Revised September/October 2015

Greetings Everyone!

Our fourth annual Alden Sherman Classic is coming soon! This is our Senior Center's main fundraiser and we are looking to purchase a new Senior Center Bus. This is not the Dial A Ride Van that the Town of Weston provides for our seniors. This bus will be used to go on trips, outings, lectures, and shopping—it will also be available for use by other organizations that are part of Weston. It will be a 20 passenger vehicle that will be ours for many years to enhance the lives of those over the age of 60 from Weston and surrounding towns. We hope you will consider making a contribution to the Friends of the Weston Senior Activities Center; they are a 501c3 organization, and contributions are tax deductible as allowed by state and federal law. Donations can be mailed to Weston Senior Center, PO Box 1007, Weston, CT 06883.

Come to the car show September 20th from 10am-3pm to see the bus, view amazing classic cars, great food vendors, and an overall fun family day. Invite your friends, family members, children and grandchildren to visit this weekend and make it a fun family event!

9/3 Danny Collins R: Al Pacino stars as aging 1970's rocker Danny Collins, who can't give up his hard-living ways. But when his manager uncovers a 40 year-old undelivered letter written to him by John Lennon, he decides to change course and embarks on a heartfelt journey to rediscover his family, find true love and begin a second act.

9/10 The Longest Ride PG13: Former bull-riding champion Luke (Scott Eastwood) and college student Sophia (Britt Robertson) are in love, but conflicting paths and ideals threaten to tear them apart. Luke hopes to make a comeback on the rodeo circuit, and Sophia is about to embark on her dream job in New York's art world. As the couple ponder their romantic future, they find inspiration in Ira (Alan Alda) an older man whose decades-long romance with his beloved wife withstood the test of time.

9/24 The Imitation Game PG13: During the winter of 1952, British authorities entered the home of mathematician, cryptanalyst and war hero Alan Turing to investigate a reported burglary. They instead ended up arresting Turing himself on charges of 'gross indecency', an accusation that would lead to his devastating conviction for the criminal offense of homosexuality – little did officials know, they were actually incriminating the pioneer of modern-day computing. Famously leading a motley group of scholars, linguists, chess champions and intelligence officers, he was credited with cracking the so-called unbreakable codes of Germany's WWII Enigma machine.

10/8 The Age of Adaline- PG-13: Suffering a freak accident one icy night, Adaline soon discovers that she no longer ages normally. In fact, she seems to stop aging completely, a secret she decides to hide from everyone else. Adaline soon embarks upon countless adventures during the 1900s, but she remands herself to a solitary life to protect her secret. Love eventually finds Adaline in her solitude, though. At that point, she must decide whether to reveal her secret and start living for the first time since her accident or continue living a life of loneliness. Her decision will impact every facet of her life for better or worse.

10/15 The Second Best Exotic Marigold Hotel PG13: Now that the Best Exotic Marigold Hotel is full up with its long-term residents, co-managers Muriel Donnelly (Maggie Smith) and Sonny Kapoor (Dev Patel) have a dream of expansion, and they've found just the place. As Sonny's marriage to Sunaina (Tina Desai), the love of his life, quickly approaches, Sonny finds his plans for the new hotel making more claims on his time than he has available. Perhaps the only one who may know the answers is Muriel, the keeper of everyone's secrets. As the big day nears family and guests alike find themselves swept up in the irresistible intoxication of an Indian wedding.

10/22 Chef R: 1pm Start time After a controlling owner pushes him too far, chef Carl Casper quits his position at a prestigious Los Angeles restaurant. As he tries to figure out what his next step should be, he finds himself in Miami. Carl joins forces with his ex-wife, best friend and son to launch a food-truck business, and the venture provides a chance to reignite his passion for cooking as well as his zest for life and love.

10/29 The Love Punch PG13: Set in Paris, London and the French Riviera a divorced couple, Pierce Bronson and Emma Thompson come together and hatch a plan to get back their stolen pension.

Medicare Open Enrollment October 15 –December 7

**“Medicare and You – 2016” due mid-end September
look for this booklet in the mail**

Medicare – D The annual open enrollment period for the drug plan for original/ traditional Medicare (Medicare Part D) for 2016 coverage is **October 15, 2015 and December 7, 2015**. During this time period you can easily make changes in coverage and without penalty.

