7. Declaration (please read carefully before you sign)

I accept that submission of this application does not guarantee the application proceeding or the approval of or issuing of a VSCCS J&P certifier's licence. I understand that failure to supply full details, relevant documentation and sign this declaration can result in the application not proceeding.

I consent to the disclosure of information by other organisations as required by Roads and Maritime to verify any details I have given in this application. If my application is successful, I further consent at the discretion of Roads and Maritime, for the disclosure by the above organisations of any detail concerning my character or relating to my fitness to maintain a licence.

I understand that my 'personal information' is being collected for an Application for a certifier's licence. Personal Information including any image is collected and held by the Roads and Maritime Services (Roads and Maritime), 101 Miller Street, North Sydney NSW 2060. I have a right to access or correct my 'personal information' in accordance with the provisions of the relevant privacy legislation. The information supplied may be disclosed in accordance with the exemptions provided in the *Privacy and Personal Information Protection Act 1998*.

I declare that the information I have given in this application is true and correct. I understand that if any information I have given is found to be false this application will be disregarded. I understand that Roads and Maritime will conduct checks of its records to confirm correctness of the information provided.

I understand that a VSCCS J&P certifier's licence will not be issued if I cannot comply with the requirement to be suitably qualified and a fit and proper person to hold a licence.

I understand that if my application to become a licensed certifier is found to be unsuccessful, then the application fee is non-refundable.

I understand that a VSCCS J&P certifier's licence may be issued unconditionally or subject to conditions including compliance with conditions of licence made from time to time.

I understand that if a licence is issued the VSCCS J&P certifier's licence limits the licence holder to **only** certify body-fit and tow coupling modifications in accordance with sections J&P of VSB6.

I understand that if a licence is issued the conditions of licence limit the certifier to operating within the following definition of the VSCCS J&P scheme:

VSCCS J&P code scheme certifiers will only be licensed to certify:
VSB6 Section J:

The installation of tow couplings, drawbars, towbars and their associated fittings that:

- involve heavy vehicles only (i.e. those with a GVM exceeding 4.5 tonne)
- are fitted in accordance with both the vehicle and the tow coupling manufacturer's specifications and recommendations
- are installed in accordance with and is within the scope of Section P of VSB6
- meet the requirements of the NHVR Code of Practice for the Approval of Heavy Vehicle Modifications.

VSB6 Section P:

The installation of Heavy Vehicle Body fittings:

- involve heavy vehicles with a mass limit (ie GVM or GTM) exceeding 4.5 tonnes, excluding buses and motor homes.
- are fitted in accordance with both the vehicle and the body manufacturer's specifications and recommendations
- are installed in accordance with and are within the scope of Section J of VSB6
- meet the requirements of the NHVR Code of Practice for the Approval of Heavy Vehicle Modifications.

Certifiers should be aware of the other aspects included in VSB 6 (part A and B) and should be conversant with the Australian Design Rules applicable to heavy vehicles.

The VSCCS J&P code licence **excludes** any other modifications covered by VSB6 and specifically:

- any truck mounted lifting systems (slewing) covered by Section Q of VSB6, and
- any vehicle mounted lifting systems (non-slewing) covered by Section R of VSB6

Signature (the individual must sign)
