**Item 8.01. Other Events.**

United States Brent Oil Fund, LP (“BNO”) is filing this Current Report on Form 8-K in order to update its risk factor disclosure contained in the prospectus filed under BNO’s Registration Statement on Form S-1, as amended (No. 333-187501) and/or in its periodic reports filed under the Securities Exchange Act of 1934, as amended, as the case may be, due to Nicholas D. Geber, Chief Executive Officer and President of United States Commodity Funds LLC (“USCF”), the general partner of BNO, also assuming the role of Chief Executive Officer, President and Secretary of Concierge Technologies, Inc. (“Concierge”) effective January 26, 2015. Concierge is a supplier of mobile video recording devices through its wholly owned subsidiary Janus Cam. Concierge is not affiliated with USCF or BNO, other than through ownership by common control. Concierge is a publicly traded company under the ticker symbol “CNGC.” None of the employees of USCF are employees of the Concierge.

In light of Mr. Gerber’s additional responsibilities, BNO’s risk factor disclosure is hereby updated as follows:

***USCF is leanly staffed and relies heavily on key personnel to manage BNO and other funds.***

USCF was formed to be the sponsor and manager of investment vehicles such as BNO and has been managing such investment vehicles since April 2006. In managing and directing the day-to-day activities and affairs of BNO, USCF relies heavily on Messrs. Nicholas D. Gerber, Howard Mah and John Hyland. On October 13, 2014, Mr. Hyland tendered his resignation to USCF effective May 1, 2015. In order to ensure an orderly transition, Mr. Hyland will remain as the Chief Investment Officer of USCF until May 1, 2015. On January 14, 2015, Mr. Mah tendered his resignation to USCF to be effective no later than July 15, 2015. Due to the resignations of Messrs. Hyland and Mah, Mr. Gerber has assumed a more active role in the day-to-day activities of USCF, BNO and the Related Public Funds, as well as USCF Advisers LLC, USCF ETF Trust and its series the Stock Split Index Fund (USCF Advisers LLC, the USCF ETF Trust and its series the Stock Split Index Fund are affiliated companies of USCF and the Related Public Funds). On January 26, 2015, Mr. Gerber became the Chief Executive Officer, President and Secretary of Concierge Technologies, Inc. (“Concierge”), a company unaffiliated with USCF, other than through ownership by common control. Concierge is a publicly traded company whose stock is listed under the ticker symbol “CNGC.” None of the employees of USCF are employees of Concierge. The management of USCF intends to find replacements for Messrs. Hyland and Mah prior to their departure. However, there is a risk that if suitable replacements for Messrs. Hyland and Mah are not found prior to Mr. Hyland’s or Mr. Mah’s departure, such departures may have a material adverse effect on the management, operations and/or financial results of BNO. The potential magnitude of such an adverse impact would be greater if Mr. Gerber’s increased responsibilities, as a result of his new position with Concierge made it more difficult for him to adequately assume directing the day-to-day activities of USCF, BNO and the Related Public Funds particularly if suitable replacements for Messrs. Hyland and Mah are not found.
