit pipes (Medium) to be used on the work should bear the manufacturer's Trade Mark and shall be ISI marked & should be out of the make indicated in the list of material appended with DNIT. All specials should bear the trade mark of the same manufacturer.
10. The contractor will have to employ licensed supervisor for the execution of Electrical installation works. The contractor executing the electrical work under this contract will possess 'A' class license from Chief Electrical Inspector to Govt. of Haryana. However, the contractor can sublet the internal electrical work to a person/agency possessing 'A' class license from the Chief Electrical Inspector to Govt. of Haryana. The contractor is required to submit the test report in respect of each house/dwelling unit for its submission to electric supply company.
- 11 All chases and holes made for wiring or for other purposes shall be refilled properly and neatly for bringing to original finish to the satisfaction of Executive

Contractor

Witness

Executive Engineer

Engineer. If the building construction work is in progress, the electrical work shall proceed along with for the purpose of cutting chases and holes.

12. The consideration of various size of cable and conduit pipes shall be allowed as tabulated below:

Sr. No	Size of cable	Size of conduit pipe/ No of wires allowed		
		20 mm	25mm	32 mm
1	1.50 mm sq mm	5	10	14
2	4 mm sq mm	3	6	12
3	6 mm sq mm	2	5	8
4	10 mm sq mm	-	4	7

13. The arrangements for the electric supply required for construction purpose shall be made by the contractor at his own cost.
14. Material out of the list attached with D.N.I.T. shall only be used at site after getting the same approved from Executive Engineer.
15. Contractor shall be responsible for damage/pilferage of electrical fittings till the houses are handed over.
16. All the round junction box and fan box covers shall be of 3mm thick bakelite sheet and nothing extra shall be paid on this account. The colour of these Bakelite sheet cover shall be as approved by the Engineer -in-Charge.
17. The work will be executed strictly as per PWD specifications unless and otherwise specified.
18. Definition and measurement of points and wiring of DNIT no 1 strictly followed as per Haryana PWD Specifications.
19. Sizes of MS boxes for various combinations will be as under

Sizes of M.S. boxes for various combination will be as under

1 Fan point and upto 2 switches	225mm x 100mm x 65mm
2 Fan point and 2 switches	200mm x 100mm x 65mm
1 switch	100mm x 100mm x 50mm
2 switches	175mm x 100mm x 50mm
3 switches	175mm x 100mm x 50mm
2 switches and 1 socket 5amp.	225mm x 100mm x 50mm
3 switches & 1 socket 5amp	225mm x 100mm x 50mm
1 16 amp Switch 1 Nos.16 amp Socket	225mm x 100mm x 65mm

The size of bakelite sheet should be 20mm more than size of MS boxes ie for MS box of size 75 mm x 75 mm size of Bakelite sheet shall be 95 mm x 95 mm and so on

20. Multy Strand Copper Conductor cable shall be allowed.
21. 3mm thick Bakelite sheet of IS marked of approved will be used for item No 31.38 ie wiring in existing conduit pipe installed of 5 mm thick Bakelite sheet without any deduction.

ADDITIONAL CONDITIONS

- 1) The work will be executed strictly in accordance with the Haryana PWD Specification 1990 (as applicable to Haryana) corrected up to date at the time of tenders, unless specified to contrary.
- 2) The contractor shall not be entitled to any payments on account of work done till he signs the agreement and the same is accepted by the competent authority.
- 3) Royalty, Sales Tax, service tax, Excise Duty, Octroi or any other tax or levy shall be paid by the contractor direct to the respective department in accordance with their rules and regulations enforce from time to time, without any liability to the Panchayat Development Department.
- 4) Technical Staff at the site of work : -
The contractor shall be required to keep at the site of work following technical staff when work costing to Rs. 5.00 lacs and above as under:-

Where a work costing Rs.5.00 lacs and above up to Rs.15.00 lacs	One Qualified Junior Engineer (Diploma in Civil Engineering for civil work and Diploma in Electrical Engineering for electrical work)
Where a work costing more than Rs.15.00 lacs and above	One Qualified Engineer (Degree in Civil Engineering or equivalent for civil work and Degree in Electrical Engineering or equivalent for electrical work)

