Social Club Keeping Summerfield Busy

The new Summerfield Social Club began in February of this year and they are gaining great momentum and recognition in the community. They have successfully coordinated many new ways for Summerfield residents to connect and have fun. Here are the December activities:

BOARD GAMES

We will play board games weekly on Thursdays from 10:00 AM to 12:00 noon in the Orchardview Room starting on December 2nd. Going out to lunch afterward is optional. Bring your favorite board game to play or use a donated game. If you have board games to donate or have any questions, please call Mary Haise at 503-620-1306 or Vivian Mink at 503-481-9098.

SING-ALONG

Come join a Sing-Along on Friday, December 3rd from 1:30 to 3:30 PM in the Summerfield Arts & Crafts Room (*not a typo*). We will sing Christmas Songs at the keyboard. Even if you do not want to sing, come to hum, tap your foot and just enjoy the music. For more information, call Barbara Roth at 503-747-6961 or Nancy Vink at 503-693-8483.

NATURE WALKS

Doug Robberson, resident Naturalist, will lead monthly Nature Walks in the local area.

Monday, December 6th: Tualatin National Wildlife Refuge off Highway 99. The walk will last approximately 3 hours. Meet at the west end of the Summerfield parking lot at 7:45 AM. We will organize carpools and leave promptly at 8:00 AM. Binoculars are helpful, but not necessary. We will go even if there is a chance of showers, so wear suitable raingear and footwear. For more information, contact Barbara Roth, at 503-747-6961.

HOLIDAY HAPPY HOUR

Friday, December 17th
Lakeview Room and Ballroom
BYOB and Munchies
4:30 to 7:00 PM

SPECIAL EVENT: Join us for the debut of the Summerfield Thespians performing "Ms. Scrooge," a short holiday play to be performed during the Holiday Happy Hour.

President's Message

It is that time of year to be thinking about the holidays, real estate taxes, and civic association dues and assessments.

Your Board of Directors wrestled with the problem of higher expenses and lower income because of a high rate of unsold homes and an exceptionally low income from the golf course.

The Marketing & Communications Committee, which was started last year, has been active in "selling" our community by advertising and promoting our "best kept secret" golf course and working with the many realtors in our area to get people interested in moving to Summerfield.

Come into the Clubhouse and check the "draft" of the budget for 2011. You will be surprised at how we rate in relation to other HOA communities.

Jerry Durgan
President

The Summerfield Neighborhood Watch Program

The Summerfield Neighborhood Watch program began years ago with help from volunteers. Thank you to all the Captains, Coordinators and other individuals that continue to help.

The Neighborhood Watch program divides Summerfield into 6 areas, including all the Homes, Townhouses, Condominiums and Apartments.

The committee members are not the 'police' but are here to assist in watching over their designated areas. All persons living in Summerfield should assist watching over their neighborhood. Anyone seeing any criminal activity or other out-of-the-ordinary circumstances should immediately call the Tigard Police. If it is an emergency, call 911; if it is a non-emergency, call 503-629-0111. Then notify the block captain or chairperson.

When a new resident moves into Summerfield, the Neighborhood Watch files are updated. The Neighborhood Watch files are listed by areas and blocks, and identify name, address, and phone number of the residents. If you do not know who your Block Captain is, contact the Chairperson as

listed in the directory or call the SCA office.

Additionally, the block captains have a simple form for new residents to complete. These forms list the emergency contact of the resident and are for emergency use only. They are NOT public information. The Tigard Fire and Police have praised the Summerfield Neighborhood Watch program because of the usefulness of this form.

Please remember to have someone get your mail and newspapers if you are away. The police suggest we keep our doors and windows locked and to not leave our garage doors up more than an inch or two. Summerfield is very safe and it will continue to be as long as everyone is alert.

If you would like to be a captain, coordinator or chairman, please tell a current member or the SCA office. None of these duties are very time consuming but are very important for our community.

Neighborhood Watch Chairperson*

PROJECT: AGE VERIFICATION

Per the Fair Housing Act for designated age 55+ communities, we are required to survey the age of our occupants on a regular basis. Yes, even if you've lived here for 30 years!

There are two options (choose the one you prefer):

OPTION #1: Each person in your household can provide the Summerfield office with a legible photocopy of their driver's license, passport, birth certificate or other reliable ID with their name and date of birth. Bring it in to the SCA office (put in mail slot if office is closed) or mail it in.

