- Please arrive 15 minutes before your appointment time.
- Please notify reception if you are diabetic.
- Remember to bring your Requisition, your Provincial Health Care Card, and Photo ID.
- If you are unable to keep your appointment, please contact us 24 hours prior to your appointment at 780-705-9982 or e-mail info@glenwoodradiology.com. If an appointment is not cancelled at least 24 hours in advance of your scheduled appointment, you will be charged a twenty-five dollar (\$25) fee. Please note this will not be covered by your insurance company.
- Our facility is not able to provide child care services, please ensure to arrange child care during your appointment times.

Appointment Date: Time:

Exam Preparation

We would like to ensure that every patient receives the highest quality of care, therefore we request that when booking the appointment we are made aware of all patient's requirements such as language assistance (other than English), has a hearing impairment, is an assisted adult, has diabetic needs, has allergies (ex.Latex), has a catheter, is in or requires a wheelchair, or any other requirement.

ULTRASOUND

BLADDER, PELVIS OR PREGNANCY UNDER 28 WEEKS: The exam requires a full bladder. Drink and finish 1 litre (4 cups) of water 1 hour prior to the appointment time. DO NOT empty your bladder until after the examination. If your bladder is not full, the examination may have to be rescheduled. You may eat regularly prior to the exam.

BIOPHYSICAL PROFILE OR PREGNANCY 28 WEEKS AND OVER: The exam requires a partially full bladder. Drink and finish 500 ml (2 cups) of water 45 minutes prior to the appointment time. DO NOT empty your bladder until after the examination. If your bladder is not full, the examination may have to be rescheduled. Please eat 30 minutes prior to the examination.

ABDOMEN: DO NOT eat, drink, chew or consume anything by mouth 8 hours prior to the examination. You may still take your medication with water.

ABDOMEN AND PELVIS: DO NOT eat, drink, chew or consume anything but water 8 hours prior to the examination. Drink and finish 1 litre (4 cups) of water 1 hour prior to the appointment time. DO NOT empty your bladder until after the examination. If your bladder is not full, the examination may have to be rescheduled. You may still take your medication with water.

MAMMOGRAPHY

This exam requires that you DO NOT wear deodorant, powder or antiperspirant under your arms the day of your exam. Please wear a two piece outfit. Avoid caffeine in order to reduce breast tenderness. You will be asked to remove any necklaces or earrings prior to the exam.

BONE MINERAL DENSITOMETRY

Please DO NOT take any MULTIVITAMINS, CALCIUM OR IRON before your exam. You may take them AFTER your exam. Please ensure to remove any metal or glass prior to the exam.

WALK-IN X-RAY

X-ray exams may not be possible if there is a chance of pregnancy and may need to be deferred to a later date in these cases. It is recommended that you dress comfortably. Please avoid clothing that has zippers, clasps, snaps, buttons and/or beading near the area to be X-rayed. Any metal or jewelry near the area to be X-rayed must be removed prior to the X-ray.

OB & GYN Exams available Tuesdays & Thursdays 5pm-8pm (Last exam at 7:30pm)
