Recommendation for 9th Grade Placement

January Recommendation

Recommendation for the 2016-2017 school year:

_____ **Integrated Algebra** - At this time your grades meet the standards on the back of this sheet and you are being recommended for Integrated Algebra. You will be taking the regents in June of 9th grade. The final recommendation will be made in June upon the completion of your final exam.

_____ **Integrated Algebra 1A** - At this time your grades do not meet the standards on the back of this sheet and you are being recommended for Integrated Algebra 1A. This is a 2 year course and you will be taking the regents in June of 10th grade. You still have the opportunity to be placed in Integrated Algebra, in June of this year, if your grades improve.
