

Nominated Trainer Application Form CR1

Trainers delivering courses for licence linked qualifications need to be registered by their centre at the same time as the centre completes its application for Trident Awards Centre Recognition. Following Trident Awards Centre Recognition it is possible for Centres to add further Nominated Trainers by completing this application form, for example when appointing a new trainer or when applying to add further qualifications to their programme of courses.

A Nominated Trainers Application form must be fully completed by each trainer, signed by the applicant and the Head of Centre/Organisation or senior member of staff, returned with attached photocopies of relevant certificates/qualifications and a passport sized photograph of the applicant. A CV alone is not acceptable and an incomplete form will lead to a delay in processing the application.

All trainers delivering SIA licence-linked qualifications are required to hold all of the following:

- Preparing to Teach in the Lifelong Learning Sector (PTLLS) or a recognised equivalent and/or higher level teaching qualification.
- The qualification(s) they are delivering (except to deliver Upskilling or Security Guarding, when they may hold Door Supervision instead).
- Three years' front line experience in the past ten years, relevant to the qualification(s) they are delivering.

To deliver Door Supervision or Upskilling, all trainers are also required to hold:

- A Level 3 qualification in the Delivery of Physical Intervention Skills or SIA approved equivalent, with an up-to-date certificate evidencing achievement of the annual refresher.

To deliver Door Supervision or Security Guarding, all trainers are also required to hold:

- A Level 3 or above qualification in the delivery of conflict management training endorsed by the SIA.

Surname	
Forename	
Title	
Nominated Trainer E-mail Address <i>Must be personal, not centre email address</i>	
Nominated Trainer Telephone No <i>Must be personal, not centre telephone number</i>
