ALASKA STATUTES, TITLE 29 - MUNICIPAL GOVERNMENT - CHAPTER 45

Sec. 29.45.030. Required Exemptions.

(e) The real property owned and occupied as the primary residence and permanent place of abode by a resident who is (1) 65 years of age or older; (2) a disabled veteran; or (3) at least 60 years of age and the widow or widower of a person who qualified for an exemption under (1) or (2) of this subsection is exempt from taxation on the first \$150,000 of the assessed value of the real property. A municipality may by ordinance approved by the voters grant the exemption under this subsection to the widow or widower under 60 years of age of a person who qualified for an exemption under (2) of this subsection or to a resident who is the widow or widower of a person who dies from a service-connected cause sustained while serving as a member of the United States armed forces or as a member of the National Guard. A municipality may, in case of hardship, provide for exemption beyond the first \$150,000 of assessed value in accordance with regulations of the department. Only one exemption may be granted for the same property, and, if two or more persons are eligible for an exemption for the same property, the parties shall decide between or among themselves who is to receive the benefit of the exemption. Real property may not be exempted under this subsection if the assessor determines, after notice and hearing to the parties, that the property was conveyed to the applicant primarily for the purpose of obtaining the exemption. The determination of the assessor may be appealed under AS 44.62.560- 44.62.570. A municipality shall determine the eligibility requirements and application procedure for an optional exemption provided under this subsection. In this subsection, "widow or widower" means a person whose spouse has died and who has not remarried.

(f) To be eligible for an exemption under (e) of this section for a year, a municipality may by ordinance require that an individual also be eligible for a permanent fund dividend under AS 43.23.005 for that same year or, if the individual does not apply for the permanent fund dividend, that the individual would have been eligible for the permanent fund dividend had the individual applied. An exemption may not be granted under (e) of this section except upon written application for the exemption. Each municipality shall, by ordinance, establish procedures and deadlines for filing the application. The governing body of the municipality for good cause shown may waive the claimant's failure to make timely application for exemption and authorize the assessor to accept the application as if timely filed. If an application is filed within the required time and is approved by the assessor, the assessor shall allow an exemption in accordance with the provisions of (e) of this section. If the application for exemption is approved after taxes have been paid, the amount of tax that the claimant has already paid for the property exempted shall be refunded to the claimant. The assessor shall require proof in the form the assessor considers necessary of the right to and amount of an exemption claimed under (e) of this section, and shall require a disabled veteran claiming an exemption under (e) of this section to provide evidence of the disability rating. The assessor may require proof under this subsection at any time.

(g) The state shall reimburse a borough or city, as appropriate, for the real property tax revenues lost to it by the operation of (e) of this section. However, reimbursement may be made to a municipality for revenue lost to it only to the extent that the loss exceeds an exemption that was granted by the municipality, or that on proper application by an individual would have been granted under AS 29.45.050(a). If appropriations are not sufficient to fully fund reimbursements under this subsection, the amount available shall be distributed pro rata among eligible municipalities.

(h) Except as provided in (g) of this section, nothing in (e) – (j) of this section affects similar exemptions from property taxes granted by a municipality on September 10, 1972, or prevents a municipality from granting similar exemptions by ordinance as provided in AS 29.45.050.

(i) In (e) – (i) of this section,

(1) "disabled veteran" means a disabled person

(A) separated from the military service of the United States under a condition that is not dishonorable who is a resident of the state, whose disability was incurred or aggravated in the line of duty in the military service of the United States, and whose disability has been rated as 50 percent or more by the branch of service in which that person served or by the United States Department of Veterans Affairs; or

(B) who served in the Alaska Territorial Guard, who is a resident of the state, whose disability was incurred or aggravated in the line of duty while serving in the Alaska Territorial Guard, and whose disability has been rated as 50 percent or more;

(2) "real property" includes but is not limited to mobile homes, whether classified as real or personal property for municipal tax purposes.

(b) To qualify for a hardship exemption beyond the first \$150,000 of assessed value of real property under AS 29.45.030(e), the applicant must apply by completing Form 21-400c and submitting the form, including necessary attachments, to the municipal assessor before July 1, or before a date provided by ordinance as specified in AS 29.45.030(f), of the exemption year.

(2) subsidiary parcel: a parcel of real property adjacent to the primary parcel described under (1) of this subsection, subject to approval by the department.
