I. Statement of Objectives:

The Board of Regents for Higher Education (“BOR”), on behalf of Norwalk Community College, is soliciting proposals from individuals or organizations qualified to provide services in the area of genomics for the Connecticut Health & Life Sciences Career Initiative (“HL-SCI”), including technical expertise for the Initiative’s Project Advisory Board; professional development for faculty, curriculum development, pathways for high school STEM students to community colleges and universities, networking and capacity-building at ConnSCU to build and strengthen employer partnerships, and internship and placement opportunities for both Associate’s (“AS”) and Bachelor’s Degree (“BS”) students.

II. Background:

The Board of Regents for Higher Education serves as the governing body for the regional community-technical college system, the Connecticut State University System and Charter Oak State College (collectively known as “ConnSCU”) pursuant to Subsection (a) of Section 211 of PA 11-48. As of January 1, 2012, the Board of Regents is also authorized to act, as necessary, as the Board of Trustees for the Community-Technical Colleges, pursuant to Sections 10a-71, 10a-88 and 10a-143 of the Connecticut General Statutes, as amended.

Norwalk Community College, as lead agency for a consortium of seven institutions (Capital Community College, Gateway Community College, Manchester Community College, Middlesex Community College, Charter Oak State College and Eastern Connecticut State University), has been awarded a four-year Trade Adjustment Assistance Community College and Career Training (“TAACCCT”) Grant from the United States Department of Labor. The grant was awarded under agreement # TC-23777-12-60-A-9 and is entitled, “CT Health and Life Sciences Career Initiative.” The grant’s performance period is September 1, 2012-August 31, 2016. The final twelve months is limited to gathering of information and data for evaluation purposes.

The Health and Life Sciences Career Initiative (HL-SCI) provides targeted certifications, industry-recognized credentials, certificate and associate degree training at five Connecticut Community Colleges (Norwalk, Capital, Gateway, Manchester and Middlesex,) together with other Board of Regents member institutions Eastern Connecticut State University and Charter Oak State College to prepare veterans, Trade Adjustment Assistance impacted, dislocated, and under- and unemployed workers for careers in growing health and life sciences occupations. HL-SCI implementation includes three evidence-based program strategies:

1. **Curriculum Innovation:** As part of this strategy, HL-SCI will create 15 new and 34 revised certificate/degree programs and align for-credit certificate programs with industry-recognized credentials. It will also create and deliver math and science booster modules online and as smart phone “apps” and create and migrate courses online/hybrid learning courses to 2,400 students to accelerate course completion.
2. **Prior Learning Assessments (PLAs):** The initiative, under the leadership of Charter Oak College, will assess each college’s process for granting PLAs and will make recommendations for system alignment and best practices for the consortium and throughout the system. Through the initiative, 675 students will earn 10,000+ college credits for work skills and on-the-job learning, thereby greatly improving achievement rates and reducing time to completion.
3. **Recruitment and Placement Services:** Recruitment and Placement Coordinators both at the colleges and at the workforce investment boards shall provide 360 internships for HL-SCI participants and help 2,000 students find high-paying jobs (or start on pathways towards these jobs) in growing industries by providing placement services.

For more information please visit the grant website: <http://www.ct.edu/initiatives/hlsci>.

III. Scope of Project:

The successful bidder will partner with HL-SCI to build capacity at consortium colleges in the following broad areas: 1. Curriculum review/development/enhancement; 2. Professional development; 3. Employer relationships; 3. bridges for students (high school STEM programs to AS/BS programs, AS to BS, BS to doctorate).

Desired Services:

