Ocotillo Golf Resort

This year's tournament will be held at the beautiful Ocotillo Golf Resort. This award winning course features lush fairways, cascading waterfalls and colorful flora offering a unique contrast to the desert landscaped courses that permeate the Valley.

This fun and lively charity tournament will once again feature past hole favorites including tequila and specialty beer tastings as well as unique on the course contests for fun prizes. This is a great opportunity to spend the day doing something you enjoy and supporting a great cause.

This year with wonderful sponsors and community support, the funds raised will allow us to provide many programs, including Camp HONOR. At Camp HONOR children with bleeding disorders along with their siblings can spend a week participating in typical childhood activities without the constant worry of their condition.

Your participation also makes financial assistance available for children, adults and families who otherwise could not afford critical items such as insurance premiums, gaps in coverage, medical bills and basic living necessities. Without that support, children may not get the treatment and support they need which can lead to greater risk of complications and permanent, debilitating injury.
