The lessor agrees to lease and the lessee agrees to take on lease from the lessor the horse or pony described overleaf for a term commencing on _____ and expiring on _____.

NO LEASE WILL BE RECOGNISED UNLESS IT IS FOR A PERIOD OF AT LEAST 6 MONTHS

During the term of this lease all winnings (trophies and ribbons) will be the property of the lessee unless otherwise stated on this form.

This lease must be signed by the lessee and lessor in the presence of a Justice of the Peace who must witness the signatures and the date of signing. The lease should then be countersigned by the Secretary of the Club to which the lessee belongs. The original form remains with the lessee with copies going to the Secretary of the Club to which the lessee belongs, the Zone Secretary, the Secretary of the P.C.A. and the lessor.

When the above has been completed the lessee may use the horse/pony at Pony Club instructional days (but not in competition) and after a period of six weeks from the date the lease is signed by all parties the horse/pony may then be used in competition and will be regarded as the normal Pony Club mount of the lessee.

If the lease is renewed to follow on from the previous lease there will not be another six weeks non-competition period. During the term of the lease the horse cannot be ridden in Pony Club competition by any person not a member of the lessee's club.