4. Under the direction of the HL-SCI Project Director, work with the BOR-designated HL-SCI team to develop an online “Introduction to Genomics” course for use within ConnSCU and beyond;
5. Opportunities for professional development for consortium faculty in biotechnology and other HL-SCI areas (such opportunities might include faculty slots at conferences, symposia or other trainings, research opportunities for faculty sabbatical, hosting a faculty member for a semester or summer);
6. Resources for facilitating statewide discussions around strategic issues;
7. Development of partnerships with other academic institutions that may serve as pathways for HL-SCI students;
8. Assist HL-SCI in developing internships/placements for HL-SCI students, including research or internship opportunities designed to target students in the first two years of college as retention strategy;
9. Development of a Speakers’ Bureau for HL-SCI consortium for use with faculty and students and a Speaker Series in collaboration with Eastern Connecticut State University;
10. Identify and provide opportunities for Associate’s and Bachelor’s Degree students to have access and exposure to technology not available in ConnSCU, such as Next Generation High-throughput sequencing for DNA and RNA (process, hardware and analysis), large-scale protein production, flow cytometry, biochemical techniques, personalized molecular medicine;
11. Sponsor collaborative, public/private projects, such as providing tissues for analysis by Eastern students during coursework (i.e. transgenic mice or other organisms, tissue culture cell lines, etc. for courses like Developmental Biology, Molecular Genetics, Biotechnology, Stem Cells and Regenerative Medicine or Cancer Biology), providing chemicals or drugs to be screened by Eastern students (i.e. for anti-microbial properties in microbiology or for effect on cancer cell line growth in cancer biology or to support the production of neurons from primary tissue), providing genomic data for analysis (i.e. for Bioinformatics);
12. Science Education in STEM, such as producing educational materials for instructors and students to run authentic research labs (graduate students and post-doctoral fellows could work together with faculty in the creation of these materials; graduate students and post-doctoral fellows could present on their

**COMMISSION ON HUMAN RIGHTS AND OPPORTUNITIES
CONTRACT COMPLIANCE REGULATIONS
NOTIFICATION TO BIDDERS**

(Revised 09/17/07)

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

- (a) the bidder’s success in implementing an affirmative action plan;
- (b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
- (c) the bidder’s promise to develop and implement a successful affirmative action plan;
- (d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
- (e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

INSTRUCTIONS AND OTHER INFORMATION

The following BIDDER CONTRACT COMPLIANCE MONITORING REPORT must be completed in full, signed, and submitted with the bid for this contract. The contract awarding agency and the Commission on Human Rights and Opportunities will use the information contained thereon to determine the bidders compliance to Sections 4a-60 and 4a-60a CONN. GEN. STAT., and Sections 46a-68j-23 of the Regulations of Connecticut State Agencies regarding equal employment opportunity, and the bidder’s good faith efforts to include minority business enterprises as subcontractors and suppliers for the work of the contract.

The Contractor agrees that the sole and exclusive means for the presentation of any claim against the State arising from this Agreement shall be in accordance with Chapter 53 of the Connecticut General Statutes (Claims Against the State) and the Contractor further agrees not to initiate legal proceedings in any state or federal court in addition to, or in lieu of, said Chapter 53 proceedings.

2. Indemnification and Insurance:

- (a) The Contractor shall indemnify, defend and hold harmless the State and its officers, representatives, agents, servants, employees, successors and assigns from and against any and all (1) claims arising, directly or indirectly, in connection with the Contract, including the acts of commission or omission (collectively, the "Acts") of the Contractor or contractor parties; and (2) liabilities, damages, losses, costs and expenses, including but not limited to, attorneys' and other professionals' fees, arising, directly or indirectly, in connection with claims, Acts or the contract. The Contractor shall use counsel reasonably acceptable to the State in carrying out its obligations under this section. The Contractor's obligations under this section to indemnify, defend and hold harmless against claims includes claims concerning confidentiality of any part of or all of the Contractor's bid, proposal or any records, any intellectual property rights, other proprietary rights of any person or entity, copyrighted or uncopyrighted compositions, secret processes, patented or unpatented inventions, articles or appliances furnished or used in the performance.
- (b) The Contractor shall not be responsible for indemnifying or holding the State harmless from any liability arising due to the negligence of the State or any third party acting under the direct control or supervision of the State.
- (c) The Contractor shall reimburse the State for any and all damages to the real or personal property of the State caused by the Acts of the Contractor or any contractor parties. The State shall give the Contractor reasonable notice of any such claims.
- (d) The Contractor's duties under this section shall remain fully in effect and binding in accordance with the terms and conditions of the Contract, without being lessened or compromised in any way, even where the Contractor is alleged or is found to have merely contributed in part to the Acts giving rise to the claims and/or where the State is alleged or is found to have contributed to the Acts giving rise to the claims.
- (e) The Contractor shall carry and maintain at all times during the term of the Contract, and during the time that any provisions survive the term of the Contract, sufficient general liability insurance to satisfy its obligations under this Contract. The Contractor shall cause the State to be named as an additional insured on the policy and shall provide (1) a certificate of insurance, (2) the declaration page and (3) the additional insured endorsement to the policy to the Client Agency prior to the Effective Date of the Contract evidencing that the State is an additional insured. The Contractor shall not begin Performance until the delivery of these 3 documents to the Client Agency. State shall be entitled to recover under the insurance policy even if a body of competent jurisdiction determines that State is contributorily negligent.
- (f) This section shall survive the termination of the contract and shall not be limited by reason of any insurance coverage.

