

**Bursar's Office
Refund Acknowledgement Letter**

I have been informed that charges for academic terms subsequent to the current term are NOT included in my current statement and the refund I will receive will not be reduced for any estimated or known charges for any term(s) that are not reflected on my current statement.

In the event that I drop below the required units to receive financial aid, file a Leave of Absence, withdraw from the University, or if any change occurs with my financial aid awards, any refund or cash advance forwarded to me prior to the date of the change will be due and payable to Mount Saint Mary's University immediately and/or subject to collections.

I acknowledge that I will be responsible for any and all charges for any term that may post to my account after the date of the refund check.
