The SciTrek Program consists of **1 mini module and 2 full-length modules**. In order to sign up for the SciTrek Program you will need to sign up for all three of these components. An example of a completed registration form can be found on our website (<http://www.chem.ucsb.edu/scitrek/home>).

### 1. Mini Module Sign Up:

You must sign up for the mini module within the following dates: September 1<sup>st</sup> - September 31<sup>st</sup>.  
Mini Module times can be any time of the day during regular school hours.

**Mini Module:** Date: \_\_\_\_\_ Time (1 hour needed): \_\_\_\_\_

## 2. Module Sign Ups:

Select two time slots during which you would like to complete both of the full-length modules. Check our website (<http://www.chem.ucsb.edu/scitrek/teacher>) for available dates and times as well as what quarter each module is available. **IMPORTANT:** You must indicate the role you will take during the module (group lead, co-lead, or lead). Details on module roles can be found in any SciTrek instructions under "Classroom Teacher Responsibilities." Be sure to pay attention to module notes (example: must have 1 teacher lead (this means that to sign up for this time slot at least one teacher of the two must lead)).

**Module 1:** Dates: \_\_\_\_\_ Time: \_\_\_\_\_

**Module 2:** Dates: \_\_\_\_\_ Time: \_\_\_\_\_

## 3. Finalize Module Dates:

Now that you have a time slot selected for each module you will need to finalize the exact dates. Each module meets for a different amount of time depending on the grade level and is limited to the listed quarter.

Module	Number of Meeting Times	Quarter Module is Available
2 <sup>nd</sup> Grade Soil Water Retention	6	Winter
2 <sup>nd</sup> Grade Plants	6	Spring
3 <sup>rd</sup> Grade Mealworms	6	Fall
3 <sup>rd</sup> Grade Motion	6	Spring
4 <sup>th</sup> Grade Respiration	6 ½	Fall
4 <sup>th</sup> Grade Wind Turbines	7	Spring
5 <sup>th</sup> Grade Chromatography	8	Fall
5 <sup>th</sup> Grade Shadows	8	Winter

\* Respiration Module Day 3 must not occur on a Friday. Day 3 ½ will need to occur 22-26 hours after Day 3 and will last no longer than 15 minutes. This does not need to be filled out in the table below.

Finalize your module dates by filling out the following tables. Keep in mind the number of meeting times when selecting your finalized dates.

“ I understand that once I sign up for the above dates and times they are finalized and no changes can be made because these schedules have also been finalized with UCSB volunteers. If school calendars change then small scheduling changes can be made until September 25<sup>th</sup>. I also realize I will be taking an active role in the module and will be required to come to one hour and a half orientation for each module.”
