

PROGRAM REVISION FORM

Program Title: Construction Trades

Program Type: ___AAS ___AAS-T ___AST ___ATA XCertificate ___Other

Revised Catalog Description (one paragraph):

This program of study offers a one-year Certificate of Training preparing the student for entry-level positions in the construction field. The program provides training opportunities in a wide range of trades skills, including blueprint reading, rough and finish carpentry, safety, drywall, electrical and plumbing, with emphasis on the use of energy efficient building techniques and materials. This program includes an emphasis on new technologies for sustainable housing, including low environmental impact and energy requirements. Students will also learn the academic and work related skills needed to be a successful tradesperson.
