THE DMMS BAND BOOSTERS PREFERRED VENDOR DIRECTORY

Support Music Education and Promote Your Business!

Do you own a local business, or work for one? The DMMS Band Boosters is excited to announce a new way you can support the DMMS Music program AND your business at the same time.

For an annual donation of \$100, your business name and contact information will be added to the **“DMMS Band Boosters Preferred Vendor Directory”** for a period of one year, beginning when your name is first published. In addition to being posted on our website, the Vendor Directory will be included in our weekly newsletter, “The Monday Music Memo”, which will be distributed every Monday.

So please help our program, and your business, by completing the registration information below. We thank you for your support!
