Small Credit Union Lunch Meetings

March 21, 2012

To: Credit Union Manager

From: Criss Browning, Director Credit Union Development

In the Tennessee Credit Union League's continuing efforts to support small credit unions, the League is sponsoring a series of Small Credit Union Lunch Meetings in six areas across the State. The managers of credit unions with \$30 million or less in assets are invited to attend at a location most convenient for you.

The meetings will be from 11:45AM – 2:00PM. The purpose of these meetings is to give small credit union managers an opportunity to meet with their peers, share experiences, and learn about a variety of useful topics. Research shows that those credit unions that are most successful offer a variety of services to their members. There is no cost to attend. On the following page, please feel free to list any issues you would like to have discussed at the meeting and return them with your registration forms.

Please select the location you would like to attend, and FAX this form back to Leisa Massingill at (423) 899-8726 no later than Tuesday, April 10th. If you have any questions, you can reach me at 800-572-7359, ext. 1251 or Leisa at ext. 1209. We look forward to seeing you there.
