

# Public Speaking and Presentation Skills Workshop

*"The session was absolutely superb. We've booked two more workshops and are training our entire team!"*

**Carrie Supple, Citizenship Foundation**

**Have you ever spoken or presented in public and thought "I should have done better" or answered yes to any of the questions below...?**

- Would being a better speaker or presenter improve your confidence & effectiveness?
- Do you need to speak and present at work or where you study?
- Do you ever get overwhelmed before a presentation?
- Would a rapid improvement in your skills help your career prospects?

**On this one-day workshop you will learn easily and quickly**

- The secrets of successful public speaking and presenting
- How to easily prepare a great speech and presentation
- How to deliver with confidence and impact
- The core components of communication

**Why is this the best value professional workshop in the UK?**