Make an appointment to review your prescription drugs with a CHOICES counselor and your current Medicare - D insurance plan. There are changes to 2016 Medicare Part D including new insurance plans, dropped insurance plans, changed formularies and increased premiums. Prescription medications including precise name, dosage and frequency of use will be reviewed on the Medicare website and the Medicare D insurance plans that are the most suitable will be given to you in order of price effectiveness. Last year reviews helped save several people more than \$500 yearly in drug & premium costs. Some had not reviewed their plans for several years, others changed providers from the previous year because of formulary changes.

Medicare Plan Change If you plan to change Medicare Plan providers especially to or from an Advantage program be sure your docs, labs for blood work and the hospital of your choice accept that Advantage plan, Do not trust lists that have been made to meet a printing deadline of four or five months ago Telephone providers to be sure they accept the plan that you are considering before you enroll. A Medicare resource can drop out of any plan any time.

Book appointments early i– couples must book two appointments. There may not be time available when booking later, which could mean scrambling for, help. During open enrollment period half hour appointments will be available on Mondays . APPOINTMENTS ARE THROUGH THE WESTON SENIOR CENTER at (203) 222 - 2608. If the times or dates are not convenient simply contact a CHOICES counselor at 1(800) 994 - 9422. Never a fee for this service.

Tuesday, September 8: The New Norwalk River Valley Trail Hike. We meet at 10:00 AM at the Commuter Parking Lot near Orem's Diner. That's the corner of Route 7 and Wolfpit Road in Wilton. This hike follows the newest portion of the multi-use trail. It's about 3 miles on pleasant terrain. Hike leader Julie Sidhu, backup Ray Rauth.

Thursday, September 24th: Popp Mountain hike. We meet at 10:00 AM at Trout Brook at the Bradley Road Parking lot. This is, by some estimates, the toughest climb in Weston. The view from the top looks over the reservoir from the dam to the far reaches of the reservoir in Redding. Hike Leader Ray Rauth or members of the Bicycle and Pedestrian Committee.

Tuesday, October 20th: Bisceglie Autumn Hike. Catch the autumn leaves at their best. It's a short easy walk of about a mile. We finish at the old Post Office. Hike leaders, members of the Bike Ped Committee.

Saturday, October 24th: Reservoir Rambler –This new hike explores the water resources available to Weston and neighboring towns. It's in concert with the Reservoir Run held the next day. The time will be 9:30 AM. Further details are pending finalization by the Bike Ped Committee & The Nature Conservancy. Watch the Forum for those details. Tom Failla leads this spectacular outing.

Hikes created by Weston Walks, a consortium of Weston's Bicycle and Pedestrian Committee, the Senior Center and Parks & Rec. The Nature Conservancy also works with us.

Learn the Art of Zentangle With Carla in September

Zentangles are miniature pieces of unplanned, abstract, black and white art created through structured patterns called tangles. Zentangles are not only exquisitely beautiful but they are also fun and relaxing to create. The art of Zentangle is a form of artistic meditation as one becomes completely engrossed in making each pattern, deliberately focusing on one stroke at a time. The options and pattern combinations are boundless. And anyone can do it!!

Come and learn a new and relaxing form of art!!

Art Show

September at the Weston Senior Center

Bonnie Rother

Bonnie has always loved art and was a pretty creative child, but had no formal art training, and didn't start painting until her late 40's. She started out in oils at Arlene Skutch's Pink House Studio, followed by a couple of Silvermine classes where she fell in love with color, large canvases, and acrylic paint. Her most inspiring and beloved teacher though, has been Frits Van Eeden, a world class Dutch painter who now paints and teaches in Melbourne, Florida. She paints intuitively and seldom from nature or photos. The fun is in the color and balance, and the recognizable objects are often incidental to the rest. She says she is usually surprised at how they turn out. She has had a couple of solo shows, both here and in Florida, but nothing lately. She is just happy to find time to paint!

Meeting with the artist on Monday, September 14th from 12pm-2pm at the senior center. Bonnie will be here to talk about her work and answer any questions.