OPTION #2: Another acceptable method is a 'sworn statement', whereby each person in your household signs this document verifying their own date of birth.

Property Address: _____

I, _____, hereby declare that my birth date is _____.
(Resident #1 Printed Name) **(Month/Day/Year)**

Signature of Resident #1: _____ Today's Date: _____

I, _____, hereby declare that my birth date is _____.
(Resident #2 Printed Name) **(Month/Day/Year)**

Signature of Resident #2: _____ Today's Date: _____

I, _____, hereby declare that my birth date is _____.
(Resident #3 Printed Name) **(Month/Day/Year)**

Signature of Resident #3: _____ Today's Date: _____

If you like Option #2, the sworn statement, but don't want to take apart your newsletter, you can obtain a copy of this page from the SCA office or on our website at www.summerfield55.org under 'Forms.'

Our goal is to complete this project by February 15, 2011, corresponding to the final deadline for the annual assessments, so you can turn this in with your payment if you'd like. Or help us out and take care of this as soon as possible. Thank you!

Durgan – Summerfield Common Area Landscape Team update includes that common area trees checked with arborist.

Next Board meeting is December 13, 2010 at 9 AM.

SCA Food Drive

Next time you come to the Clubhouse, can you bring a non-perishable, **non-expired** food item to donate to the Oregon Food Bank? The barrels will be here until December 20th. Last year we had just one barrel and it was overflowing all over the place, so this year there are four barrels! Summerfield donated over 800 pounds of food last year---how about a goal of 1,000 pounds this year? Although all non-perishable food items are appreciated, here are the "Most Wanted Foods":

- 🍴🍷 Peanut Butter
- 🍴🍷 Tuna
- 🍴🍷 Pasta and Pasta Sauces
- 🍴🍷 Rice
- 🍴🍷 Canned Fruit & Vegetables
- 🍴🍷 Canned Meals (stew, chili, etc.)

Book Club

On Tuesday, December 14th at 2:00 PM, the Summerfield Book Club members will celebrate the season at our annual Holiday Social and Cookie Exchange instead of our usual book review. This month members meet in the Lakeview Room instead of the Conference Room for this special occasion. The members are invited to bring about 18 of their favorite holiday cookies to share with others. Tea, coffee and punch will be served with the cookies during time to socialize and get to know each other better. Everyone may take a sample of the cookies home. The reading list for 2011 will be available. May all your holidays be safe, full of love, joy and peace!

Submitted by Megan Walth

Office Closed Dates

The Summerfield Office will be closed Friday, December 24th in observance of Christmas and Friday, December 31st in observance of New Year's.

Garden Club

Garden Club members are invited to "the Holly Berry Tea" on Monday, December 13th from 1:00 PM to 2:30 PM in the Clubhouse Ballroom. There will be a social mixer, music, singing, heartwarming stories and a cookie exchange. Please bring eight baggies of six cookies each. There will be baskets to put them in which will then be the centerpieces on each table; this will make the exchange much easier. You will be taking home 4 dozen different cookies! Be sure to wear your name tag to this event.

If you did not sign up to attend our holiday party at the last meeting and want to attend, please call Joyce Astrup at 503-624-5426.

Computer & Technology

The December meeting of the Summerfield Computer & Technology (SCAT) group will not be held this year due to the holidays. The January & February meetings (2011) will be held at their usual time (10:00 AM) and day (3rd Wednesday), but we'll meet in the downstairs lobby near the stairs, due to the renovation of the main floor rooms. Call Marjorie Knittel at 503-670-0963 if you have any questions.

1st Sunday @ Summerfield

December 5th, 1—4 PM

Invite your friends and family to tour multiple open houses every 1st Sunday of the month. Also, the Clubhouse is open and available for tours from 1 PM—4 PM that day. All realtors and for-sale-by-owners are invited to participate. For details, call Robyn Dezendorf, resident broker with Keller Williams Realty at 503-407-9102.

Ask the Administrator *by Cari Froeber*

Before we get into these two great questions this month, I'd like to thank each of you for a wonderful and productive 2010. Wishing you joy and peace in 2011!

Q: Can you explain the tax status of Summerfield?

