Horse Tales

The Monthly Newsletter of Poway Valley Riders Association

In Fond Memory of Robert Coates

Robert Earl Coates passed away after a 3-month illness on July 24, 2006. He was born on May 27, 1945 in San Francisco, and grew up in a Navy family living in many locations, ultimately settling in San Diego. He was a graduate of Hoover High School and San Diego State College with a major in music.

He was an avid horseman and served on trails committees for the City of Poway and San Diego County. He was passionate about preserving horse trails and the Cuyamaca Rancho State Park horse camps. He enjoyed camping with his horses in the Cuyamacas and was a regular with the Walls Cargo group campouts and organized several PVRA campouts.

He was an active leader in the Poway "horse wars" in the 1990's. He was a guest speaker at the August 1994 PVRA meeting to try to enlighten us about pending large animal legislation in Poway. He spoke at many City Council meetings, helped cover Poway with those famous yellow signs against Proposition S, and played banjo on a haywagon pulled through the residential areas of Poway by the Walls Cargo

Belgian horse team just before the elections in 1996 to call attention to opposing Proposition S.

He was president of Region 8 of the California State Horsemen's Association, vice president of the Friends of Goodan Ranch, vice president of the Caballeros del Sol chapter of Backcountry Horsemen, was a member of the Poway Valley Riders Association and the Poway Ridge Riders, and had served for a number of years as a volunteer mounted ranger with the City of Poway. He served as equestrian coordinator for the Poway Days Parade for several years.

He was especially interested in preserving the rare historic Turkmenian breed of horse, the Akhal-Teke, and he and Ann took their Akhal-Tekes to public shows in native costume, and to the Del Mar Fair World of Horses. He was past president and a board member of the Akhal-Teke Association of America.

He was an unusually gifted musician who could entertain for hours with an endless repertoire of folk songs and guitar music. He had a charming singing voice and style. He played guitar in the Peter Ray Band in San Diego.

He is survived by his longtime sig-

nificant other, Ann Laux of Poway, his sister, Thea Evans of Coronado, and his son, Christian Hallam of Oceanside. We will miss him greatly, both personally and for his valuable contributions on behalf of horses.

A memorial gathering is planned at Rolling Hills Stable in Poway on August 6, from 3 to 5 p.m.

Help Replace Panels—Work Party Opportunity

The Board has scheduled a work party for August 6 at 8 a.m. to replace several of the damaged panels in Ring 2. Workers are needed. Ω

He asked members to contact Anita Morrell for rodeo work hours.

Chuck Wagon: Allan Preckel reported a very busy June, with sales of \$1,700 and a profit of \$1,100, for a year-to-date total of \$7,500, which almost matches the year-to-date total for all of last year. for July and August, the Pony Club will be practicing at 4:45 on Wednesdays and 8:00 on Saturdays. Eight Pony Club members rated up, and eight have gone to Sacramento for the Western Regional Championship. The Pony Club thanked Allan Preckel for all of his support for their functions.

Trails: No report.

Roping: Ed Schaefer announced there will be a roping clinic in Hemet the third weekend in August.

Work Hours: Questions about work hours should be directed to Marta Zarrella.

Adrienne Regard announced there will be two clinics with Jane Armour. The first in August will deal with dressage show strategy, and the second will take place during the rodeo weekend. Adrienne is the contact for sign-ups.

Horse Shows

Dressage: Janice Kall reported her show grossed about \$1,000, and she thanked Howard McCracken for dragging and watering.

Hunter/Jumper: The premium for the July 29 night show is in the *Horse Tales*, and the show starts at 4:00 p.m. with set-up that morning. Staci needs someone to water and drag and volunteers for the entry booth. See Allan Preckel for the sign-up sheet.

Open Shows: Kasey Bergman announced that the Open Show series is over, but there will be a schooling show fundraiser on August 19.

Gymkhana: Lisa Scanlon reported there have been two shows since the last general meeting. The June show had approximately 50 riders with a profit of \$1,900, and the July show had 47 riders with a profit of \$1,600. She thanked her volunteers for doing an excellent job. The next show is August 12. She needs volunteers, so anyone interested in working the show should contact Katie Robertson.

Fun Show: Dawn Montfort thanked

Howard McCracken for watering and dragging. She reported a profit of \$1,100 from her July 1 show, and the next show is the Halloween Fun Show scheduled in October.

Rentals: There is a CPHA show scheduled for July 23 and a Pinto Show on July 30.

Cross Country: Janice Kall needs a volunteer to train as show manager.

High Point: No report.

Old Business

Nancy Kirchhofer reported that Charlie Sheldon has elected to undergo chemotherapy.

Ann Laux reported that Robert Coates is improving after suffering from a lung infection that put him in intensive care. Contact Ann for visitation information.

New Business

Nancy Kirchhofer announced that there will be a microchip clinic at the PVRA at 8:00 a.m. on Saturday, July 15. If members are interested, they need to sign up at this meeting. Mary Ann O'Brien will set up another clinic for those who could not participate in this one.

There being no more new business, a motion for adjournment passed.

Reminder: The ABC class will be held at the Bill Bond Room on Tuesday, August 1 at 6:00 p.m., prior to the general membership meeting. Ω

June Board Highlights

The Board of Directors Meeting of the Poway Valley Riders Association was called to order at 7:15 p.m. on June 20, 2006. All members were present.

