

University of New South Wales Competitions

2015 International Competitions and Assessments for School

Dear Parents & Carers

In the past Sacred Heart School has invited students in Year 3 -6 the opportunity to participate in the UNSW's competitions organised by Educational Assessment Australia (EAA) which is a not-for-profit testing organisation owned by the University of New South Wales.

ICAS provides an opportunity for all Years 3 – 12 students to gain a measure of their own achievement in an external testing situation. It provides teachers, parents and students with comprehensive reporting of results in different subject areas.

All students receive a certificate and an **individual student report** indicating which questions they answered correctly and their score compared with the rest of the students tested. The tests are an excellent preparation for National tests and the student report is useful for highlighting your child's strengths and weaknesses.

All students who achieve the highest score in each year level receive a **UNSW medal**. These medals are presented at either a Medal Presentation Ceremony or at a school assembly. Students must sit on the official sitting dates to be eligible for a medal.

This year Sacred Heart will be administering The UNSW Competition tests for English and Mathematics. The registered students sit for the tests in school time on the set days as set out below:

English – Tuesday 28 July & Mathematics – Tuesday 11 August.

If you would like to register your child for one or more of the test please fill in the form below AND RETURN IT WITH **PAYMENT BY THURSDAY 14 May, 2015.**

There is an entry fee for each student for each test.

For more information please visit the EAA website at www.eaa.unsw.edu.au

Please tick the box next to the test/s that you would like your child to sit. **Please send payment with the permission form.** If you would like to pay by credit card please fill in the form below.

Yours sincerely

Anne Gowen

2015 International Competitions and Assessments for School