- 5) Actual quantities of completed and accepted work shall only be paid.
- 6) In case of emergency, the contractor shall be required to pay his labour every day and if this is not done, the Executive Engineer-in-charge will make the requisite payment and recover the same from the contractor's dues.
- 7) No claim shall be entertained on account of increase in price of material and wages of labour due to any cause what so ever.
- 8) The Executive Engineer reserves the right to take away any item of work or any part thereof at any time during the currency of work and re-allot to any other agency with due notice to the contractor without liability of any kind or payment of any compensation.
- 9) 10% security is deducted from the running bill after adjusting 2% earnest money subject to the maximum 5% of agreement amount. The agency can provide equivalent **bank guarantee** of any schedule bank in lieu of the cash security after adjusting 2% earnest money. **The bank guarantee shall be valid for the duration of the project plus fifteen months.**
- 10) 50% security shall be released after 60 days, but before 75 days of the payment of the final bill. Balance 50% security shall be released after 300 days, but before 330 days of the payment of the final bill.
- 11) That in case the payment of running bill is not released within forty days from the date of submission of bill by the contractor for the works executed under contract, then the Government would be liable to pay interest @ 0.03% (zero point zero three percent) per day of delay beyond 40(forty) days. However, no extension in time limit would be allowed on account of delay in releasing the payment.

Contractor

Witness

Executive Engineer

- 12) The payment of final bill shall be released within 90 (ninety) days from the date of completion of work, failing which interest @ 0.03% (zero point three percent) of the total amount of the final bill per day of delay beyond 90 (ninety) days shall accrue to the contractual agency.
- 13) a. In case samples have been drawn by the State Vigilance Bureau or by any other authority but the report and test result of samples have not been received, the payment of running bills; final bill & security will be released after the contractor furnished on undertaking in shape of indemnity bond on the following lines :-
 "I/We _____ son of Shri _____ resident of _____ do hereby undertake to bear the recoveries if any, levied by the Government on account of any adverse results for the samples taken by the State Vigilance Bureau or by any other authority from the work of _____. I further undertake that I will reconstruct the structure if declared unsafe due to result of the samples. I also undertake that in case of any item of work contains defect of nature which do not endanger the structural stability of the work, it may be accepted and the payment thereof shall be made to us at the reduced rates decided by the Chief Engineer which will be final and binding on us as per additional condition No.17 of the contract agreement. I have no objection if all the recoveries are made from any other contract executed with the Government as well as with other Organization."
- 13) b. Third party inspecting agency shall also be appointed by department. The other terms and conditions finalized for third party inspections shall be binding on the contractual agency.
- 14) The contractor will be responsible for any and all losses of material damages done to unfinished works as result of floods and any other act of God. The Government will not be responsible for any compensation as a result of such damages or loss to the contractor and the contractor shall be liable to set right such damages at his own cost to the satisfaction of the Executive Engineer.
- 15) Nothing extra will be paid to the contractor for any lead or lift unless otherwise specified for any material required directly or indirectly under the contract.
- 16) Nothing extra will be paid to the contractor for diverting water in the channels or streams if it becomes necessary for the execution and completion of the work.
- 17) Amount of the work can be increased or decreased due to any item omitted and substituted in accordance with the requirement of the department and no claim on this account shall be entertained.
- 18) The contractor shall be responsible for providing to the entire satisfaction of the Executive Engineer at his own expenses for the following amenities for all the labour employed by him:-
- i) Suitable temporary hutting accommodation.
 - ii) Trench latrines, bathing enclosures, platforms separately for men and women and their regular cleanliness.
 - iii) Clean drinking water.

In event of his failure, to be provided by the Government and cost thereof shall be recovered from the contractor. Any dispute regarding above points shall be settled by the Executive Engineer and his decision shall be final.

