Superintendent's Message

I would like to say the past year has flown by to me, as the anniversary of becoming a member of the Deep Springs family has arrived. As I reflect on the past year, all I can say is thank you for making me feel so welcome.

As we gear up for the Spring, the maintenance staff is busy getting all of our equipment ready to provide everyone with a beautiful golf course. The staff has also been removing a small number of trees to aid in creating better turf conditions in a few areas.

We also have moved Luis Torres up to Assistant Superintendent. Luis graduated from GTCC this past year with a degree in Turf Management and has been a valuable member of the maintenance staff for the past 3 years. Please congratulate him on this big step in his career.

See you on the course,
Sonny

Message From Renee

We are getting geared up at The Clubhouse this month, so pay attention...we don't want you to miss anything!

We are working on updating the menu, changing this or tweaking that so let us know what you would like to see or taste. *Our plan* is to adjust the menu 3 to 4 times a year to take advantage of the great local seasonal produce and products available to us. *Our goal* is to create a local dining experience second to none!
