My Scouting Resources

One of the best things about Scouting is that there is always someone to help. You are never alone! There are people resources, paper resources, training resources and web-based resources – all available to help you deliver the Scouting promise. This page is designed to be a ready reference for you.

The on-line learning center site, accessed through MyScouting, provides a variety of materials, from quick references to complete courses, all designed to help our members improve leadership skills and deliver a quality program. A log-in is required, however anyone may create a user account and view the courses. Registered members of the BSA will provide their member ID number (as part of the user profile) to receive credit. If you are a registered member of the BSA, please submit your member ID to ensure your training record is updated.

Your member ID can be found on the bottom of your membership card.

If you do not have your membership card, your registration member ID can be obtained from the council registrar at (608) 273-1005.

Glacier's Edge Council

BOY SCOUTS OF AMERICA GLACIER'S EDGE COUNCIL

The Glacier's Edge Council provides Scouting services to communities in the counties of Adams, Columbia, Dane, Dodge, Grant, Green, Iowa, Jefferson, Juneau, Lafayette, Richland, Sauk, Rock, Walworth in Wisconsin as well as Winnebago and Boone counties in Illinois.

What We Stand For - Since its founding in 1910, the Boy Scouts of America has continued to provide programs which meet the developmental needs of young people, and has remained constant in its core values as found in the Boy Scout Promise and Scout Law. Each phase of the program meets needs of that group age, and develops youth in character, citizenship, personal and mental fitness.

The programs of the Boy Scouts of America address today's community needs, in providing sound leaders, responsible citizens, and individuals prepared for the challenge of today. The program continues to emphasize service, especially to combat hunger; to prepare our young people for the working world through merit badges and career Exploring; and to fight illiteracy through handbooks and Boy's Life Magazine. The Boy Scouts of America continues to promote "Be Prepared," and "Do A Good Turn Daily," the values for which it is most commonly known.

Program Services - The Glacier's Edge Council provides a full range of council services and programs for leaders and youth. The council provides special activities which challenge youth and strengthen local programs, such as Klondike Derbies and Camporees, The council promotes community service through the annual Scouting for Food Drive. Camping is the root of Scouting adventure, and the council provides Cub Scout Day Camps and Resident Camps and Boy Scout Summer Camps. We operate Camp Indian Trails, Ed Bryant Scout Reservation and the Woodman Center for Camping and Education.

Membership - The annual youth membership is approximately 7,000 members, with 2,500 adult volunteers, in 280 packs, troops, teams, crews, posts and groups. Beginning in the first grade, boys can join as Tiger Cubs, continue on as Cub Scouts, and Boy Scouts. High school age boys and girls can belong as Venturers. Co-ed high school youth seeking specialized career-oriented programs can become Explorers. Learning for Life groups provide character education and career awareness programs for youth from Kindergarten through High School.

Training - Training of volunteers to be successful in program delivery, and to be attentive to the health and safety of young people, is a primary service of the council. Training courses in basic leader skills, youth protection, outdoor skills, and junior leader development are offered throughout the year.

Funding - More than 8,000 donors (Friends of Scouting, United Ways, Foundations, etc.) provide 33% of the funds. Camping and activity fees provide 35%, but mostly cover direct costs of those programs. Product sales such as the annual popcorn sale and special events account for 29% of funds. Investment income provides 2% and sales of supplies through the Scout Shop provides 1% of the annual budget. Over 81% of expenses are direct services to volunteers, youth, parents, and programs, while 9% is administrative expenses, and 10% is fundraising costs.

The Boy Scouts of America has been shaping the lives of our youth since 1910. A Friend of Scouting provides a vital portion of the financial support we need to teach Scouting principles that will result in a positive influence on character, citizenship, and personal fitness. The youth of today are America's future leaders. You can help shape that future by investing in Scouting today.

Scouting exists because of the volunteer and financial support provided by the community. Glacier's Edge Council is funded by a variety of sources, including: direct contributions from individuals, companies and organizations; special events such as Sporting Clays; our annual popcorn sale; foundation grants; the United Way; and program/activity/camping fees. With your support, Glacier's Edge Council can deliver the program and services to many more youth in our area.

What is the Friends of Scouting campaign? Friends of Scouting is the Glacier's Edge Council fundraising campaign in support of the annual operating budget. The annual operating budget approaches \$2,000,000 or \$162 per youth served. The campaign is led by local Scouting and community volunteers who strongly believe that the Scouting program instills the values and ethics which are important to the development of young people. They ask others to join them in making a financial investment to the Glacier's Edge Council, or in other words become a "Friend of Scouting". Without this investment; the educational, leadership and character development and citizenship programs provided by the Glacier's Edge Council could not continue.

What does Friends of Scouting provide?