Contractor

Witness

Executive Engineer

- 19) No claim of any kind whatsoever shall be entertained for any or all the losses or damages to the contractor, due to the completion of the work getting delayed or failure on the part of the Executive Engineer to supply drawings, materials, tools and plant required to be supplied by him under the terms and conditions of the contract.
- 20) For safe custody of materials and watch and ward thereof and proper double lock arrangement, the contractor shall be bound to follow the instruction of the Executive Engineer.
- 21) In case the work of any item of work contains defects of a nature which do not endanger the structural stability of the work, it may be accepted and the payment thereof shall be made to the contractor at reduced rates. The decision of the Chief Engineer in this regard shall be final and binding.
- 22) The contractor executing the Public Health works should either possess a license or engage a licensed plumber for supervision and execution of these works. The license will be issued by the authority competent to issue such license.
- 23) The Executive Engineer shall have the right to get any item of work shown in the contract schedule of rates executed under this contract to any limit when required for the purpose of completion of the work on the same rates and terms as provided under this contract.
- 24) All clause and notes given in the Haryana PWD Schedule of rates 1988 with up to date correction slips will be applicable to the date of tender for all items in the DNIT/Haryana PWD schedule of Rates 1988 wherever necessary except Para 9 (b) of preface of Haryana PWD schedule of Rates-1988.
- 25) The size of reinforced cement concrete and other structural member shall be measured and paid for as per size provided in the structural design.
- 26) Error or omission, if any in the nomenclature rate or unit of the items or work shall be corrected as per Haryana PWD schedule of Rates-1988.
- 27) The Executive Engineer reserves the discretion to order the use of Tor or TMT or Mild steel as per structural requirement.
- 28) The Executive Engineer reserves the discretion to get any type of material used as per new techniques innovation from the contractor for any work done under this contract. However, the rates for such material/work shall be paid as per provision of clause 14 of the contract agreement.
- 29) Paint conforms to relevant IS specification and of make indicated in the contract will be arranged by the contractor irrespective of note appended in HSR 1988. Special quality paint will be used with the approval of the Chief Engineer.
- 30) The contractor shall comply with the provision of the Apprentices Act, 1961 and the rules and orders issued there under from time to time. If he fails to do so his failure will be breach of contract and the Chief Engineer will have the power to cancel the contract. The contractor shall also be liable for any pecuniary liability arising on account of any violation by him of the provision of the Act.

Contractor

Witness

Executive Engineer

- 31) If for execution of the work, the contractor engages imported labour, he shall immediately inform the Local Health Authorities entrusted with the work of eradication of Malaria for their labourers inclusion in the surveillance operation and for getting their blood examined, from the aforesaid authorities in order to prevent Malaria positively.

Imported labour: Means labour belonging to a state other than the state of Haryana.

- 32) The contractor shall have to make arrangement for nourishment of children where 10 or more women worker shall be engaged by him on work the children shall be under the supervision of one women worker who shall provide them with milk and toys to play in a tent provided at site.
- 33) Income tax will be deducted from the bills of the contractor according to section 194-C of the Income Tax 1961 and instruction issued by the concerned Department from time to time.
- 34) No pits will be dug by the contractor near the site of building work or within road land for taking out earth for use on the work. In case of default the pits so dug will be filled in by the Executive Engineer-in-charge at the cost of the contractor plus fourteen percent department charges.
- 35) All material left at site one month after the completion of work shall become the property of the Development & Panchayat Department. and contractor shall have no claim wherever for such material left by him at site after one month of completion of work.
- 36) The contractor shall supply at his own cost and expenses all labour materials etc. for layout and checking of any portion of the work during construction, whereas over required by the Executive Engineer or his representative and nothing extra shall be paid for such services.
- 37) The contractor shall not remove from the site of work, without the written permission of the Executive Engineer, any material which has been issued to him for use on the work.
- 38) The contractor will not have any claim in case of delay by the Government of removal of trees of shifting, raising removing of telegraph, telephone or electric lines (over head or under ground) and other structure if any Which comes in the way of the work. Material excavated dismantled or cut at the site during execution of work.
- a) Unless otherwise provided in the contract documents, material such as rubble, gravels, sand Murrum, Kankar, earth soil etc. obtained from excavation and material obtained by dismantling and existing structure shall remain the property of the Government. If deemed fit, the Executive Engineer may with the approval of competent authority permit the use of such materials on the work in substitution of materials which the contractor would have otherwise provided, subject to the condition that a suitable deduction shall be made in the rate of the items in which such materials are used.

