## WHAT'S A DIAPER DERBY?

On your mark, get set,...  
crawl

What's a Diaper Derby? It's babies helping babies at the cutest race in town. Babies crawl, toddle, or race their way to the finish line while raising funds for our programs that help young moms. **Here's how**

**you can get involved in an event for the whole family:**

## ENTER A CONTESTANT!

If you have a child 5 years old or younger, register him or her on our website. Then build a page where you can upload pictures, video, "training" schedule and more. Send your personalized fundraising page to family and friends. Fundraisers win great prizes and perks. Your little contestant can get started raising funds today and compete for great prizes on February 28.

## SUPPORT A CONTESTANT!

If you don't have a little one, place your "bets" by contributing to the baby of your choice on the Diaper Derby fundraising page at [pghdiaperderby.org](http://pghdiaperderby.org). Every gift, big or small, is significant as we care for young moms and babies throughout our city.

## SHOW UP ON RACE DAY!

Everyone is welcome to join us on Race Day to root for your favorite contender! There is no charge for spectators. For more info, go to the Pittsburgh Diaper Derby website at [pghdiaperderby.org](http://pghdiaperderby.org)

## THE CHARITIES:

**Women's Choice Network, YoungLives Three Rivers, YoungLives East Hills, and Choices Pregnancy Services** team up to help young moms and dads to become better parents.

**WOMEN'S CHOICE NETWORK** After a pregnancy test and ultrasound, Women's Choice Network goes deeper with the "Baby Steps" program to educate, support, and empower young families to gain independence. Based on God's truths, "Baby Steps" transforms lives by placing young parents facing an unplanned pregnancy into accountable relationships where they can grow, learn, and earn material resources.

**YOUNGLIVES THREE RIVERS AND YOUNGLIVES EAST HILLS** equips teen moms to mature into self-reliant, socially-responsible adults through life skills training, one-on-one mentorship and a variety of programs. We provide opportunities for life-changing experiences that directly impact teen mothers and their children. With financial support from private donors and corporations, Young Lives reaches area families in need of guidance, mentoring, emotional support, and fellowship.

**CHOICES PREGNANCY SERVICES** is a Christ-centered ministry focused on helping families experiencing unplanned pregnancies with life-affirming support. Along with receiving free medical services such as pregnancy testing and confirmation of pregnancy with ultrasound, moms and dads have the opportunity to learn and grow through our Next Steps program giving them practical help and hope for the future.
