## **Premium Information**

### **Plans A, F, High Deductible Plan F, G & N Effective February 1, 2014**

Premiums are subject to change.

## **Premium Information**

The following pages are designed to help you determine the premium for the plan you select. First, locate your zip code to determine your Rating Area, and then refer to the Monthly Premium pages to find the assigned monthly premium based on your age at the requested policy effective date.

Premiums and future changes in premiums are determined by several factors, including your age, where you reside, and the costs of medical services and supplies.

Premiums are subject to change on or after the Renewal Date in accordance with the terms of the Policy. Renewal Date is defined as generally January 1, subject to state approval. Your Premium Billing Preference does not guarantee your premium for any specific time period. Any state-approved premium changes will be applied starting on your next Renewal Date following your Coverage Effective Date, regardless of your Premium Billing Preference. The selected Premium Billing Preference will take effect on the first day of payment period which immediately follows your Coverage Effective Date. For example, if your Coverage Effective Date is September 1 and you pick the Quarterly Premium Billing Preference, Quarterly premium billing will start on October 1; if you select the Annual Premium Billing Preference, Annual premium billing will start on January 1. Any premiums billed for the period of time from your Coverage Effective Date to the start of your selected Premium Billing Preference will be prorated to reflect the Premium Billing Preference selected.

We, Anthem, can only raise your premium if we raise the premium for all plans like yours in this State. We will recalculate your age each year to determine your new attained age. Your premium may increase annually at your plan renewal based upon your new attained age.