- b) Any trees, branches, bushes crops etc. which may be required to be cut during the execution of the work shall be handed over to the Development & Panchayat Department or disposed of as directed by it.
- 39) Coarse crusher sand or natural sand of proper quality having FM as per specifications & approved by the Executive Engineer will be used in all masonry work. In case of plaster work, coarse and Jamuna sand of proper quality having FM as per specifications & approved by the Executive Engineer will be used.
- 40) All material brought by the contractor to the site of work shall be opened to suitable test by the Executive Engineer and in accordance with the approved make. The contractor shall afford all such facilities as the Executive Engineer may require for collecting and forwarding all such samples and shall hold the material represented by the sample until tests have been made the material found as per standard. The contractor will supply the material required for the test samples without any charges. No material, until it is approved by the Executive Engineer, will be used on the work.
- 41) The contractor shall provide weighing and measuring equipments for the works to the entire satisfaction of the Executive Engineer at site for measuring of the various articles, materials brought by him to the site of work for use on the work.
- 42) Running payments made for any work will not confer any rights on the contract for its final acceptance. A work measured for running payments can be totally rejected at the time of final bill or accepted at such reduced rates which the Executive Engineer thinks reasonable. In case of any dispute arising on this behalf, the decision of the Chief Engineer will be final.
- 43) 4% sales tax as applicable from time to time will be deducted from the contractor's bill as per latest Haryana Government Gazette Notification.
- 44) Mechanical Mixer would be used for mixing of mortar in terms of provision of PWD specification and nothing extra will be payable on this account.
- 45) Earnest money of all the tendered will be released only after three months or the acceptance of the tender whichever is earlier.
- 46) In this contract schedule of rates only essential portion of items has been written, but it will deem to cover the entire items as fully described in Haryana PWD schedule of rates-1988.
- 47) No claim will be entertained from the contractor, In case of any omission in description, rate or unit occurred in any of the items taken in this schedule while comparing the schedule or on account of typing comparison or over writing and in case of error. The same shall be rectifiable at any stage as per Haryana PWD schedule of rate-1988 along with the amendments made from time to time.
- 48) If due to any circumstances the site of work is shifted to another near by site in the same town, the agency will have to execute the work on the rates, Items & condition of allotment letter. No claim on account of change of site shall be entertained.

Contractor

Witness

Executive Engineer

- 49) The rates included in the contract schedule of rates cover the cost of filling the water retaining structures; testing for water tightness to the full satisfaction of the Executive Engineer and implying, if desired.
- 50) Building drawing approved with the unit are tentative may be revised by the Executive Engineer with the permission of competent authority. The agency will have to execute the work in accordance with the revised drawings may not claim any this due to this revision.
- 51) In case executing agency brings the earth from the nearest lead than specified in the DNIT then the rate for item of earth filling to be paid will be reduced proportionately.
- 52) The Contractor shall have to arrange water of good quality at its own which is suitable for construction work as per IS necessary code. Nothing extra shall be paid on this account water shall have to be got tested every three months by the tenderer from HUDA or any other Government approved laboratory.
- 53) Any cement slurry added over base surface or for the continuation of concreting for better bond is considered to have been included in the items(unless otherwise explicitly stated) and nothing extra shall be payable for extra cement consumed on this account.
- 54) The preparation of new approach road entrance or repair of the existing approach road and its maintenance during the execution of the work including its restoration shall all be carried out by the tenderer and nothing extra shall be payable on this account.
- 55) Site shall mean the land (s) or other places into or through which the work is to be executed under the contract OR any adjacent land, path, OR street, through which the work is to be executed under the contract or any adjacent land path or street which may be allotted or used for the purpose of carrying out the contract.
- 56) The contract shall plan transportation of construction materials components and equipments over public roads in accordance with traffic regulations as applicable at the time and without causing any obstruction to other traffic or causing accident. No claim whatsoever will be entertained on this account.
- 57) The contractor shall get the layout for installation of plant machinery labour huts, stores, site office, workshop, batching plant etc. approved from Executive Engineer in advance. Nothing extra shall be payable on this account.
- 58) Executive Engineer or his authorized representative may appoint any number of assistant to assist them. Their names duties and scope of authority shall be notified to the contractor and they shall have the authority to issue instructions/give decisions to the extent of duties assigned and powers delegated to them.
- 59) The contractor shall take all safety precautions pertaining to construction of works such as excavation, trenching blasting demolition provisions of scaffolds ladder working platforms, gangways, mixing asphalted materials, electric arc and gas welding, use of hoisting and construction machinery shall be governed by relevant provisions **Under the Building & other Construction Workers (Regulation of Employment and Conditions of Services) Act-1996** and as directed by the Executive Engineer and nothing extra shall be payable on this account.