- Local programs and activities throughout the Glacier's Edge Council territory
- Camp Scholarships and financial assistance
- Service Centers that coordinate Scouting activities and provides customer service to volunteers and members
- Accident and liability insurance to protect both youth and adult members
- Camps and facilities available for year-round camping and Cub Scout outdoor events including Camp Indian Trails and Ed Bryant Scout Reservation
- Opportunities to attend summer camp at Camp Indian Trails and/or Ed Bryant Scout Reservation
- Advancement program where Scouts are recognized for learning and making progress on goals they set and attain
- Literature and training material development and distribution
- Learning for Life, in-school and workplace based programs to prepare young people for various careers
- Professional staff who counsel, guide, and inspire volunteer leadership

The Districts

The geographic area of the Glacier's Edge Council is divided into five districts, each having an assigned professional (the District Executive) and an elected and appointed set of volunteer leaders (the District Committee, led by the District Chair, and the District Commissioner and the Commissioner staff).

It is the role of the District to support the Units in a variety of ways.

The Districts support the unit programs by organizing district-wide activities such as Camporees, Day Camps, District Pinewood Derbies and Klondikes. Districts provide information and training for unit leaders for a wide variety of unit activities through the District Roundtables. Districts support unit advancement programs. Districts provide training and recognition for unit leaders.

The Districts organize new units in underserved areas. Districts help existing units recruit new members through training and marketing activities.

The Districts provide logistic support for fundraising efforts that help the units earn funds to support their activities (the popcorn sale) and to help the Council to provide the people and facilities necessary to support the unit activities (the Friends of Scouting campaign and the popcorn sale).

The Districts provide direct service to the Units through the Commissioners. Ideally a Unit Commissioner is assigned to each unit to support each unit. The Roundtable Commissioners organize the District Roundtables.

Roundtables

The monthly District Roundtable is where you can share ideas, learn about opportunities and resources to enhance your Scouting program and have fun! All leaders from every unit are invited. After an opening welcome and announcements, the group breaks into program specific sessions.

Cub Scout and Webelos den leaders learn new program ideas, crafts, songs, games and where to take their boys camping. Boy Scout leaders share new gadgets, recipes, places to camp, and how to grow leaders. Venture leaders discover new high adventure destinations, career development and leadership opportunities.

Specialty trainings may also be offered at Roundtables.

Roundtables are where you meet people who have answers, enthusiasm, wisdom and dedication. The networking, idea sharing and information gathering helps you deliver the best possible program to Scouts.

Training

Why do leaders need Training?

All Scout leaders need training to help them understand the aims and purposes of the Scouting program, to improve their ability to work with boys and other leaders, to learn Scouting skills, and to learn how to plan an effective Scouting program. Training shows new leaders how to do their jobs and allows for an interchange of ideas with more experienced leaders. Glacier's Edge Council has a wide range of training opportunities to help you develop as an adult Scout leader. **Youth Protection training is required for all adult volunteers.**

Who Pays For Training?

Most Glacier's Edge Council training courses are offered free of charge through Friends of Scouting, because every Scout deserves a trained leader. At times there is a fee associated with a training course to offset the expense of meals and materials. All training is done by volunteers just like you.

What makes a Trained Leader?

A Leader is considered "Trained" when the following requirements have been completed:

Cub Scout

- Youth Protection* (On-line)
- Leader Specific- by position (On-line)

Boy Scout/Varsity Scout

- Youth Protection* (On-line)
- Leader Specific- by position
- Introduction to Outdoor Skills (Scoutmasters and assistants)

Venturing / Sea Scout

- Venturing Youth Protection* (On-line)
- Leader Specific
- Introduction to Outdoor Skills**

(On-line) Available on-line at the E-learning Center at www.myscouting.org or in-person training

* Required for all leaders and for a Tour Permit

** Crews with Outdoor Programs Only

Why Register for Training Courses?

Glacier's Edge Council requires pre-registration for training courses for the following reasons:

- To ensure sufficient staff and materials (handouts, etc.) are on hand for all participants
- To ensure the right amount of food is provided for all participants on all day and overnight courses
- To verify a sufficient level of participation to run the session
- To enable participants to be informed of any last-minute changes or possible course cancellations

Request a Unit Training

Training is important to support the scouting program. While we try to offer trainings that all leaders can attend, sometimes they do not fit into everyone's schedule. If you would like to schedule a unit or community training, please contact the council training chair. Due to the time involved, we will ask that you get the majority of your unit to commit to attending.

