Emergency worker program coverage is limited to registered volunteer emergency workers only. This evidence search mission number does not extend emergency worker program coverage to government employees, contractors, or nonregistered participants who may also be present at this evidence search. Only the state director and local directors of emergency management or their designees may register emergency workers. Criteria for temporary registration of emergency workers are listed in WAC 118-04-080(2). Nonregistered participants not meeting these criteria shall not be registered as temporary Emergency Workers solely to provide them Emergency Worker Program coverage during this evidence search.