3. Sovereign Immunity:

The parties acknowledge and agree that nothing in this Contract shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of this Contract. To the extent that this section conflicts with any other section, this section shall govern.

4. Forum and Choice of Law:

The parties deem the Contract to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Contractor waives any objection which it may now have or will have to the laying of venue of any claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

5. Termination:

- (a) Notwithstanding any provisions in this contract, the College, through a duly authorized employee, may terminate the contract whenever the College makes a written determination that such termination is in the best interests of the State. The College shall notify the Contractor in writing of termination pursuant to this section, which notice shall specify the effective date of termination and the extent to which the Contractor must complete its performance under the contract prior to such date.
- (b) Notwithstanding any provisions in this contract, the College, through a duly authorized employee, may, after making a written determination that the Contractor has breached the contract, terminate the contract in accordance with the following breach provision.
 - i. Breach. If either party breaches the contract in any respect, the non-breaching party shall provide written notice of the breach to the breaching party and afford the breaching party an opportunity to cure within ten (10) days from the date that the breaching party receives the notice. In the case of a Contractor breach, any other time period which the College sets forth in the notice shall trump the ten (10) days. The right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure but the nature of the breach is such that it cannot be cured within the right to cure period. The notice may include an effective contract termination date if the breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the termination date, no further action shall be required of any party to effect the termination as of the stated date. If the notice does not set forth an effective contract termination date, then the non-breaching party may terminate the contract by giving the breaching party no less than twenty four (24) hours' prior written notice. If the College believes that the Contractor has not performed according to the contract, the College may withhold payment in whole or in part pending resolution of the performance issue, provided that the College notifies the Contractor in writing prior to the date that the payment would have been due.
- (c) The College shall send the notice of termination via certified mail, return receipt requested, to the Contractor at the most current address which the Contractor has furnished to the College for purposes of correspondence, or by hand delivery. Upon receiving the notice from the College, the Contractor shall immediately discontinue all services affected in accordance with the notice, undertake all College all records. The records are deemed to be the property of the College and the Contractor shall deliver them to the College no later than thirty (30) days after the termination of the contract or fifteen (15) days after the Contractor receives a written request from the College for the records. The Contractor shall deliver those records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.

- (d) Upon receipt of a written notice of termination from the College, the Contractor shall cease operations as the College directs in the notice, and take all actions that are necessary or appropriate, or that the College may reasonably direct, for the protection, and preservation of the goods and any other property. Except for any work which the College directs the Contractor to perform in the notice prior to the effective date of termination, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.
- (e) The College shall, within forty-five (45) days of the effective date of termination, reimburse the Contractor for its performance rendered and accepted by the College in accordance with the terms of this contract, in addition to all actual and reasonable costs incurred after termination in completing those portions of the performance which the notice required the Contractor to complete. However, the Contractor is not entitled to receive and the College is not obligated to tender to the Contractor any payments for anticipated or lost profits. Upon request by the College, the Contractor shall assign to the College, or any replacement Contractor which the College designates, all subcontracts, purchase orders and other commitments, deliver to the College all records and other information pertaining to its performance, and remove from State premises, whether leased or owned, all of Contractor's property, equipment, waste material and rubbish related to its performance, all as the College may request.
- (f) For breach or violation of any of the provisions in the section concerning representations and warranties, the College may terminate the contract in accordance with its terms and revoke any consents to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor parties or any third party.
- (g) Upon termination of the contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive termination. All representations, warranties, agreements and rights of the parties under the contract shall survive such termination to the extent not otherwise limited in the contract and without each one of them having to be specifically mentioned in the contract.
- (h) Termination of the contract pursuant to this section shall not be deemed to be a breach of contract by the College.

6. Entire Agreement:

This written contract shall constitute the entire agreement between the parties and no other terms and conditions in any document, acceptance or acknowledgment shall be effective or binding unless expressly agreed to in writing by College. This contract may not be changed other than by a formal written contract amendment signed by the parties hereto and approved by the Connecticut Attorney General.

Any contract made in violation of this subsection shall be voidable by a court of competent
