Curriculum Vitae

Daniel Dorling

Department of Geography,
University of Sheffield,
Winter Street,
Sheffield,
S10 2TN UK
Telephone: 0114 222 7910
daniel.dorling@sheffield.ac.uk

Present Appointments

Professor of Human Geography, Department of Geography, University of Sheffield

Visiting Professor, Department of Social Medicine, University of Bristol, UK

Adjunct Professor in the Department of Geography, University of Canterbury, NZ

Employment History

2007 Appointed Adjunct Professor, Department of Geography, University of Canterbury, NZ

2003 Appointed Professor of Human Geography, Dept. of Geography, University of Sheffield

2002 Appointed Visiting Professor, Department of Social Medicine, University of Bristol

2000-2003 Prof. of Quantitative Human Geography, School of Geography, University of Leeds

1999-2000 Reader in Geography, School of Geographical Sciences, Bristol University

1996-1998 Lecturer in Geography, School of Geographical Sciences, Bristol University

1993 to 1996: British Academy Fellow, Department of Geography, Newcastle University

1991 to 1993: Joseph Rowntree Foundation Fellow, Many Departments, Newcastle University

1987 to 1991: Part-Time Researcher/Teacher, Geography Department, Newcastle University

Other Posts

- 2007- Member of the Department for Communities and Local Government Expert Panels on Housing Markets and Planning Analysis; Housing and Communities Analysis; and Neighbourhoods, Cities and Regions Analysis
- 2002-08 Editorial Advisory Board of Environment and Planning A
- 2001-06 Performance indicators subject group advising HEFCE
- 2000-06 Editorial Board of British Cartographic Society
- 2000-02 ESRC board of Examiners for PhD allocation in Human Geography in the UK
- 2000 Dept of Health's Research and Development Commissioning Group for London's Health

Educational History

- 1991 Ph.D. The Visualization of Spatial Social Structure, University of Newcastle
- 1989 BSc (Hons) Geography, Mathematics and Statistics. First Class, University of Newcastle

Awards, Fellowships, Honours

- 2007 Recipient of Geographic Association Award for Excellence in Leading Geography
- 2006 Awarded the Sam Aaronovitch Memorial Prize, paper: Inequalities in Britain 1997-2006
- 2005 Awarded a British Academy Research Leave Fellowship for the period 2006-2008
- 2004 Awarded Esrkiné Fellowship to travel/work on sabbatical in New Zealand, 2004-2005
- 2003 Appointed Academician of Academy of the Learned Societies in the Social Sciences
- 2003 Awarded a Philip Leverhulme Prize (£50,000) for outstanding scholarship
- 1999 Awarded a University of Bristol Research Fellowship
- 1993 Awarded British Academy Postdoctoral Fellowship
- 1991 Awarded Rowntree Foundation Fellowship
- 1991 Awarded University Court Dispensation to gain a PhD early from Newcastle University
- 1989 Awarded university prizes in both Geography and Mathematics and Statistics

Postgraduate Supervision

Supervised in Newcastle, Bristol, Leeds, and Sheffield with others fifteen PhD students.

Undergraduate Teaching

Courses taught in years 1 to 3 include: Health Geography and Life Chances; Geographies of Health; Research Design in Human Geography; Health, People and Place; The Human Geography of Britain; Research and Dissertation Placements.

