GREECE - LOUTRAKI (ATHENS)

EUROPEAN CHAMPIONSHIPS 2010 (SEMI CONTACT - FULL CONTACT - KICK LIGHT - MUSICAL FORMS)

Invitation message for 2010 European Championships in GREECE

**TO ALL WAKO EUROPEAN MEMBERS
THEIR ADDRESSES**

The organization of European Championships of Kick-boxing constitutes great honor to our town. I am certain that championship, under the aegis of Panhellenic Kick-boxing Federation, is going to be successful agonistically and organizationally as well.

The municipality will do everything so as the athletes, the fans and the hosts to experience the hospitality of Loutraki, which is one of the most popular destinations in Greece. Loutraki combines the athletic facilities with the hospitality of their residences; Loutraki is surrounded by sea and medicinal baths.

The organization of great athletic events in the town of Loutraki is our political and social choice. We esteem the value of athleticism and we understand the importance of the athletic tourism in the economic growth of a town. The municipality of Loutraki – Perachora plays the lead in the organization of athletic events; it supports the athleticism and its ideals which contribute in educating healthy characters and personalities. Our aim is young people to comprehend that athleticism is a way of life. It is a healthy way of life which accompanies the athlete forever; thereby we want to get this healthy mode of life over to society. We bring into being positive ideals. We pass along the message that it is never late to begin, it is never late to build up physical and mental health.

In this concept, European Championships of Kick-boxing is not just an athletic event, but it is also hope for the future.

Georgios Gkionis
Mayor of Loutraki – Perachora
