

# 56th Annual Summer Asilomar Retreat

## Edgar Cayce on Reincarnation: His Life and Soul Groups, Learning the Lessons Today

**Sign up now  
before May 19th  
and save \$40!**

with  
**Charles Thomas Cayce  
and Sidney Kirkpatrick**

Long before John Edward or Sylvia Browne there was a poor Kentucky farm boy named Edgar Cayce whose life transforming concepts and amazing psychic readings made him the "father of holistic medicine" and the engine behind what became the New Age movement. It has not been until now, however, when internationally acclaimed New York Times bestselling author of *Edgar Cayce: An American Prophet*, Sidney D. Kirkpatrick and the grandson of Edgar Cayce, Charles Thomas Cayce, teamed up that some priceless gems from the readings can be revealed. These insights bring you powerful opportunities for soul growth with tools and techniques you can use in your life today.

Take an in-depth look into reincarnation from Edgar Cayce's unique perspective and other viewpoints

Find out what Cayce's soul group learned and how you can benefit from understanding their trials and triumphs

Be inspired by a retreat featuring two of today's best, most knowledgeable and respected researchers of the Cayce readings

This special program with masterful storytellers Sidney Kirkpatrick and Charles Thomas Cayce will be filled with life-changing wisdom, inspiring anecdotes, seldom seen slides, movie clips and lots of answers to your questions about Edgar Cayce the man, the workings of reincarnation, the creation of the A.R.E., and how the message of Edgar Cayce's work is relevant to you today.

# July 19- 21, 2013

Retreat sponsored by the