- 60) The contractor shall make his own arrangements for water supply and electric power necessary required for the work and shall make necessary payments directly to the W/S & Electricity Department concerned and nothing extra shall be payable on this account any recommendatory letters shall be issued by the department if requested by the contractor, but shall be in no way be responsible in got getting delay in getting required connections and no claim will be entertained in this regard.
- 61) The contractor shall provide at his own cost suitable leveling, weighing and measuring instruments at site for checking the levels, weight and dimensions etc. as may be necessary for execution of the work without any extra cost. The contractor shall also have to carry out preliminary work of setting permanent bench marks, reference points etc. at his own cost.
- 62) A number of other agencies will also simultaneously execute the works like electrification, horticulture or external services and other building works etc. for the same project along with this work in particular. The contractor shall work in close co-ordination and shall provide necessary facilities for the same. No claim whatsoever in the matter shall be entertained.

- 68) Clearance of sites at the commencement and completion of work shall be done by the Contractors at his own cost. It includes clearance of site, jungle, bushes, undulations trees drains, culverts, temporary structures including any underground features etc. before start of work and dismantling of underground or of other structures, features constructed by the Contractor for execution of works, after completion of work including disposal of malba.

Contractor

Witness

Executive Engineer

- 69) The Contractor shall submit programme for successful completion of contract within 20 days from the date of award of work, in case he fails to do so Executive Engineer will prepare such programme which shall be binding on him.
- 70) If the Contractor might be required to work in two or more shifts (including night work) and no claim whatsoever shall be entertained on this account notwithstanding the fact that the contractor will have to pay the labourers and other staff engaged directly or indirectly on the work according to the provisions of the labour regulations and the agreement entered upon and / or extra amounts for any other reasons. Prior approval for such programme be obtained from Executive Engineer.
- 71) Before commencement of the work, the contractor shall co-relate all the relevant architectural and structural drawings issued for the work and satisfy himself that the information available there from is complete and unambiguous. The figures and written dimensions on the drawings shall supersede the measurement by scale.
- 72) The discrepancy, if any, shall be brought to notice of Executive Engineer for decision before execution of the work. The contractor, alone shall be responsible for any loss or damage occurring by the commencement of work on the basis of any erroneous and incomplete information.
- 73) The contractor shall ensure quality construction in a planned and time bound manner. Any sub-standard material/work beyond set out tolerance limits shall be summarily rejected.

Materials and testing of materials for quality:

- 74) The materials shall be subject to inspection and approval of the Executive Engineer
- 75) **Sub-standard Material/Work:**
In case any materials/work is found sub-standard the same shall be rejected by the Executive Engineer and the same shall be removed from the time of work within 48 hours, failing which the same shall be got removed by the Executive Engineer at the risk and cost of the contractor without giving any further notice and time.
- 76) **Sample of Materials:**
The contractor shall submit to the Executive Engineer samples of all materials for approval before bringing bulk supplies and before commencing the work. These approved samples shall be preserved and retained in the custody of the Executive Engineer as standards of materials and workmanship till the completion of the work. The cost of testing and such samples shall be borne by the contractor and nothing shall be payable on this account. Testing charges, if any, shall be borne by the Government in case material found in accordance with specification otherwise the testing charges shall also be recovered from the contractor, if the samples fail in testing.