Guests: Jay Bandaret

Approval of Minutes: Upon a motion, the Board voted to approve the April Special Board Meeting Minutes as amended. Upon a motion, the Board voted to approve the April Board Meeting Minutes with corrections. Upon a motion, the Board voted to approve the May Board Minutes and Highlights.

Treasurer's Report: Cathy Sylvester reported there is \$13,215.42 in the checking account, \$13,270.14 in the Money Market account, and \$16,318.22 in the CD.

Cathy reported that, after a discussion with the CPA regarding Randy Jones' donations, Randy needs to write a letter to PVRA, outlining his donations of the jumps and their value. Cathy in turn will give Randy a receipt. Cathy will also check on PVRA's tax status as C3 or C4.

Membership: Adrienne Regard brought up several membership issues regarding students changing from social to working during the summer. Adrienne suggested that Jay be given a list of students so he can monitor who is using the grounds. Joanna from the Stock Farm would like to join as a social member, as she only wants to be able to water and drag and will not be using the grounds for riding. The Board voted to approve a social membership.

Announcements

Rail & Trail: The June 18 show had an extremely low turnout. It was mentioned that, considering the amount of hours spent to prep the grounds beforehand, it did not seem worth what the club got in rental fees. The opinion was that they would not be back for a while.

Pony Club: Randy reported they will be moving their riding times to the mornings during July and August. Because of the full show schedule and required prep time for these shows, they might have to move to different arenas.

Randy asked on Scott Clark's behalf if Scott could be paid for his professional services rather than get work hours. Scott submitted a bill for \$500 for time and materials spent on the water truck. The Board approved paying Scott for this job, but future work needs to be brought to the Board beforehand.

Gymkhana: Lisa Scanlon reported the June show was successful, with approximately 50 riders. The show netted almost \$1,900.

Drill: Lisa Scanlon asked the Board to approve allocating \$500 more to the team for outfits, as the team is much larger this year. The Board approved.

Rodeo: Nancy Kirchhofer announced that the two 10x20 containers are ready to be delivered, and asked the Board to choose a location on the grounds where they will be placed. As they will need to be moved for the Rodeo, it can be a temporary location. John Munos, Randy Jones and Murray Bankhead will take a look and let Nancy know the location.

Board Member of the Month: Terri Myll is Board Member of the Month for July and August.

Old Business

The issue to sell or keep the old tractor was revisited. The new tractor cannot move some of the large jumps on the cross-country course. The old tractor is worth a minimum of \$5,000 that could be put into the club, and most of the cross-country jumps only need to be moved two or three times per year. The Club can use the Rodeo's heavy equipment or rent equipment to move the jumps. The Board approved a motion to sell the old tractor. Randy Jones will complete the ad.

Rebuilding the ditch jump has not occurred. A schematic of the ditch jump needs to be gotten from Shelly Kincaid in order to rebuild it.

Cathy Sylvester reported that the dues for the CSHA that were sent in March were never received. She will overnight another check for the dues.

Project Wildlife will not help the club remove the coyotes. Nancy Kirchhofer

found an ad for a trapper that she will call.

John Munos and Murray Bankhead will try to replace a couple more panels in Arena 2 on Sunday, June 25 at 9:00 a.m.

New Business

A board member from the Ups and Downs dog agility club contacted PVRA regarding renting the grounds on a weekly basis for up to four hours per night for their practice trials. Nancy Kirchhofer will get more information regarding this type of activity from Staci Preckel and will make a decision.

The Board voted to approve spending \$300 so Martin, the groundskeeper, can cut down the dead pines on the fence line and put them in a rented dumpster. Other items can be put in the large dumpster while it is on the grounds. The budget supports the rental of one dumpster per year. Delivery will be set up for this week.

There being no more New Business to come before the Board, the meeting was adjourned. Ω

RANDY JONES REAL ESTATE

Understands the Needs of Today's Home Buyer.

BUY A MILLION DOLLAR HOME WITH THE CASH FLOW NEEDED TO BUY AN \$770,000 HOUSE.

Only one house on the market gives you prime location, executive custom quality, newer construction, and built in proven cash savings of over \$1,000 per month compared to otherwise comparable homes. It is like getting a house for \$200,000 less, but with the built-in home value benefits of a house that appraises for \$200,000 more than smaller, cheaper homes. Details of this exclusive offer are only found at <http://www.randyjonesrealestate.com>

This 4 bedroom single story executive home custom built by the owners late in 2000 is a home that has 9 ft. and 12 ft. ceilings, 3 1/2 baths, over 3,400 square feet, and a separate entrance guest suite. It also has over two and one half acres and an awesome 180 degree view and more. While other homes selling at over a million match many of these traits, only this one also comes with almost no utility costs.

The professional whole house solar system drives more energy than is needed each year back into the connected SDG&E power grid. This means care-free service and guilt free air conditioning, a spa heated to 100 degrees year round, and power to spare that pays for your use of your all your normal electronic goodies. This includes the power to pump water from your own well; that means totally free water!

Add the large septic system, osmosis system, and the whole house self-purging water purification system. All you need to buy is a little bit of propane for cooking and heat. Now, to really sweeten the pot, we throw in a deep discount for a quick sale due to transfer to the east coast. The price reduction of \$100,000 is off of the recent appraised value of \$1,020,000

17106 Garjan Lane – Desirable West End Ramona
MLS#066046980 Price: \$919,000-\$939,000
