

Understanding & Preparing

CASH FLOW STATEMENT (FRS 107)

Date : 10 April 2007

Venue : Hilton Hotel, Petaling Jaya

Introduction

Cash is often regarded as the life blood of business. Without cash, business cannot function. A profitable business does not guarantee there will be no cash flow issue. Managing cash flow is hence very important. Despite all these known facts, cash flow statement is often neglected in terms of its understanding and preparation. Many will read and analyses income statement and balance sheet but may only take a quick look at cash flow statement. Preparers of financial statements will leave cash flow statement to the last and balancing the cash flow statement is often a challenging and time consuming task.

In this workshop, the speaker will focus on

1. discussing the importance of cash flow statement
2. explaining the requirement of FRS 107
3. showing how to prepare cash flow statement (company and consolidated) using specially designed spreadsheet method that is simple and can be reconciled and balanced easily

He will also share with participants some case studies on presentation and disclosure of cash flow statement

Who will benefit

- Preparers of financial statements (Accountants, Finance Managers, Accounts Executives)
- Auditors of financial statements (Practitioners, audit seniors and juniors)
- Users of financial statements (Business managers, analysts, company secretary, investors)