The Executive Engineer shall reserve the right for number of samples drawn from the works for its testing from the approved laboratories as he may consider proper. The cost of all such sampling and cartage of all tests shall be borne, by the contractor, in case of failure of samples otherwise such charges will be borne by the Government. In case, the contractor does not comply with any such provisions, the Government shall get it done and the charges shall be recovered from the contractor's dues.

Insurance against accident for injury to workers

- 77) The Government shall not be liable for, or in respect of any damages of compensation payable at law in respect or in consequence of any accident or injury to any workman or other person in the employment of the contractor or any sub-contractor, the contractor shall indemnify and keep indemnified the Government against all such damages and compensation, and against all claim, proceedings, costs, charges and expenses whatsoever in respect thereof or in relation thereto.
- 78) **Use of Fly Ash**
The contractor is required to use fly ash clay bricks conforming to IS: 3812 if the same are available, in view of the Fly Ash Notification issued by the Haryana Government from time to time.
- 79) In case of any item of HSR which has not been exhibited in DNIT due to any reason, the same shall be paid with the premium quoted for the relevant chapter of HSR 1988. Further, if more than one premium has been quoted for that chapter, then premium of nearest item of that chapter or overall premium at which the tender has been approved whichever is less will be paid. It is further clarified that if no rate for the relevant chapter has been quoted, then payment with overall premium at which tender has been approved will be paid.
- 80) One percent or as applicable from time to time labour cess on the construction cost shall be deducted from the contractor's bill as per the building and other Construction Workers Welfare Cess Act 1996 with latest amendments.
- 81) No extra payment will be made to the contractor for use of batch mixture, transit mixture, belt conveyer and overhead crane in case it is used at site.
- 82) That the specific loose material will be given to the allottee at the time of possession and he has to get it fixed at his own. No labour rate for fixing the loose material will be paid to the agency.
- 83) Laboratory will be set up by the contractual agency at site at his own cost for the work having agreement cost more than one Crore, as detail given below. . If the contractual agency will fail to establish field laboratory within one month from the date of start of work, the same will be established by the Engineer-in-charge of work at the risk & cost of contractual agency.

List of the Laboratory equipments		
Sr. No	Name of the item	Quantity
1	Tool kit (Vernier 15cm, micrometer, try scale, spirit level, plumb Bob, tape 3m and screw driver.	3 sets
2	Compression testing Machine 200 T, manual	1 set
3	Cube moulds 150 x 150mm	4 sets
4	Cube moulds 75 x 75mm	4 sets
5	Slump test apparatus	1 set
6	Sieve set 200mm dia Brass (150 micron to 4.75mm)	1 set
7	Sieve set 300mm dia Brass (2.36 to 10mm) with sieve shaker	1 set
8	Enameled Tray 450x300mm	6 Pcs
9	Oven	1 set
10	Timber moisture meter	1 set
11	Electronics weighing machine 5 kg capacity	1 set
12	Measuring Jar	4 Pcs
13	Vernier Caliper	1 set
14	Vernier megger	1 set
15	Electric Operated Machine Saker for F.M.	2 set

In event of non setting up of laboratory as stated above, same will be set up by the Engineer-in-charge at the cost of contractual agency.

- 84) The contractor shall comply with the provision of "Building and other construction workers (Regulation of Employment and Conditions of Service) Act-1996 and rules and other orders issued there under and as amended from time to time" at his level and government or department will not be responsible in case any litigation is arisen.
- 85) Watch and ward of completed houses for four months from the date of completion will be responsibility of contractual agency without any extra payment.
- 86) Any kind of Leakage causing dampness in the building will be rectified by the contractual agency up to one year from the date of completion of the work. In case of failure of contractual agency, action under clause-19 of the contract shall be taken for rectification of the defect.
- 87) In case the agency fails to deploy the technical staff as specified In Additional condition No 4, the Engineer-in-charge shall deploy the same at the cost of contractual agency and necessary recovery shall be made from the pending dues of the contractual agency.