- **Boy Scouts** – for boys ages 11-17 (Grades 5-12)
- **Venturing** – for young men and women ages 14-20, focuses on a special interests

Benefits of Youth Membership

- Access to an active, exciting fun-filled, and adventuresome program
- Ability to participate in advancement and recognition programs and gain awards for performance.
- Training in leadership, Scoutcraft skills, outdoor living skills, citizenship, and career awareness.
- Association with men and women of character who care about young people.
- Use of local council long-term camps and Cub Scout day camps with all their facilities.
- Use of national high-adventure bases.
- Participation in international, national, and regional events, such as jamborees.
- Identification with a large national organization having international affiliations.
- Authorization to wear a distinctive uniform

Youth can join the program at any time of the year.

Every Fall and Spring we focus on a Scout roundup to ensure that every youth is extended an invitation to join Scouting. Our goal is to enroll prospective Tiger Cubs, Cub Scouts, Webelos, Boy Scouts and Venture Scouts into existing packs, troops and crews; to enlist parent participation as unit leaders and committee members; and to organize new units to take care of youth in areas we are not currently serving.

Recruiting Materials are available to support your efforts in recruiting new youth into your unit. The council membership chair is Jean Petersen, jmpeter2@wisc.edu

BSAdopt-a-school program helps connect your unit with your local school.

“Do a good turn daily” is the Boy Scout slogan. Sometimes we forget to help the people we see all the time.

There are lots of projects in schools that can use a group of helpers: ushers for special events, ticket takers, refreshment stands, tree planting, flag honor guards, and decorating are just some examples.

Talk with your school officials and see what special projects they need help with.

Establish a partnership with your local school by reaching out and asking to “Adopt” it.

BeAScout is how youth and parents who are looking to find a unit to join can find **YOU!**

BeAScout is live on the National BSA website. This website has information on Scouting, plus an actual Google map application that will help potential Scouts and their parents find packs, troops, and crews in their communities.

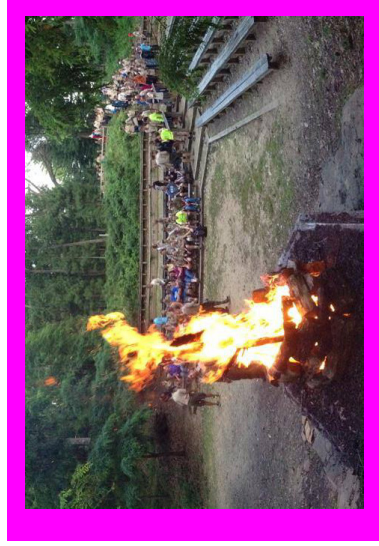

Unit leaders need to update their unit’s Google “pin” (the bubble you see on Google maps) through MyScouting. They can add their unit meeting time, location, phone number, unit Website address if they have one, as well as a contact name for the unit. *It’s easy!* Unit leaders will be able to edit it as often as they like. Directions for updating your pin can be found here: <http://www.glaciersedge.org/membership>

What Parents Do:

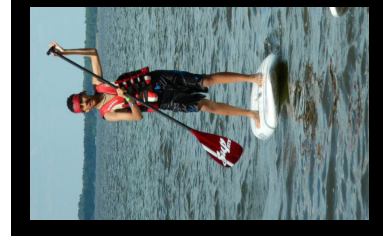

Parents coming into the GEC website looking for a unit for their child will be directed to the BeAScout website (<https://beascout.scouting.org/>) Here, they fill in their zipcode and identify the type of unit they are looking for (pack, troop, crew). Next pops up a google map with the locations of units. The parent would click on the “For More Information” link. The site will open up a “blind” email window (the sender never sees the actual email address.) He or she types the question and presses Enter. The leader receives the question and can respond.

Commissioner Service

Commissioners are district and council leaders who help Scout units succeed. They coach and consult with adult leaders of Cub Scout packs, Boy Scout troops, and Venturing crews. Commissioners help maintain the standards of the Boy Scouts of America. They also oversee the unit charter renewal plan so that each unit reregisters on time with an optimum number of youth and adult members.

Unit Commissioners are appointed by the district commissioner with the approval of the council executive board.

Roles:

The commissioner is a **friend** of the unit. He or she is an advocate of unit needs. Commissioners help unit leaders find the many resources available to make their program for the youth better.

The commissioner is a **representative**. The average unit leader is totally occupied in working with kids. Some have little if any contact with the Boy Scouts of America other than a commissioner's visit to their meeting. The commissioner helps represent the ideals, the principles, and the policies of the Scouting movement.

The commissioner is a **teacher**. They participate in the growth of unit leaders by sharing knowledge with them.

The commissioner is a unit "**doctor**." They observe symptoms of problems, diagnose the issue, suggest a remedy, and follow up.

The commissioner is a **counselor**. As a Scouting counselor, they help units solve their own problems. Counseling is the best role when unit leaders don't recognize a problem and where solutions are not clear-cut. Everyone needs counseling from time to time, even experienced leaders.
