### Thank you for your contribution. Your gift is tax deductible.

IRS regulations require <u>two</u> forms of documentation to substantiate your tax deduction for all contributions to charitable organizations. Bank or credit union statements, canceled checks or credit card statements satisfy one form, if the contribution is less than \$250. Written communication from the charity, requested by you, is required for contributions exceeding \$250 in addition to the above documentation. Contributions made by payroll deduction require the donor to substantiate with a pay stub, W-2 or other document furnished by your employer, <u>plus a</u> <u>pledge card</u> or other document furnished by the charity. <u>Please</u> <u>retain your copy of this pledge card</u> for substantiation of your deduction. All contributions are tax deductible in the year paid or payroll deducted from your paycheck.