Research Grants

Total Research Income by 2006: £6,750,000 (£4,278,000 awarded since moving to Sheffield)

- 2006 to 2008 British Academy £240,930 Research Leave Fellowship Funding to enable me to concentrate on works needed to understand the transformation of British Society 1945-2005. Funding replacement lecturer and others at Sheffield.
- 2005 to 2008 Leverhulme £50,000 Award of the Philip Leverhulme Prize that has been used to fund the development of the world mapper website in collaboration with colleagues here and Mark Newman of Michigan University.
- 2005 to 2008 Leverhulme £1,105,000 Project submitted by Professor Peter Jackson and 19 others (of whom I played an extremely minor part) on how changes in family form, structure and composition have affected patterns of food consumption.
- 2005 to 2007 JRF £70,300 Project for which I am the principal investigator on poverty and wealth submitted with Prof Dave Gordon (Bristol), Dr Jan Rigby (Sheffield) and Dr Ruth Lupton (London), started May 2005, ended July 2007.
- 2005 to 2007 ESRC £68,308 Mentor supporting application of Dr Ballas for a Mid-career Fellowship, joint applicant for award led by Dr Ballas.
- 2005 to 2006 ODPM £34,895 Project to assess the feasibility of producing income estimates led by Dr Ballas, part of the bidding team, all funding to Sheffield for work to produce an extensive literature review – now completed.
- 2004 Shelter £15,000 Project charting the changing distribution and implications of housing wealth in Britain being undertaken for the Housing Charity – Shelter – with Bethan Thomas. Funding agreed for data costs only.
- 2004 ODPM £538,000 State of the Cities Project led by Michael Parkinson, Liverpool, part of the bidding team, Over £80,000 of funding to Sheffield for work on the Towns and Cities Database underlying much of the work.
- 2004 ODPM £27,000 New Horizons Research - Pilot Mapping of Local Social Polarisation in Three Areas of England 1971-2001, project wholly based in Sheffield, lead applicant with colleagues at Sheffield: Ballas, Thomas, Pritchard.
- 2004 JRF £35,000 Patterns and Processes of Poverty & Place: New Evidence From The Millennial Census. Project led by Sheffield with collaboration from Bristol and Edinburgh – Researcher: Dr Ben Wheeler – Sheffield based.
- 2004 IPPR £3000 Project with Bethan Thomas to produce 120+ maps and tables of information for Britain on the changing location of immigrants by country of birth from 1991 to 2001 to study changing geographies of identity.
- 2004 DWP £93,000 Ethnic Minority populations and the labour market: Analysis of the 2001 Census. Project led by Ludi Simpson in Manchester. Roughly a quarter of the work and funds subcontracted to Sheffield.
- 2004 ESRC £2,000,000 Just one of many co-applicants on a project led by Mel Bartley (UCL) to work in an ESRC network on health and resilience. Work with two research assistants (Rich Mitchell led) based at Edinburgh University.
- 2003 Environment Agency £1,500 Providing two days consultancy on a project managed by Gordon Mitchell to advise the agency on their work on social inequality and the environment.

2002 to 2007 EPSRC £629,000 Research and teaching project lead by the informatics centre at Leeds to develop a new Master's programme associated around informatics research (University wide), 5th of six proposers.

2002 to 2004 NOF £101,000 A project supported through the New Opportunities Fund to support a research fellow studying aspects of visualising historical data, part of larger project co-ordinated by Humphrey Southall.

2002 to 2003 JRF/Welsh Assembly £50,000 A project to extend the Sim York work to simulate the future shape of society in Wales projecting current geographical trends forward in time – with Graham Clarke and Dimitris Ballas

2001 to 2004 BT/Bt exact £288,000 A project to extend the Sim York and Sim Wales work to cover all of Britain, initially looking at projections of future telecommunications and computer use, with Graham Clarke, Dimitris Ballas and Dave Rossiter.

2001 to 2003 JRF £48,000 Research project to microsimulate the population of the City of York to 2001/2011/2021 with Graham Clarke and Dimitris Ballas

2001 to 2003 JISC £156,000 Project to produce teaching materials as part of the larger CHCC project, being conducted with Myles Gould (P.I) and Phil Rees

2001 to 2002 DEIR £76,000 Research project to determine the extent to which government measures of 'best value' provided through local government could be estimated or measured at the local level across England, with Phil Rees.

