Consigner's Affidavit for Transport Exemption

Information about the consigner

Consigner's name				
Address				
Postal code	Mailing address			
Contact person				
Telephone				
Email				
<i>All fields are required and must be filled in.</i>		Own load (consignor is also conveyor)	Yes <input type="checkbox"/>	No <input type="checkbox"/>

Description of load

Load identity (load class, brand and type) ¹			
Load weight (kg)	Length (m)	Width (cm)	Height (cm)

All fields are required and must be filled in.

The undersigned verifies that the above description of load is correct

Place	Date
Consigner's signature	
Name in print	

All fields are required and must be filled in.

¹ The load should be described accurately so that the conveyor for loading can ascertain that the load really is that specified in the affidavit. The affidavit must be attached to an application of exemption for a heavy transport with an indivisible load (according to Swedish Transport Administration's guidelines TDOK 2013:0613).
