PRESENTERS...

Louis Bradfield (Keynote and Workshop Presenter)

Louis has spent 27 years reflecting on a way of teaching that best supports children as thinkers and learners. During this period, he has had opportunities to 'think out loud', 'to share his story' ...as a lecturer, tutor and consultant. In 2002 Louis was a recipient of a NEITA (National Excellence in Teaching Award) for his 'passionate' dedication and contribution to early childhood education. In 2003 he received a Centenary Medal for Distinguished Service to Education. He is also a successful artist!

Rhonda Irwin (Workshop Presenter) Rhonda lectures in early childhood music education in Asia and across Australia and wrote a significant part of the present early childhood curriculum for the Queensland State School system. She runs and owns her own orchestra and classical music business called Viva La Musica and has played for such notables as HRH Queen Elizabeth 2nd, Ex-President Bill Clinton and Muhammad Ali. Rhonda is also the Early Childhood representative on the prestigious Music Council of Australia.
