

APPLICATION FOR A FEED EXEMPTION LICENSE
UNDER ACT 726 OF 1997
For Calendar Year ending December 31, 20__

Instructions - Complete and submit to the State Plant Board, P. O. Box 1069, Little Rock, Arkansas 72203. Important - A license is required for each plant location.

TO THE STATE PLANT BOARD: In accordance with the provisions of Act 726 of 1997, an exemption license is requested for the feed manufacturer or mixer listed below.

Applicant understands that such exemption applies only to those concentrated commercial feedstuffs and the ingredients to be used in compounding same which are manufactured or mixed and used for feeding to poultry or animals owned by such manufacturer or mixer. In addition, exchanges of feed or feed ingredients between or among integrated operators, who have been granted an exemption license are not considered commercial feed transactions.
