30 minute topics presented by Nurses with expertise in each field, and a meet and greet with speakers!

Correctional Nursing, Clinical Research, Critical Care Transportation Nursing, Educational Nursing, Forensic Nursing, Informatics Nursing, Legal Nursing, Men in Nursing, Palliative Care Nursing, Parish Nursing

Nursing is a profession filled with limitless personal and professional rewards. Nurses have a wide range of career opportunities and these extensive fields of nursing are promising enough to provide a large range of opportunities.

Join us as these experts provide their expertise in their field of nursing. Ask questions, take notes and be prepared to expand your horizon with the various fields of nursing available to you!

Objectives:

1. Identify the various non-traditional nursing careers
2. Explain the specialty requirements and certifications
3. Describe the nursing specialties currently recognized by the American Nurses Association

The Institute for Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. P#100-7/2014.

The planners and speakers have declared that they have nothing to disclose.

There is no commercial support for this activity

Accredited status does not imply endorsement by the Institute for Nursing, NJSNA, or ANCC of any commercial products or services.