A: Yes, though I'm certainly not a CPA, here's my understanding of it. We fall under IRS Code Section §528 and file form 1120-H. This subsection exempts certain non-profit homeowners associations that manage association property. At least 60% of our gross income must come from dues, fees or assessments and at least 90% of our

expenditures must be for the association's property. We do not have to pay income tax on dues and assessments if they are used for maintenance or improvement. We do not have to pay income tax on any other taxable income as long as we maintain those percentages. For 2009, we had about 79% of our income from residents' dues, fees and assessments and we estimate that the 2010 amount will be about 73% (down due to the change in bulk cable), though still far from the minimum 60%.

Q: What happens if I buy an annual Golf Tag and I get injured or sick?

A: Well, it is somewhat of a risk (life is full of risks, isn't it?). Per the Assessments and Fees Policy & Procedure, "a refund for the annual golf fee may be prorated upon written request until March 1. After that date no refunds will be issued except in the case of death, when the request is made in writing." For the vast majority of residents, the annual golf tag is a steal of a deal. At the 2011 proposed rate of \$450, that breaks down to needing to play just 32-37 times (depending on the season) to break even. I see some of our resident golfers are out there every day, which essentially will equate to \$1.24 per round!

CLEAN LIVING

The very products and processes used to keep indoor environments clean may also contribute to indoor pollution, or "sick building syndrome." Apart from poisoning through ingestion—mostly by small children—studies show that in certain conditions, many everyday household cleaners and air fresheners emit toxic contaminants at levels that pose risks to our health. Common symptoms include eye, nose, and throat irritation, as well as headaches, dizziness, and fatigue. Long-term or cumulative environmental consequences, contamination of surface and ground water, may also occur. Clean with a micro-fiber cleaning cloth, warm water, a dash of natural soap, and good, old-fashioned elbow grease. Ingredients like vinegar, borax, lemon juice and baking soda are effective on tougher stains.

Two new benches have been installed on the west end of Summerfield. Our neighbors who choose to walk to the shopping areas in King City, the Albertson complex or the Safeway complex will now be able to set their packages down and take a rest break at both ends of the Apartments along side of Summerfield Drive. The benches have a back to lean against and are secured to a concrete base for stability.

The old style "witches hat" type lamp posts are no longer available; however the Golf Pro Shop has a supply of replacement 'glass' inserts and light bulbs for only \$2.50 each. If it becomes necessary to replace the entire lamp post, information on a new approved unit is available at the Clubhouse office and will require an Architectural Change Request.

The Committee is in the process of preparing guidelines for the installation of solar panels. This would be a complex project requiring building permits and influenced by many direct, indirect and potential costs.

Summerfield Travel Club

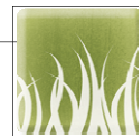

Hi Fellow Travelers,

The Travel Club stopped traveling at 2:27 PM on Tuesday, November 9th as the motion to accept the Club Board's recommendation was passed unanimously. Even though the Club is dissolved, one major event remains: the Christmas Dinner on Tuesday, December 14th. The social hour will begin at 5:00 PM (wine provided) with the dinner served at 6:00 PM and the program (The Sweet Adeline's) at 6:30 PM. Please sign up for your choice of entrée (Prime Rib or Salmon). This is a free dinner for those who were members as of October 5th. Guests may purchase a dinner for \$17.50. Make check payable to Travel Club and leave it at the Summerfield Office.

BINGO

Bingo will be held on Friday, December 10th at 7:00 PM. Bingo will not be held during the months of January and February due to the remodeling of the Clubhouse.

'Til there is a next time, this is Em Rohde signing off.

Dance Club

It's time to make plans for New Year's Eve, and the Summerfield Dance Club is hosting its annual New Year's Eve Social, Potluck, and Dance. Music will be provided by the ever-popular Lee Nicholas. The social part of the evening (BYOB) will begin at 8:30 PM, and the dancing will be from 9:00 PM to 12:30 AM. Drink mixers, ice, and snacks will be provided throughout the evening, and the potluck buffet items will be served at 10:00 PM. Prepaid admission tickets will be \$15 per person. Walk-ins (non-ticket holders) will be \$20 per person. This is a fun way to bring in the New Year for dancers and non-dancers alike. Come and enjoy an evening of good music, good food, and good friends. To purchase tickets, call Ron or GraceAnn Lynch at 503-746-7594.

