NOTE: Your conference planners have negotiated a wonderful rate for Peppermill guest room (\$89 per room, single/double and \$10 each additional for 3rd and 4th person). Peppermill rooms are very nice and very conveniently located to the conference facilities.

Many people do not know that the fee for conference meeting space is dependent on meeting a room quota. Therefore we have provided an incentive for conference participants to register at a reduced rate if they stay at the Peppermill (see Special Registration Rate below). Please help CAID out if you can while enjoying the convenience of proximity to conference activities and stay with us at the Peppermill. When you reserve, use code AAID7 in www.peppermillreno.com/reservations.

Registration Fee including opening reception, banquet on Wednesday, and a lot of smiling-faces.
