Minority Medical Mentoring Program

November 3, 2014

Dear Student Recommender:

The Minority Medical Mentoring Program (MMMP) will be awarding internships for the 2015-16 academic school year to 4-6 minority high school seniors that are enrolled in a high school located in Buncombe County. The program is designed for students who are participating in a school-sanctioned internship program. The Minority Medical Mentoring Program (MMMP) began in the fall of 2005 as an internship for under-represented minority students who had an interest in practicing medicine. Today, the program pairs minority high school students with physicians, pharmacists, dentists, physical therapists, physical therapists and other health care providers practicing in Buncombe County.

The above-named student has requested that you complete the Student Recommendation Form for the Minority Medical Mentoring Program.

Please refer to the MMMP Internship Student Recommendation Form below:

- Please complete all sections
- Be as detailed as possible
- Seal completed form in a envelope with the students name on the outside
- Return sealed recommendation to the student prior to the application deadline.

The deadline for submission of the completed MMMP application is Friday, **December 12, 2014**. If you have additional questions, please contact: Jacquelyn Hallum, Program Director at jacquelyn.hallum@mahec.net or (828) 257-4479 or Kirstie Thompson, Program Coordinator at kirstie.thompson@mahec.net or (828) 257-4461.

Thank you,
