

FINANCIAL AID FOR MEMBERSHIP

A Membership Financial Aid Request Form must be completed and signed by the Leader of any troop seeking financial assistance for the Annual Membership Registration Fee with Membership dues. The Girl Scout Council of Greater New York has never denied a girl membership in the Girl Scouts because her family is unable to pay the membership fee. Likewise if you are aware of adult volunteers experiencing financial hardship, we want to assist them. While the Council has limited funds, we believe in ensuring every girl and volunteer who wants to be a Girl Scout can join. If a Troop Leader is aware of family/families in her troop that are experiencing hardship, they may be eligible for financial assistance. Please complete the form below, sign it and attach it to the registrations and Dues Summary Form for your troop. Also note which girls and adults you are requesting financial assistance for on their individual registration form by writing FA, so we can keep accurate records. All such information is kept confidential.