Landscape Committee

Just a reminder from the Summerfield Landscape Committee that leaves are falling and it is your responsibility to pick them up in your yards. Don't wait for the wind to blow them into your neighbor's yard! This is the time to winterize and clean up your yards so Summerfield continues to have the look of a neat and tidy community.

Giving Tree for Foster Kids

Making the holidays merry and bright for the over 800 children in the Washington County foster care system can be a daunting task for local foster families. You have the opportunity to help fill the holiday wishes for some of these children. There is a tree in the Clubhouse lobby with gift tags listing a local foster child's name, age and holiday wish list. Please place the new, unwrapped items in a bag, attach the gift tag and return them to the Clubhouse by Wednesday, December 15th. Please contact Nicole Thompson of the Department of Human Services Foster Care Program at (503) 681-6949 if you have questions.

People in Profile: LIONEL DOMREIS *By Darlene Durgan*

Seven month old Lionel Domreis arrived in a very cold and snowy Portland in December, 1919, a month in which records show it snowed over 13 inches in one day—and Lionel and his family were living in a tent at 56th and Duke! Times were hard and didn't improve much over the years, as the depression started and Lionel found himself selling newspapers and magazines on a Broadway corner until 9:00 PM each night.

Anti-German feelings ran high between the wars and Lionel, whose full name was Lionel Adolph Wilhelm Domreis, found himself the brunt of teasing and bullying at Laurelhurst School. When the family moved briefly to San Francisco, Lionel unoffi-

cially changed his name to Lionel Allen William Domreis and when the family returned to Portland the name change had done the trick and the harassment stopped.

This name change caused a serious problem just recently, however, when Lionel was invited to join a cruise to Alaska but could not secure a passport. He is still in touch with Ron Wyden's office and pursuing the issue. At age 91, he is still in full possession of his intellect, obviously.

At the end of his junior year at the University of Oregon, Lionel was drafted and spent three years with the 41st Infantry Division overseas. After the war, he finished his degree and spent a very successful career in office machine sales, later switching to real estate. It was in that field that he met Ron Sorenson, president of Tualatin Development, and had the pleasure of having lunch with a very nervous Ron on the eve of launching the King City project. Ron later became seriously ill and died while his next

project, Summerfield, was under construction. Tualatin Development later developed Summerplace and other successful senior communities.

Lionel's fervent wish is that a plaque in tribute to the forward thinking and daring Ron Sorenson be placed in both King City and Summerfield.

Lionel has not been all work and no play, however. He paints, plays bridge and has self-published four mystery novels which he calls "Decent Novels for Seniors Written Without Dirty Words." His last two books were directed to medical schools, urging them to check for adult abuse as they conduct exams.

Summerfield is proud to have as a resident this gifted and dedicated "almost native" Oregonian.

If you know someone of interest for this column, please call Darlene at 503/620-1802 or email jerदार@comcast.net

Thank you from the Craft Club

The Summerfield Craft Club wishes to thank all of you who helped to make our 22nd Annual Holiday Bazaar a success. As a result, we were able to make a substantial donation to the Tigard Meals on Wheels which serves many of our residents. The Craft Club continues to make and donate knitted afghans to the Tigard Good Neighbor House. When the guests leave the house, they can take the afghans with them. These types of contributions are a long-standing tradition of the Summerfield Craft Club.

Attention Library Patrons:

Here is an update regarding the effect on the library due to the renovation of the Clubhouse: The library will be closed effective January for an undetermined length of time. We suggest that you stock up on material during the last 10 days of December and hold off returning items until we can re-open. We would appreciate it if you do not make donations after December 15th. During this down time you might want to take advantage of the Tigard Public Library and, in particular, the paperback section located on the second floor directly above the entrance. You do not need to have a library card and there is no checking in or out, nor any specified return date. Thanks for your cooperation!

These Directory Additions are meant to be cut out and placed / stapled into your own Summerfield Directory. That way you'll always have a current list of residents.

The Summerfield Website Team is looking for a handful of volunteers to assist with the transition to a professionally developed website. We need some residents with either web development experience or with lots of website use experience. For more information, please contact Cari Froeber, Administrator, at sca55@comcast.net or in the office Monday-Friday, 8 AM—12 noon.
