TOUCHING LIVES, IMPROVING VALUE

CO-ORGANISED BY:

Message from ECR Asia Pacific Co-Chairs, Alex von Behr & Anthony Rose

Asia-Pacific's most important gathering of Suppliers, Retailers, Manufacturers & Distributors will be in

Singapore 15 – 17 May 2012

Dear Delegates,

It is a great honour to invite you to participate in the 13th ECR Asia Pacific Conference & Exhibition, which will take place in Singapore from 15 to 17 May 2012. The ECR movement in Asia has gained significant momentum over the past 13 years as suppliers, manufacturers and retailers seek to increase collaboration across the entire value chain.

The conference will focus on sharing best practice experiences around the region, and will enable you to interact with the ECR community to engage on the directions and advances in the FMCG industry. Through a combination of CEOs' session, plenary presentations, break-out sessions, panel discussions and a marketplace exhibition, we are confident that the conference will also provide you with a platform to explore ideas and learn about the industry trends and supply chain technologies that will revolutionise the industry as we seek to touch lives and increase the value we deliver to our consumers.

We look forward to seeing you in May 2012.
