What does AHCCCS Health Insurance cost you?

Premiums

Most people do not have to pay a monthly premium for AHCCCS Health Insurance. Some people with income too high to qualify for AHCCCS Health Insurance with no monthly premium may be able to get it by paying a monthly premium. If you have to pay a premium, the premium amounts are $10 - $35 per person for employed people with disabilities.

Co-payments

A co-payment is the amount you pay a health care provider when you receive a medical service. Your co-payment amount will vary depending on which AHCCCS program you are enrolled in and the services you need. For some AHCCCS programs, the provider can deny services if the co-payments are not made. Co-payments for services are:

- $2.30 for prescriptions
- $3.40 to $4.00 for outpatient visits for evaluation and management services including doctors office visits
- $2.30 to $3.00 for physical, occupational or speech therapy

Remember to report any changes in income because this may change your co-payment amount.

The following persons are never asked to pay co-payments:

- Children under age 19
- People determined to be Seriously Mentally Ill (SMI) by the Arizona Department of Health Services
- Individuals up through age 20 eligible to receive services from the Children's Rehabilitative Services (CRS) program
- People who are temporarily residing in nursing homes, or residential facilities such as an Assisted Living Home and only when the acute care member's medical condition would otherwise require hospitalization. The exemption from copayments is limited to 90 days in a contract year.
- People who receive hospice care

In addition, co-payments are never charged for the following services for anyone:

- Hospitalizations
- Emergency services
- Family Planning services and supplies
- Pregnancy related health care including tobacco cessation treatment for pregnant women
- Services paid for on a fee for service basis

How does AHCCCS Health Insurance work?

If you are approved for AHCCCS Health Insurance, you will receive your health care from an AHCCCS Health Plan unless:

- You are Native American and you choose American Indian Health Plan as your health plan
- You are just asking for help with your Medicare costs. If you are approved for one of the Medicare Savings Programs, AHCCCS may pay your Medicare premiums and Medicare coinsurance and deductibles, or
- AHCCCS can only pay for your emergency services because of your status with the United States Citizenship and Immigration Services (USCIS). If you are approved for emergency services only, you may receive medical services from any provider (doctor, hospital, etc.) that has an agreement to bill AHCCCS for covered emergency services**.**

How Does a Health Plan Work?

- The health plan works with the health care providers (doctors, hospitals, pharmacies, etc.) to provide all AHCCCS covered services.
- The health plan will send you a member handbook once you are enrolled.
- You can call the health plan if you have any questions about your benefits or services or if you need an accommodation because of a disability or interpreter services. The phone number for your health plan's member or customer services can be found on your AHCCCS ID Card and in your Member Handbook.

Your Primary Doctor and Specialists

- You must choose your primary doctor or one will be assigned to you.
- Once enrolled, you will get a list of primary doctors in your area from the health plan.
- Your primary doctor will:
  - Take care of your health care.
  - Be the first person you go to for non-emergency medical care.
  - Be responsible for authorizing your non-emergency medical services.
  - Send you to a specialist when needed.
- You have the right to change your primary doctor at any time by calling your Health Plan's member or customer services.

How Can I Get Behavioral Health Services?

- You can go through your primary doctor, or
- Call the behavioral health telephone number on your AHCCCS ID Card.

What if I Have Medicare or Other Health Insurance?

- Be sure to tell your health plan that you have Medicare or any other health insurance.
- If your doctor does not contract with your AHCCCS health plan, your doctor must call the AHCCCS health plan to coordinate care or you may be responsible for any Medicare or other health insurance co-payments or deductibles.
- If you are in an HMO, you should pick a primary doctor who works with both your HMO and your AHCCCS health plan.
- If you have Medicare, your prescription coverage under AHCCCS is limited. If you have questions about prescriptions, call 1-800-MEDICARE (1-800-633-4227) or your AHCCCS Health Plan.

Your AHCCCS ID Card

- Your AHCCCS ID Card has your unique AHCCCS ID number.
- Show the card when you get medical care (you may need to show a picture ID as well)
- Doctors, hospitals and pharmacists use your AHCCCS ID Card to obtain faster verification of your eligibility
- Keep your AHCCCS ID Card with you at all times
- Keep your AHCCCS ID Card in a safe place
- Do not let anyone else use your AHCCCS ID Card or you may be prosecuted.

You may also request a hearing if a decision is not made on your application within 45 days and the delay is due to AHCCCS. Your hearing will be conducted by an Administrative Law Judge and a decision will be issued by the AHCCCS Director. You have the right to review your case record before the hearing. You have the right to represent yourself or to have someone else represent you. If you wish to ask for a hearing, your request must be in writing and mailed or delivered to the Office of Administrative Legal Services, 701 East Jefferson, MD 6200, Phoenix, Arizona 85034 or faxed to 602-253-9115.

PROVIDING SOCIAL SECURITY NUMBERS and IMMIGRATION STATUS

You must provide or apply for a Social Security number (SSN) for every applicant. Immigrants who are not legally able to obtain a SSN are not required to provide one. This is required under the Social Security Act (SSA) of 1935 (Section 1137) as amended by P.L. 98-369. Providing a Social Security number for someone who is not applying is optional. We will not use your SSN as your AHCCCS identification number. Your SSN will be used to check the identity of those receiving assistance, to prevent double payments, to determine benefits available under other programs, to verify state residency or other conditions of eligibility, and to make mass annual changes more easily. Your SSN will be used in computer matching available through the State Income and Eligibility Verification System (IEVS) to obtain wage, income and other information from: (a) the IRS, (b) the Social Security Administration, (c) Arizona Department of Economic Security, and (d) other states administering TANF, Medicaid, Unemployment Insurance, Food Stamps, Programs under Title I, X, XIV, XVI of the SSA and other state wage information collection agencies. AHCCCS will use the information available from this computer matching to verify income and whether you have Medicare. When the information you give is questionable, AHCCCS will verify the information by contacting other sources.

ASSIGNMENT OF RIGHTS TO OTHER BENEFITS FOR MEDICAL CARE

(Applicable only to AHCCCS Health Insurance and the Qualified Medicare Beneficiary Program)

I understand that if I am or members of my family are approved for AHCCCS benefits, AHCCCS can collect payment from any other parties who may be responsible for paying for our health care costs. This includes:

- Private or employer-sponsored health insurance (not including Medicare)
- Persons, such as an absent spouse or parent, who are legally responsible for providing medical support
- Private or employer-sponsored disability insurance
- Private or employer-sponsored accident insurance
- Insurance claims, jury awards, or legal settlements resulting from injuries

I understand that AHCCCS cannot collect more than the costs paid by AHCCCS. I also understand that I must give information about other responsible parties and take any action needed to receive medical support. This includes establishing paternity of my children, unless I can prove good cause not to do so.
