Service Hours Information

As with most youth organizations, we rely on parental support throughout the year. MAC host 4-5 meets per year to help offset our budget and give us the ability to keep our swimming fees low for our members. We rely on our families support and help in running our locally hosted swim meets throughout the year. Volunteering is easy and a great way to get to know other members, and be involved with your child's sport. Other than meets, MAC provides other volunteer opportunities for families to earn their service hours as well. Earning hours does not take a lot of time and it helps us run the best swim meets for gulf swimming and our kids as well.

******(Note that this is a 1 time fee Per Family)******

A deposit fee is required upon registration for those it applies to, (**1 per family**). This **fee is refundable** in August or when a family leaves the program, as long as the service hour requirements have been met. It may also be rolled over to the next year to avoid having to pay another deposit fee for the new season.

******Fees and service hour requirements are pro-rated for those who join the program for a period of 6 months or less. No Service Hour Fee Is Required for our Piranha or Bronze Team Families and or for those who join as Seasonal Members.******