PANCHAYATI RAJ PUBLIC WORKS DEPARTMENT CONTRACTOR LABOUR
REGULATIONS AND FAIRWAGE CLAUSES.

- (1) Short title: These regulations may be called Haryana (1) Public works Department Contractor Labour Regulations.
- (2) Definitions: In the regulations unless other wise expressed or indicated the following words and expressions shall have the meaning hereby assigned to them respectively that is to say.
 - (A) "Labour" mans workers employed by Government contractor directly or indirectly though a sub-contractor other person or by an agent on his behalf.
 - a. "Fair wages" means wages whether for time or piece work notified at the time of inviting tenders for the work and where such wages have not been so notified, the wages prescribed by the Haryana Public Works Department for the district in which the work is done.
 - b. "Contractor shall include every person whether a sub-contractor or headman or agent employing labour on the work taken on contract.
 - c. "Wages" shall have the same meaning as defined in the payment of wages Act, 1936 and include time and piece rate wages.
- (3) Display of notice regarding wages, etc. The contractor shall before the commences his work on contract display and correctly maintain and continue to display and correctly maintain in clean and legible condition in conspicuous place on the work notice in English and in the local Indian language spoken by the majority of the workers giving, the fair wages notified or prescribed by the Haryana by the Haryana Public Works Department and hours of work for which such wages are earned.
- (4) Payment of wages (1) Wages due to every worker shall be paid to him direct. (2) All wages shall be paid in current coin or currency or in both.
- (5) Fixation of wages periods
 - (i) The contractor shall fix wages periods in respect of which the wages shall be payable.
 - (ii) No wages period shall exceed one month.
 - (iii) Wages of every workman employed on the contract shall be paid before expiry of ten days after the last day of the wage period in this respect of which the wages are payable.
 - (iv) When the employment of any worker is terminated by or on behalf of the contractor, the wages earned by him shall be paid before the expiry of the day succeeding the one on which his employment is terminated.
 - v) All the payments of wages shall be made on working day.
- (6) (i) Wages books and wages slip etc. The contractor shall maintain a wage book of each worker in such form as may be convenient, but the same shall include the particulars.

- a) Rate of daily or monthly wages.
 - b) Nature of work on which employed.
 - c) Total number of days worked during each wage period.
 - d) Total amount payable for the work during each wage period.
- e) All deduction made from the wages with an indication in each of the ground for which the deduction is made.
- ii) Wage actually paid for each wages period.
 - iii) The contractor shall also maintain a wages slip for each worker employed.
 - iv) The authority competent to accept the contract may grant an exemption from the maintenance of wages book and wages slip to a contractor who in his opinion may not directly or indirectly employ more than 100 persons on the work.
- (7) Fines and deductions which may be made from wages: The wages of a worker shall be paid to him without any deduction of any kind except the following.
- i) (a) Fines
 - a) Deduction for absence from duty, i.e. from the place where by the terms of his employment he is required to work. The amount of deductions shall be in proportion to the period for which he was absent.
 - b) Deduction for damage to or lost of goods expressly entrusted to the employed person for custody or for loss of money for which he is required to account where such damages or loss is directly attributable to his neglect or default.
 - c) Any other deduction which the Government may from time to time allow.
 - (ii) A fine shall be imposed on a worker and no deduction for damages or loss shall be made from his wages until the worker has been given an opportunity of showing cause against such fines or deduction.
 - (iii) The total amount of fines which may be imposed in any one wages period on a worker shall not exceed an amount equal 50% of the wage payable to him in respect of that wages period.
 - iv) No fine imposed on a worker shall be recovered from him by installment or after the expiry of 60 days from the date on which it was imposed.
8. Register of fines etc.
- (1) The contractors shall maintain a register of fines and of all deductions for damages or loss. Such register shall mention the reason for which fine was imposed or deduction for damage or loss which was made.
 - (2) The contractor shall maintain a list in English and the local Indian language, clearly defining acts and omissions for which penalty or fine can be imposed. He shall display such list and maintain it in a clear and legible condition in conspicuous place.
9. Preservation of Book: The wage book, the slip and the register of the deductions required to be maintained under the regulations shall be preserved for 12 months after the date of entry made in them.
10. Power of labour welfare officers to make investigations or enquiry:
The Labour Welfare Officer or any other person authorized by the Government on their behalf shall have power to make enquiries with a view to ascertaining and enforcing due and proper observance of the wage clause and the provisions

Contractor

Witness

Executive Engineer

of these regulations he shall investigate into any complaint regarding the default made by the contractor or sub-contractor in regard to such provision.

