Real Estate Agent Invoice Template Features and Facts

This invoice template is designed for real estate agent or manager. On the "Bill To" section there is a "site" custom field that allows you detail critical information about the transaction.

The other two custom fields on the form include "Site Code" and "Project". The 4 columns on the invoice detail section include "Description", "Quantity", "Unit Price" and "Amount". Each row on the invoice body section allows about 3 lines of text. The text on the item cells are formatted as left alignment on horizontal, and middle on vertical.

This invoice template has one default tax configured, which was named "TAX". If you have Uniform Invoice Software, setting tax options could be easily done by using the "Taxes" tab on the "Settings" window, which could be opened by clicking the Settings button on the "Invoice" ribbon tab.
