Math-a-thon Pledge Sheet

Name of Mathematician _____

Grade _____

What to do:

Ask friends and family to pledge an amount of money for each correct math problem. **Remember, for safety reasons no door to door solicitations!**

Remember to call your out of town family and friends and see if they would like to participate. See attached solicitation sample dialogue to use.

Please write in the sponsor's full name, phone number and amount pledged.

After the Math-a-thon is complete, the pledge sheet(s) will be returned for collection of pledges.

Please submit cash or check per each student.

Monies collected from this fundraiser will be used for equipment.
