

CADRE OF DISTINGUISHED EDUCATORS

### Professional Growth Activities Table

Distinguished Educators seek out opportunities to lead the profession, collaborate with their peers, and grow individually as educators. Use this tool to list activities you have participated in that have led to positive professional growth over your career across the five domains: Planning and Preparation, Classroom Environment, Instruction, Professional Responsibilities, and Student Learning and Growth.

While you have likely participated in numerous activities, choose to highlight here those activities that had a positive effect on you in the areas of leadership, collaboration, or instruction, and those activities that have had a lasting impact on your professional practice. Include a minimum of five and a maximum of 10 activities.

*(Note: You can adjust the table to suit your entries but maintain the titles of the headings.)*