2000 to 2002 Welcome £159,000 Collaborator on a project studying social and mortality trends in the run up to the introduction of the NHS being directed by Humphrey Southall (QMW, London).

2000 to 2001 ESRC £45,000 Award for a research project preparing historic software for the 2001 Census with Dr David Martin (Southampton) and Dr Richard Mitchell.

1999 to 2000 JRF £67,000 Research project on explaining inequalities in life and death in 1980s and 1990s Britain awarded by the Trustees of the Foundation with Dr Mary Shaw.

1998 JISC £10,000 Award of a grant to produce a review of visualization in the social sciences with research assistance from Scot Orford and Rich Harris at Bristol.

1998 Granada/Dispatches £7,200 Consultancy fee to analyse the literature on mortality risks in Britain with George Davey Smith and Mary Shaw for a television programme.

1998 CML £7,600 Consultancy fee to analyse the Council of Mortgage Lender's survey of house hold's with respect to recent political changes in voting with Prof. Ron Johnston and Dr Charles Pattie.

1998 Assoc. of Local Government £13,000 Consultancy fee to analyse the implications of proposed Government changes to the Deprivation Indexes with Dr David Gordon and Dr Mary Shaw.

1998 to 2001 ESRC £250,000 Award of a three year project with Queen Mary and Westfield and Belfast to collect and analyse British census and vital registration data from 1801 to 2001.

1998 to 2001	BT	£53,000	Award of a three year studentship and consultancy project to analyse the geography of telecommunications in Britain using BT data.
1998 to 2000	NHS	£59,000	Award from the NHS Executive South and West to investigate suicide trends with Dr David Gunnell, Prof. Stephen Frankel and Dr Elise Whitley.
1997 to 1999	ESRC	£167,000	Award of a two year project to uncover the reasons behind the increase in health inequalities in Britain in the 1980s and early 1990s, concentrating on geographical disparities.
1997 to 1998	ESRC	£78,000	Award of a one year project extended to eighteen months to analyse the results of the 1997 general election with Ron Johnston and Charles Pattie
1996	JRF	£5,000	Funding for a consultancy report on Health, Wealth and Happiness, looking at alternative goals for national government other than maximizing Economic prosperity in Britain.
1996	ESRC	£5,000	Funding for a consultancy report to advise on the procurement of Data on Health in Europe for the Durham/Essex Centre for Research on Access European Data.
1995	DoE	£47,000	Funding for two research assistants on a six month project to analyse various patterns of urban and social change in Britain, contract held with Tony Champion and Mike Coombes.
1995	ESRC	£5,000	Funding for a consultancy report to produce a functional region classification of the 1991 census, work done in collaboration with Mike Coombes, David Atkins and Simon Raybould.
1995 to 1996	JRF	£16,000	Sponsorship of the costs of a project to chart the changing life chances in Britain of people in local areas from the 1930s to the 1990s - this concentrated on changing mortality ratios.
1994	HM Treasury	£16,000	To produce a consultancy report on the characteristics of people in housing debt and the changing levels of their debts and how the housing market is affecting these issues.
1994	British Academy	£1,000	Special award towards research costs on a study of the connections between mortality rates and social class composition change in Britain by local authorities from 1931 to 1991.
1994 to 1995	ESRC	£43,000	Funding for a research assistant and other expenses on a 12 month project to study local social polarisation in Britain 1971-1991 - looking for evidence at the ward level across the country.
1993 to 1994	JRF	£4,500	Sponsorship of follow-on work from my Rowntree Foundation Fellowship to contribute to the Housing and the Wider Economy Inquiry.
1993 to 1994	Henley Centre	£5,500	Consultancy work on the economic state of Britain for the Henley Centre and for various newspapers. This worked focussed on housing issues, but also on the wider economy.
1993 to 1996	British Academy	£60,000	Funding for a three year Postdoctoral Fellowship to study local social change in Britain 1951 to 2001, drawing on place based social, medical, electoral, housing and employment records.
