Payment #2 - March 11, 2012- \$100

Payment #4 - June 3, 2012- \$75

where do we stay?

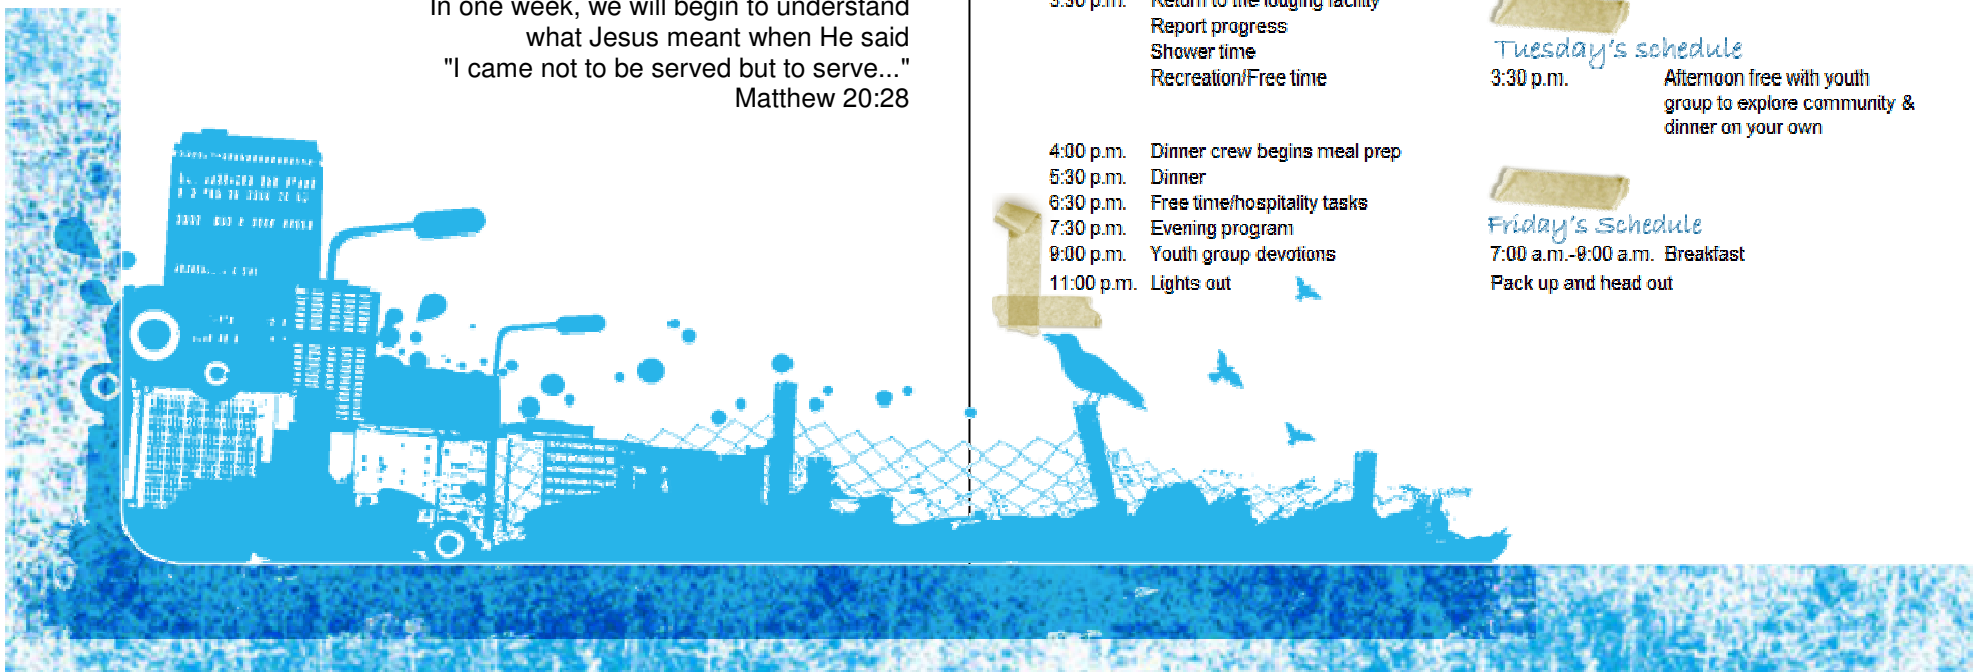

A Week of Hope is a personal setting of about 100 youth...ideal for getting to know everyone. Service projects might include preparing meals for the elderly, serving disadvantaged children, or small home-repair projects. Over 5 days, your group will build meaningful relationships with those they serve, those they serve alongside, and most importantly, a deeper relationship with Jesus.

Programs are led by well-trained staff leaders - but students will have the opportunity to serve by leading worship music and other parts of each worship program (feel free to bring guitars, drums and great voices!).

- Supporting local food banks
- Playing a game with an elderly person
- Helping to lead a day camp for children
- Landscaping homes, non-profits, and ministries
- Working with disabled children
- Serving a needy resident

In one week, we will begin to understand
what Jesus meant when He said
"I came not to be served but to serve..."
Matthew 20:28

The Washington, DC suburb of Manassas is a great place to live, rich in history and busy with the business of government and industry. During your stay, you can touch the lives of many of those caught up in the bustle, or left outside of it. Create hope by helping develop the computer skills of a child whose lone parent works several jobs to support their large family. Bring a smile by spending time in a senior facility, reading, playing games or just listening. Meet real needs by caring for the homeless in the community shelter, or the hungry at an interfaith food bank. The abundance of need in one of the nation's richest counties will open your eyes, and your heart.

The museums of the Smithsonian Institution, Mt. Vernon, Monticello, Washington DC museums, monuments and memorials, and The White House.

 **Daily Schedule**