11. Report of labour welfare officer : The labour officer or any other persons authorized as aforesaid shall submit a report of the result of his investigations or enquiry to the Executive Engineer concerned, indicating the extent if any to which the default has been committed and the amount of the fine recoverable in respect of the acts of omission of the labourer with a note that necessary deduction from the contractor's bill be made and the wages and other dues paid to the labourers concerned.
12. Appeal against decision of the labour welfare officer any persons aggrieved by the decision and recommendation of the labour welfare officer or other persons so authorized may appeal, against such decision to the Labour Commissioner but subject to such appeal, the decision of the officer shall be final and binding upon the contractor.
13. No party shall be allowed to be represented by lawyer during any investigation enquiry appeal or any other proceedings under these regulations.
14. Inspection of Register: The contractors shall allow inspection of the Wage Book and Wage Slips to any of his workers or to his agent at a convenient time and places after due notices is received or the Labour Welfare Officer or any other person authorized by the Government on his behalf.
15. Submission of return: The contractor shall submit periodical return as may be specified from time to time.
16. Amendments: The Government may from time to time add or amend these regulations and or any question as to the application interpretation or affect of these regulations, the decision of the Labour Commissioner to Haryana shall be final.
 - i) Government or any other person authorized by the Government in that behalf be final.
17. The Government of India with a view to regulate employment of contract labour in certain establishment has enacted the CONTRACT LABOUR (REGULATION & ABOLITION) ACT, 1970. This Act applies to:-
 - i) **to every establishment in which twenty or more workmen are employed or were employed on any day of the preceding twelve months as contract labour;**
 - ii) **To every contractor who employs or who employed on any day of the preceding twelve months twenty or more workmen.**

LABOUR WAGE CLAUSES

Fair Wage Clause: Fair Wage Clause should invariably in all notices and conditions of contract forms used in this Department.

- (a) The contractor shall pay not less than fair wage to labourers engaged by him on the work.

Explanation:

Fair wage means wage whether, for time of piece work notified at the time of inviting tenders for the work and where such wages have not been so notified, the wages prescribed by the Public Works Department Building and Roads Haryana (1) for the district in which the work is done.

- (b) The contractor shall, notwithstanding the provision of any agreement to the contrary cause to be paid fair wage to labourers indirectly engaged on the work, including any labour engaged by the Sub-contractors in connection with the said work, as if the labourers had been directly employed by him.
- (c) In respect to all labour directly or indirectly employed on the work for the performance of the contractor's part of this agreement, the contractor shall comply with or cause to be complied with the Haryana(1) Public works Department Contractor's labour Regulations (page to) made by the Govt. from time to time in regard to payments of wages, wage period, deduction from wages, recovery of wages not paid unauthorized made, maintenance of wage register, wages cards, publication of wages and other terms of employment, inspection and submission of periodical returns and all other matters of a like nature.
- d) The Executive Engineer or the Sub-Divisional Engineer concerned shall have the right to deduct from the money due to the contractor any sum required or estimated to be required for making good the loss suffered by a worker or worker by reason of non fulfillment of the conditions of the contract for benefit of the workers, non-payments of wages which are not justified by the terms of contract or for non-observance of the regulations referred to in clause (c) above.
- (e) Vis-à-vis Government the contractor shall primarily be liable for all payments to be made under Haryana for the observance of the regulations aforesaid without prejudice to his right to claim indemnity from his sub-contractors.
- (f) The regulations aforesaid shall be deemed to be a part of this contract and any breach thereof shall be deemed to be breach of this contract.
