Dear Parent/Guardian,

Grover Silcox from PBS TV Channel 39 will be doing a story on Parkland High Physics teacher Jeff Wetherhold during class on Wednesday, October 14, 2015. Your son or daughter may be in the video as the TV station would like to obtain video footage of Mr. Wetherhold teaching and also pictures of Mr. Wetherhold's scenic classroom. None of the children will be labeled by name, but some of them may be in the pictures and/or videos that are taken during the event. We are asking for your permission to allow your child to be photographed and video-taped for the above-stated publicity purposes and also for Parkland School District publicity purposes.
