B | L | D

Cairo | Luxor

Early this morning, check out of the hotel and fly to Luxor.

CHICAGO HOUSE

During your stay in Luxor, an exclusive visit to the Chicago House has been arranged to see the Chicago House Method of documentation, preservation and conservation. Founded in 1924, the **University of Chicago's Oriental Institute's Chicago House** has completed epigraphic surveys of important archaeological sites in and around Luxor. The Chicago House Method consists of photographing a surface and printing the image on a coated paper that can be drawn on. After all the details have been sketched, the paper is immersed into an iodine bath that erases the photograph, but keeps the drawings, creating a detailed blueprint of the monument and its intricate carvings. This specially arranged visit will showcase the unique process and allow you to see and learn about their work firsthand.

Excursion: Luxor Museum. Discover artifacts recovered from the area of ancient Thebes. Exhibits include statues found in the late 1980s beneath the floor of the Temple of Luxor and mummies.

Continue to the Sonesta St. George Hotel Luxor and check in.

Excursion: The Temple of Luxor. Drift peacefully under the graceful sails of a felucca boat on the calm waters of the Nile River to Luxor Temple. Approximately 780 feet in length, the temple's construction began in 1414 B.C. by Amenhotep III.

Tonight, enjoy an Egyptian dinner followed by a traditional Gallabiya party on board the ship.
